Auckland Swiss Club

November 22nd, of course, was the date we had waited for—off to Auckland for a shoot. We finally arrived, late, but still in time to get through the necessary shoots, which are getting tougher every year.

tougher every year. However, the friendship and hospitality which greets us every time is a pleasure well worth going for. The highlight of the day was, of course, the "Schützenabend".

As we walked through the door at Edendale Hall we could not help but notice the big table loaded with medals which would make any shooter's heart jump. After a few glasses of wine, dance and jodels the prize-giving was under way, after which his Worship the Major was presented with the Auckland "Coat of Arms" Medal, which he obviously appreciated, being an ex-shooter himself. An inviting aroma came from the other end of the hall where a delicious supper was being prepared by Paul Wütrich's family — my mouth still waters just thinking of it!

Dancing soon started again and carried on almost until 2 a.m. when singing took over. A small group lasted until daylight, then decided to get the Hall cleaned up and invadeENZLER'S for breakfast.

It was a terrific outing Auckland — you can really turn it on! We also know that a lot of work is put into organising an evening like this. Thank you all. We already look forward to next year.

Hamilton Swiss Club

Shooting enthusiasts celebrated and watched the presentation of trophies to the winners of the Champion Group (50 meter Camp) of the Radio Weltschützenfest 1969 for the Swiss living abroad, namely the Hamilton Club members Pratt, Meister and Unternaehrer.

Justly proud of their achievement they received the coveted Armbrust Trophy from the hands of John Villiger, President of the Hamilton Swiss Club, and the Club's Riflemasters, Messrs Unternaehrer and Meister. They also won the huge Cowbell (Challenge Trophy) which was previously held by the Swiss shooters of Rhodesia and will now be held by Hamilton until the next competition in 1973.

An excellent supper prepared by Mr Fluehler of the Swiss Chalet Restaurant brought a most pleasant evening to a close.

CAR RALLY 1969

This year the Car Rally changed its name to "Fux Jagt 1969" and was held under the theme: "We drive on the Moon".

As every year, a beautiful Sunday in November came along and a number of 15 members with their families and friends were ready to start and wondering whether they could find out all about the moon which these days has become very interesting; even a pretty dog in one of the cars looked excited.

Unfortunately, due to a misunderstanding in the organisation, cars became lost even before they reached the first post, and consequently headed straight for the finish; except for this small happening everything was just perfect. Some of the questions were quite difficult, especially the one where the planets which are situated around the sun had to be mentioned; even the moon was named.

During the picnic the Ambassador and Mrs Corti joined our company, and then the three best drivers were presented with a

nice gift. Special questions were arranged for the children and those who answered quickly also received nice prizes.

We would like to thank everybody for their assistance, and hope that this "Fux Jagt 1969" will be well remembered.

Christchurch Swiss Club

On Sunday, 23rd November, the Christchurch Swiss Club held a barbecue-picnic on the property of Mr and Mrs A. Moser at Brooklands, about 10 miles from the city. The day dawned cold and rainy, but towards the afternoon when the barbecue was to begin the skies cleared a bit. A tent had been erected in case of showers and while we waited for the coals to heat up we played Kegeln. A shout from the "Chef" told us that the sausages were cooking and to come and get them. Mrs Moser and Mrs Gottini had both made some beautiful brown bread and we munched on this and waited our turn for the sausages to cook. The talking died down and soon all that could be heard was the satisfied murmur of delight.

After devouring all the food we went back to finish our game of Kegeln which was won by Mrs H. Faes. The wind was getting cooler so we circled our benches around the fire and sat talking. Somebody asked the time and to everyone's amazement we found it to be 7 o'clock. It was soon after that that we left; and what a wonderful afternoon. I'm sure that the 30 or so members of the Club who were at the barbecue would wish me to thank Mr and Mrs Moser most sincerely for all the work they did to make the afternoon the success it was.

The Christchurch Swiss Club extends to the other Swiss Clubs in New Zealand a very Merry Christmas and a Happy New Year.

Obituary

Mrs Elisa Schweizer-Huber

Mrs Elisa Schweizer-Huber died suddenly on December 1st at the residence of her daughter and son-in-law, Mrs and Mr Hans Oettli, Eureka, in her 86th year.

Mrs Schweizer came to New Zealand four and a half years ago to be with her family.

Although the language barrier at her age became a handicap, Mrs Schweizer was always cheerful and happy. She was contented witnessing the growth in numbers and prosperity of her descendants who she had, perhaps not showing it, regretted seeing leave Switzerland some 15 years earlier, and once more was a united member of the family. Persevering to talk Swiss with her grandchildren and great-grandchildren, instead she picked up quite
