SWISS CLUB MANCHESTER.

On Thursday, 11th September, Mr. Monney (in the absence of the President) took the chair at a meeting of some 50 members and friends at the Central Library Lecture Room to see a film and some hundreds of coloured slides.

The show was presented by our Hon. Associate, Mr. Sam Hanna, A.R.P.S., M.Coll.H.

Those present were delighted with the beautiful views taken by Mr. Hanna last summer during a motor journey through the Black Forest and the eastern part of Switzerland.

As usual, he chose as his objects the more intimate, out-of-the-way objects so that the audience felt as though they were part of the happy party during his trip. It would be very difficult to point to a single scene as being especially outstanding, for each view or scene was a masterpiece of colour photography and each was evidence of the artistry of our friend.

At the close of the evening Mr. Kuebler expressed on behalf of the meeting the warmest thanks to Mr. Hanna for his kindness in giving the members of the Club a delightful evening, and expressed the hope that we may soon see some more of his photographic art.
