SWISS NATIONAL DAY
COLLECTION

May we remind our readers that this year's National Day Collection has been launched in aid of women's work in Switzerland? The proceeds from your generosity will go to five Women's Associations. They are the *Bund Schweizerischer Frauenvereine*, the *Schweizerischer Gemeinnütziger Frauenverein*, the *Schweizerischer Katholischer Frauenbund*, the *Evangelischer Frauenbund der Schweiz* and the *Schweizerische Arbeitsgemeinschaft für den Hausdienst*. Remember that several of these organisations regularly subsidise the Welfare Office for Swiss Girls in Great Britain, and two of them were instrumental at the time in getting the Swiss Hostel for Girls established in London.

The motto of this year's collection organised by the "Don de la Fête Nationale" ("Bundesfeierspende") is **WOMAN IN THE SERVICE OF THE PEOPLE**. Give generously for the worthy cause. The attractive badges are on sale at the Swiss Embassy, at the Consulates, at various Swiss centres throughout the country and at the National Day celebrations.

P.S. Perhaps you would like to re-read what MM wrote on the subject in the issue of 26th June.

THE ANAGRAM IN THE
LAST ISSUE

Readers who took the trouble of piecing together my report on the "Waldfest" in the last Swiss Observer must have spent a frustrating moment as some sentences were jumbled. But this time it wasn't your Editor's fault. I do hope however that most readers managed to get some idea of what this very enjoyable afternoon was like.
