New Years' Eve

We had a record 39 campervans this year who attended the New Years' Eve celebrations at the Swiss Club hall in Kaponga ... quite an influx of motor homes to this small village!!! They were joined by about twenty swissies ... for Richard and Jolanda it was their first venture to the Swiss Club in Kaponga (they have moved from the city of Auckland), and as the website had an address of Palmer Road ... they went up and down Palmer Road looking for the hall ... when they thought they must have it wrong, they rang Berta at the Mountain House and got the right directions and finally ended

up in the right place!!! Sorry about the difficulties you had in locating us ... and we'll see if we can get the website details changed, so new people don't have the same hassle as you have had!!! We hope that you enjoyed yourselves, and look forward to seeing you at future functions. The entertainment got underway about 8.30pm with a variety of dances and skits ... we have new talent in our club, by way of "belly dancers" ... well what a laugh ... we all look forward to a repeat performance at another one of our functions, so more people can witness your incredible talents!!! A raffle was held with great support from the audience, and supper was soon served ... well what an incredible array of delicious food ... there was heaps of it, but by gingos it is amazing how it can disappear!!! Soon after the glasses of wine were poured to toast the New Year in ... and the evening was nearly over. It is unbelievable how an evening can disappear so very quickly!!! It was a terrific evening with wonderful entertainment. We look forward to seeing you all in 2005 at one of our functions.

On New Years' night about 58 campervanners and swissies dined at the Stratford Club - a smorgasbord meal which was truly delicious. It is a great way to serve so many people - as people nearly all eat together as opposed to "a la carte" and there being such a big difference in time from the first to the last getting their meals. It was a wonderful two days of seeing the old year out and the new one in!!!

Forthcoming Events.

In late January we will be hosting two groups from Switzerland, and showing them around our beautiful province ... let's hope the weather improves by then!!!

February 3 & 17 - Keglen at the Swiss Club ... nine-pin bowling on our own alley ... good practice for the up-coming semi-final of the Cowbell which will be held in Wellington this year on 19 February. Anyone interested in going by bus, and believe me it is fun, please contact Othmar on 06 272 2878. We look forward to your support on this trip. The Wellingtonians are terrific hosts, and I am sure that you won't

February 13 - this is the day of our Annual Picnic ... so pray for fine weather!!! The big highlight of the day is the "Schwingen" and I understand that we will have several competitors from Switzerland (a small tour group), so come along and watch (or participate!!) this popular "Swiss" sport. If you are interested in knowing more about the technique of this sport, please ring Nic Werder, Othmar Hebler or Paul Ruchti. There will also be barbequed cervelats and bratwursts for sale ... fresh from the Swiss Deli in Auckland ... and believe me they are always delicious. Alcoholic and non-alcoholic beverages will be available for purchase, as well as chips, icecreams and iceblocks. Every year Erna and Lisette organise a fabulous tombola ... and this year is no exception ... so bring along plenty of money to support this ... and you never know ... some great prizes might go your way!!! Children's activities will be organised, so please come along as a family and enjoy yourselves. Please support the club in this social day, and you will catch up with some friends you may not have seen for some time ... and also

Past Events...

The Christmas Function was held on Sunday 5th December at the Newstead School. It was a cold, miserable and windy day just like most of November and December but it didn't stop quite a few of our family members from turning up to help celebrate Christmas. Everyone enjoyed the grilled Bratwurst and it wasn't long before the clown turned up to entertain the children with face painting and party games. Luckily we had about half an hour of fine weather so that the children could be outside for a while. Following this Rinaldo organised a small Christmas presentation which a few of the children joined in to do the reading whilst the rest of the families and children listened. This was followed by some carol singing and soon it was time for Santa to turn up and hand out presents. As usual, everyone enjoyed some delicious home-made Christmas biscuits and coffee with schnapps (much appreciated on this very cold day). Everyone also had the opportunity to buy raffle tickets and win some great prizes, some of which were kindly donated by members of the club. Many thanks to these people.

The Jass evening (4 November) for example was a great success and was enjoyed by a great number of members and friends. Max and Rowena must

have enjoyed it as well as they have offered their home again for a re-match. We will keep it in mind and hope to find a suitable time, maybe this coming winter. Thanks again Rowena and Max for your hospitality.

Dear Auckland basking in sunshine at last!!

I hope you have all returned safely from the various storm-swept, flooded, rained-out or otherwise blessed with all sorts of weather destinations and can take the opportunity to enjoy the sun after the holiday.

Past Events...

Our Samichlaus Family Christmas party was held on Sunday 5 December 2004 in very stormy weather, so stormy that Santa could not fly in, as usual, by helicopter. So the poor man had to make the long trip on foot. He made it on time though, and was very cheerful and patiently listened to all the children's stories and poems, and gave each a special Christmas parcel.

A puppet theatre was very much enjoyed by young and old, and the women's Singing Circle spread the Christmas spirit with some very well known German/Swiss Christmas songs.

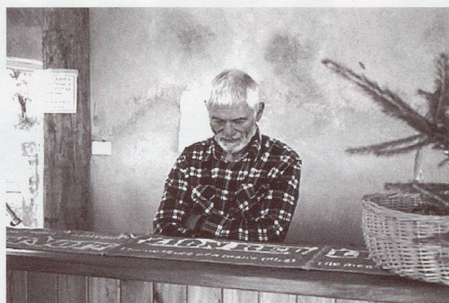

It was great to see so many young families enjoying this special event. Thank you all for helping, and for

We are sad to announce that Rolf and Rosmarie Bertschi have returned to Switzerland, to be closer to their family. We wish them all the best and hope to have regular reports on current events in the Vaterland.

When you next visit the farm you will find two boxes stacked with German books, under the counter. They are there by the grace of a kind Swiss compatriot who left for Switzerland earlier last year and left his collection of books for all of us to share. Please feel free to browse through them and if you borrow one, please return it when you have read it, so everyone has the benefit of them.

We hope you all have a wonderful 2005!

Trudi/Heidi.
