Humour

Service station manager explains all the repairs needed on customer's car. "Do you understand all these technical terms" he asks. "How could I" answers the car-owner, "I don't know anything about cars, I'm a horse dealer by profession". Repair man thinks long and hard and answers: It's quite simple, just imagine your car to be one of your horses and you would have a mercy-killing on your hands.

"40 YEARS WELLINGTON SWISS CLUB"

As original members of the Wellington Swiss Club we had the pleasure of participating in their 40 years celebration held in Wellington during weekend 25th and 26th October.

Celebrations commenced at the Skyline Restaurant (which overlooks the beautiful Harbour and City of Wellington) at 7 p.m. with nibbles and drinks, then a welcome speech by President, Maya Beddie-Geiser, followed by a delicious buffet meal. After dinner the Chargé D'affairs, W. Simmen, gave a short address, then there was a Rose Ceremony when former members of the Wellington Club, and visitors were called up and presented with a beautiful red rose each.

During the evening we were treated to entertainment by the Basler Clique, Yodel by Kathy Trachsel, Songs by the Taranaki Choir, Folk dance music by Marianne Benkert and Leo Zehnder, Alphorn Blowing by Ruedi Dudli, and Folk Dancing.

The next day was also well organized with three adventures - (1) Historic walk, (2) Trip by Ferry, or (3) Tourist tour through Wellington. At 5 p.m. the Club House in Ohariu Valley was open to everybody for Jassen and Kegeln. Later the Wellington Committee provided a delicious dinner.

We had a wonderful time catching up with old friends we had not seen for years, especially Maria and Harry Suter who came all the way from Canberra.

We would like to thank the Wellington Committee for an unforgettable weekend, and on behalf of the Hamilton Swiss Club we wish the Wellington Swiss Club all the best for the future.

Josie and Bert Flühler.

Members of Taranaki Swiss Club trip to Wellington

On Saturday, 25th October nearly twenty of us descended on Wellington to attend the Wellington Swiss Club's 40th anniversary celebrations. With three campervans we headed south, stopping at Woodlands Lodge to enjoy lunch. What a beautiful place to stop and admire the building and surroundings. We then continued to Levin where we invaded a liquor outlet and to Otaki to invest funds in Lotto (in an effort to extend our séjour in Wellington !!!!). We commenced the last stretch.... but had an unexpected stop 10-km north of our accommodation..... Leo started emitting black smoke (oh....sorry, I meant the van!!!), and finally ground to a halt. The men tried to find a solution to the problem... Lou activating the fuel hand-pump managed to ensure that Leo eventually completed the trip !! In the evening we made our way to

the Skyline Restaurant where the celebrations were being held..., WOW...., what a fantastic view !! Unbelievable !!

After thoroughly delicious starters and drinks and then a scrumptious meal, various speeches and entertainment followed. These were interesting and enjoyed by all..., our singers, alphorn player and accordionists were there in force too !! Tombola tickets were sold, and our very own Margrit Dudli certainly was flavour of the month for the Taranaki contingent, drawing out our numbers at will !! Many thanks, Margrit, a job well done !! Holdi and Regi won a mystery weekend (second.... third... honeymoon??!!) and everyone was envious !! You might find some followers when you go !!!

Our next lucky person of the night was Bertha Kuriger winning a guitar ! After strumming all weekend she was in dire need of a sticking plaster to help heal the wound !! Anyone wishing to have lessons, please feel free to call Bertha...., no strings attached !!! Others won beautiful hand crafted wooden bowls and a cheeseboard. All too soon the evening came to a close, and we left for our motel and vans. Next day, Wellington members generously gave of their time to conduct city tours, a walk around the wharf or shopping...., many thanks Wellingtonians....., everyone thoroughly enjoyed their time with you all. We were then all treated to a lovely meal at the club house, where cards, kegeln and talking prevailed. We also watched an enjoyable video covering the previous 40 years of the Wellington Swiss Club. Excellent entertainment value !! All too soon

(again for the Taranaki ragers !!) the fantastic evening came to an end. Many thanks to all members of the Wellington Swiss Club who helped make the weekend so very memorable. We will be back !! Thanks also to Peter who arranged a new fuel filter for Leo's van...., excellent service !

- On our trip home, we stopped again at Otaki to pick up our winnings...., a little short of the sum invested !! Sufficient though for us to purchase lunch for everyone and appreciate it and the sun at a rest area !! Great way to spend our winnings !!!! Visited Lindale which was interesting. Most Ladies enjoyed sampling the schnapps...., the men...., no-where to be found...., obviously not very fond of shopping !! Our next stop was Dudding Lake...., a very scenic, peaceful place where afternoon tea was devoured. Then on to the Restaurant 'Kurigers' (still strumming her guitar !!!!)...., where we enjoyed a delicious soup and cheese and bread...., can highly recommend this restaurant !!!, and schnapps kindly provided by her neighbours !! Many thanks Maya...., it was really appreciated (especially by Heidi and Lisette !!). On behalf of the passengers, I would like to thank the drivers very much...., they were great...., never complained...., did as they were told...., just like males should be !!! No...., all jokes aside...., we all really appreciated being able to sit back and enjoy the view, and of course chat !!!! We all look forward to another trip.... in the near future !!!!

Obituary
Judy Wilson née Schuler,
1947 - 1997

Born in Kaponga as the Daughter
of Charly and Doreen, she grew up
in Kaponga amongst three Brothers
and one Sister.

- 28 years ago she married Vic
Wilson and they lived in New Ply-
mouth and had a family of three
children. They were able to give all
the children a university education.
- As I knew Judy, she was a bit re-
served, but once you got to know
her, she was very proud of her her-
itage as a Swiss and Scot descen-
dant. 6 years ago her big dream
came true, when together with her
husband she was able to see with
her own eyes the beauty of the
Scottish Highlands and the Berner-
Alps with the centre of Grindel-
wald, the place her Grandmother
came from.

She was very impressed to see
this village nestled between the
three mountains "Jungfrau, Mönch
and Eiger".

- To Vic, the two Daughters and
Son, our deepest Sympathy. I liked
especially the ending of her
youngest Daughter's poem:

"Mum, I say goodbye, you now will
join Grandmas and Grandpas
and also Diana and Mother
Theresa".

May She rest in peace !

**Wellington Swiss Club,
40th Anniversary Celebration,
25/26th October 1997**

It could not have been a clearer and sunnier evening on Saturday, October 25, when the first guests, our Swiss friends from Taranaki arrived at the Skyline restaurant in their colorful and elegant traditional costumes. The Wellingtonians, equally dressed up to the occasion, soon joined them and there was much joyous greeting, talking and laughing going on even before our throats were refreshed and appetites whetted with good wine and tasty nibbles.

The restaurant was decked with Swiss cantonal flags, lovely flower arrangements, little flags and red chocolate hearts on the tables made it look even more festive. The view over the harbour and on to the Rimutaka range was stunning - yeas, it touched the "Lueged vo Bärgh und Tal" spot of our Swiss hearts - quite adequately - on this day, the 40th anniversary of the Wellington Swiss Club.

A wonderful big, red and white flower arrangement, sponsored by the Auckland Swiss Club, decorated the entrance table on which were displayed their framed "Document" congratulating us to our 40th Anniversary, together with the message from the editor of "Helvetia". Mr. and Mrs. Bert Fluhler came as representatives of the Hamilton Club.

Our president, Maya Beddie Geiser welcomed everyone and wished a happy evening, which no doubt it was going to be.

The Basler Clique in their original costumes and masks 'drummed and piped' all guests to table and were much applauded. Everybody enjoyed the buffet dinner - some of our guests needed lots of patience until it was their turn, sorry about that !

After the meal, Ruth Messmer, our Treasurer of over 30 years, shared a few memories of what the club was like, when it first started - how modestly it had all begun, and how well it developed. André Schleicher had more stories to tell, and he added a somewhat pensive note by his reflections on the recent Swiss-Jewish/American relations.

However, the mood was quickly revived and brightened by the charming rose-ceremony conducted by Maya Beddie-Geiser. She presented 40 roses to the founding members of the club and to many others who during the past 40 years won special merits for their activities in and for the club. Hans and Therese Scherrer were made honorary members. Thank you all who have served the club in such different ways.

Thereafter, Ruedi Dudli delighted us with his Alphorn - a rare sound that attracted even the curiosity of the waiters of the restaurant, and was well applauded. Walter Simmen, Chargé d'affaires of the Swiss Embassy, addressed words of praise to the committee for their work, and he also encouraged the members to be more enterprising and try to make the club attractive to the younger generation. Thank you, we'll bear it in mind.

Ah, there was again the sound of Basel pipes - and the "Bebbis" came for a second round - this time even with an original "Schnitzelbangg", here it comes:

"Mir sind scho sit viile Joor
In dem schöne Land
Gueten oobe mitenand
Vo der Schwiiz und Neuseeland.

Mir sind do ane kho
Als jungi Pärli
Und s'isch is do vorkho
Wie immene Märli

Dänn hämmer ghüroote,
Händ glaini Bebbis gha
Und de Schwiizer Club aagfange,
Ziit isch schampar schnäll vergange.

Hüt simmer bigoscht scho
Grossmamme und Grossbappe
Und hän halt immer no ne frächi Klappe

Wellington, me sait em die windig Stadt,
Aber mir finde's doo trotzdem glatt
...wänn's numme kaini Zürcher hett !!

Em Aafang hesch nüd emol en guete Kaffi
gfunde
und em sechsi z'oobig händ d'Beize zuegmacht
und alli Liit sin verschwunde

40 Jöörli Schwiizer Club
Congratulation
Schwiiz-Neuseeland - a super combination"

Lots of laughter - particularly at the Zürcher-rhyme - old "friends" never die!!)

When this last evening drew to an

end, everybody went home happily and looking forward to - well, the 50th anniversary celebration. Lots of planning, discussion and work had gone into this weekend - everything worked out well and we would like to thank all the organisers, helpers, sponsors and most of all the participants for their contributions to this memorable event.
