Shit, if I had his cover story I'd give ya the 411 on this mutah-fucks. So wha' d' ya wan'? I seen him comin' tower's me so I prepare to do my thing. It ain' like I'm new to this shit nothin', so ya know the signs. I goes an lower my shoulder an gets ready for his 'proach, like dis righ' here. Tha's righ'. Jus' as the mutah-fucks comin' tower's me.

Well it's like, ya know. Kin'nah like how, when they be in commercials. Ya know? How like when Billy Bee be comin' at you tower's the screen. Passion. You know, like wit' passion. An' wha' wit' these extensions I got. Righ'?

Only be comin' at me wit' wha' be lookin' like blonde hair an' I be thinkin' to myself tha' I mus' be lookin' real dops if he be comin' at me like tha'. Righ'?

Shit, I done tol' you the mutah fucks was comin' tower's me. I mean, where you from mutah fucka? Shit, wha' I do is my job jus' like this be yo' job. Tha's all, mutah fucks. But, damn, if 'fore I could get a good sight of him they was this otha' fucka standin' long side where the mens be sittin' wit' the trees. Ova' there. Yeah, you see 'em. An' this mutah fucka be sellin' snow! Damn if I ain't shittin'. This mutah fucka was sellin' snow an' that beats all my shit. Damn if it don'. Tha's wha' I be talkin' 'bout. Black, man. Tha's talkin' back.

The mutah fucka had on skates. You know them ones with the single wheels. I don' know wha' they be called. But those. Anyway, 'fore I can focus my eyes, I smell this odor man, like if someone been shittin' on themself's or somethin'. I mean like skank shit. I had to duck my head to get that shit out my nose. Of course this leaves me not able to see this mutah fucka comin' at me in them skates. Nex' I know, there's this bitch standin' there with these extinctions actin' as if he's comin' for her or somethin'. Then she starts to turn from the smell which keep comin' as he keep comin'. Then I say to myself, shit, this is my shit an' this mutah fucka tryin' to come in here an' move from my shit 'cause if my head is down, shieldin' me from tha' smell, then how else I'm gonna protect my shit. So this become a war. Don' you see? It's me an' my shit again' this mutah fucka wh's tryin' to take my shit while my head is down. So I wrapped this scarf I had done got from this sistah that always be smellin' like sweet potato pies an' I wrap this sucker 'round my nose an' mouth an' take a good look at this mutah fucks. An' I'll be damn if he didn't have a blonde woman's wig sittin' on top his head like a hat with these scarves tied roun' his arms an' shoulders on a neck so's he can't even move hissef 'cept on them skates. Bu' it seem like this here ol' silly girl can't see nothin' 'captin' wha' she want. And then she couldn't see no way she could keep her head be held down by the smell...

When he fell, I had jus' done grabbed her from out the way. By the time we looked up, wasn't nothin' much left to see. Wha' had once been turned to what looked like ash and it had the smell of cedar. The skates were twisted 'round ice as if that frozen water had the strength of steel. The wig he wore lay on top the scarves where it took on the look of twisted hay and the smell of wet dogs.
