Spruch des Monats

When I'm an old person!!!

When I'm an old person, I will live, with each of my kids!!! To bring them much happiness, just the same as they did! I want to pay back all the joy they have provided, when they were kids! Returning their deeds, I know they will be so excited! (When I'm an old person and I live with my kids!)

I will write things on the walls, with reds, greens and blues and I am sure to amuse, when I am jumping around on their furniture, still wearing my shoes!

(When I'm an old person and I live with my kids!)

I will drink from my bottle, if I'm allowed, I will squash all my food, before I tip my plate out! I will stuff all the toilets and behave like a lout and I can imagine what they will shout!

(When I'm an old person and I live with my kids!)

When they're on the phone or just out of reach I'll get into things, like powder and bleach! Oh, I know they will point their fingers and they will shake their head, when I'll go hiding under my bed! (When I'm an old person and I live with my kids!)

When they have cooked dinner and call me, to get ready to eat, I'll go, but I won't eat my veges, my salad, my soup, nor my meat! I will just be stubbornly, wait for some special treat!!!

(When I'm an old person and I live with my kids!)

I will gag on my pumpkins and on my beans, the potatoes, the salad and the peas!!! I will spill my drink on the kitchen table and when they get angry, I will try to run away, if I am able!

(When I'm an old person and I live with my kids!)

I will sit in front of the television, through the channels I'll click!

Watching those stupid programmes, just makes me sick! I'll take off my socks and I'll throw them away and I'll go and play in the mud, for the rest of the day! (When I'm an old person and I live with my kids!)

And later in bed, I'll close my eyes and lay back with a sigh and thank God for another beautiful day! My kids will look down on me, with a weary smile, nearly weep and quietly say, you are really so sweet, when you have finally fallen asleep!!! (When I'm an old person and I live with my kids!)
