Past Events

A very good crowd turned up on a nice winters day for the competition of either shooting or skittles. By 5.30pm the delicious rippli and sauerkraut was served and thoroughly enjoyed by all. Then we handed out all the cups, medals and trophies for the 2005-2006 smallbore shooting season. Next came the reading out of the scores for the days competition where everyone receives a prize of either a bottle of wine or a packet of cervelats. The top scores for shooting were Nita Kaiser, Joe Kaiser, Erna Zimmermann, Peter Zimmermann, Emmi Kiser and Mark Kiser. Top scores in Kegeln were Tilly Riddick, Markus Rufer, Kath Zehnder, Leo Zehnder and Lucia Noetzi. Followed then by the spinning wheel prizes, mystery prizes and name draw prizes for a chance to win one of many beautiful prizes. The evening ended with a small supper and coffee schnaps. I would like to thank all the supporters, sponsors and helpers who make the smooth running of the function possible. We, the Shooting Committee, hope that you all had an enjoyable weekend and we hope to see you again at next years' anniversary shoot.

Movies Weekend Saturday 1st and Sunday 2nd July.

Saturday was a perfect windless, warm sunny day. Thanks to Sandy and Murray Simonds we were able to make use of the luxurious cinema screen at the Trentham Army Camp.

The children and the Adults could watch their films simultaneously.

About 12 adults and 14 children arrived at 2 pm at the Army camp. After a week of rain it felt like we should be outside enjoying the sunshine. But we were all rewarded with some interesting films. "Anna Goelding," die

letzte Hexe. was the story of Anna the servant in a doctor's household at the end of the 18th century in Glarus. A very moving and sad story.

"Sternenberg" Franz Engi came back to his Home in Sternenberg after 30 years abroad. He saw the changes that had taken place. Sad to see the danger of the closing of the primary school in his beloved village he enrolled himself as a student. He was the oldest primary school student in Switzerland and all the jokes and fun he got himself entangled in.

It was a most enjoyable afternoon.

The film Sunday didn't draw quite as many movie enthusiasts as we anticipated: maybe the weather was too nice, after a long wet cold dreary spell.

The equipment to show the films and get the sound right was excellent- thank you again, Murray and Sandy Simons.

And also a big thank you to Piki Anderson who sewed the BIG screen till very late- or rather early-the previous night.... Achtung , fertig Charli was a funny film, and we had

good laughs all the way through. The soup was needed to warm us up, so we could enjoy the nostalgic film, "es Dach über em Chopf" with Zarli Carigiet.

Sunday 9th of July Jassen.

After the rather chilly experience on the previous Sunday we were worried the Jassers might catch pneumonia. Max and Rosina Fuhrer came to the Jassers' rescue and very generously invited everybody to their home. Thank you very much Max and Rosina! Nine Jassers spent a very pleasant afternoon: they were warm- and well fed too!

Forthcoming Events...

Sunday 6th of August.

Lunch and Jass afternoon.

If you are interested in joining the group for an afternoon of Jassen, then please give Trudi a ring at 562 8019.

Otari-Wilton's Bush walk 25 June 2006

On 25 June a brief reprieve from a long spell of wet weather let a group of our members complete a short walk in the Otari-Wilton's Bush near downtown Wellington. The participants squelched their way alongside the Kaiwharawhara Stream to the main Troup Picnic area followed by a sharp climb up the Blue Track route to the specially sign-posted 800 year old Rimu. The return journey via the main visitor centre and the canopy walkway was followed by afternoon tea back at the car park. The group was kept company by Piwakawaka / Fantails and had plenty of time to chat, catch-up and share knowledge about the reserve. It was great to see some sunshine and spend some time in the tranquillity of the bush. The next walk will be when the weather starts to improve again in October.

Card Evenings

It seems such a short time ago that we headed into another season of Card Evenings, and already they have come to an end. Attendance this year was once again steady (with the exception of the fifth evening!), however slightly lower than the last few years. In total, over the six evenings, we had 256 players (compared to 288 in 2005, 272 in 2003 and 264 in 2004), proving that, although lower, our annual Card Evenings are still as popular as ever. On a terribly cold and miserable evening, 30 people braved the dreadful weather to travel to Matamata for the fifth Card Evening on 22nd June. Several members were also suffering from winter ailments, and a few others were overseas, which also contributed to the low number of players. Two weeks later, for the sixth and final Card Evening in Cambridge on 7th July, not only did attendance improve once again to 46 players, but fortunately the weather conditions were a lot better as well. As always, all our players enjoyed a delicious supper, and many could also go home with a generous prize. This year, a total of 29 players participated in at least five evenings and therefore were eligible for the overall competition (the lowest score is deducted for players attending all six evenings). So at the conclusion of the sixth evening, these scores were added to previous totals to find the overall card champion for 2006. This year, this honour went to Heinz Leuenberger, with a total score of 20,532 points - one of the highest scores ever achieved, and nearly 500 points ahead of the second placed Eileen Hickey. It was a close race into the final competition, with the top seven players within 200 points of each other after five evenings, but Heinz pushed way ahead, with a final evening score of 4448, also one of the highest ever achieved!!

Following the presentation of evening prizes, the overall prize winners were able to select their prizes - half a pig, smoked and cut into a ham and seven other generous pieces, made up the selection of prizes for this category. As well, the Card Trophy was presented to the Overall winner. Our congratulations go to Heinz, as well as to the other seven prize-winners.

We would like to thank everyone who donated extra prizes - the Club always provides eight prizes, but we always had several more, thanks to some very kind donations. As well, we also thank everyone involved in organising and catering for the six evenings, and helping to make them such a consistently popular Club activity. Finally, a big thank you to all the participants for coming along every two weeks - you are the people who ultimately make this into a successful event. See you all again next year!!

Forthcoming Events...

Family Walk to be held on Sunday, 20th August, meeting at 11am in the Rose Garden carpark, Gate 2 at the Hamilton Gardens. Entrance is opposite Grey Street but if coming from Grey Street you need to turn left and go around the Roundabout. We will then walk along the river and over Claudelands Bridge and then have a picnic lunch at Parana Park near the bird aviary. If you don't want to do the walk but just meet for lunch, come to Parana Park some time after 12 noon. Alternatively, if you would like to start early, you could park your car in Memorial Drive opposite Parana Park about 10.15 and walk to the Rose Gardens and be there by 11am. That way your car will be at the lunch meeting place.

The Fondue Evening will be held on Saturday 23rd September, 7.30pm at the Matangi Hall. Please bring your marked fondue sets and forks as the club doesn't always have enough. The Swiss Society medal presentations will also take place, so if you have won a medal it would be great to see you receive this on the night. There will also be Shooting medal presentations as well as our club trophy presentations for Jass, Kegel, Shotput and Shooting. Following supper there will also be our usual great selection of home-made Swiss baking. Cost is \$22 for members and \$25 for non-members. School-age children half price. For further enquiries you can ring Anita (07) 856-2414 but we do not need bookings for this function.
