Mobile Internet.

*Success.*

Build faster 3G access.

# Rewrite the rules

## **Forget the techno hype. Focus on profit and people.**

Change your 3G focus from just access to profit-generating personal services and mobile commerce. Nokia brings you customers who cannot wait to get their hands on new services. We know the users and they know us.

Our complete 3G system is the first on the market and gives you unrivalled time-to-profit. It spans from terminals and ready-to-launch service packages to systems integration and networks. From planning to keeping your operation up and running – including integrated billing and security. Shift seamlessly from voice to mobile multimedia services while protecting your second generation investment.

To become a leader in 3G, join us in the Mobile Information Society. Visit [www.nokia.com](http://www.nokia.com) and start rewriting the rules your way.
