NEW FLY-RAIL SWITZERLAND PACKAGE

from only £76.00

A new concept of go-as-you-please holidays in Switzerland, with the price advantage of a packaged holiday, was introduced on 1st April.

The Fly-Rail Switzerland holidays, for two or more people, include economy class air travel by any direct scheduled flight of Swissair, British Airways or Dan-Air, plus a Swiss Holiday Card valid 8 days, 15 days or one month.

The Swiss Holiday Card entitles the holder to unlimited travel by rail, boat and alpine postal coach. Or to be exact on the whole network of the Swiss Federal Railways (1810 miles), on 79 private railways (1414 miles), on the lake boat routes (294 nautical miles or 339 statute miles), and most alpine postal coach routes (2054 miles). All in all, no less than 5600 miles of beautiful journeys within Switzerland. In addition,

reductions of 25%-50% are offered on many funiculars and mountain railways. The Swiss Holiday Card is available for first or second class travel.

The Fly-Rail cost is from £76.00 per person, for return air travel London to Basle or Geneva plus a second class 8-day Holiday Card. Flights to Zurich and Berne and from Manchester to Switzerland, with first or second class Holiday Cards valid 8 days, up to 15 days or up to one month, are also available at additional cost.

For children from 6 to 12 years, the cost of Fly-Rail is only about half the adult rate, and two children in this age bracket count as one adult for the minimum group of two adults travelling together. The stay in Switzerland must be for at least eight days and not more than one month, and the Swiss Holiday Card must be valid for the entire duration.

Bookings for Fly-Rail Switzerland can be made with travel agents, airline offices and the Swiss National Tourist Office.

Inn on the Park. After dark

Apart from being quite the most beautiful hotel in London, the Inn on the Park is also quite the most perfect rendezvous. It's the place to meet after dark, after theatre, after a hard day's work, after anything. It also lets you start any evening as you mean to go on. In style.

There's the military splendour of the Vintage Bar. Or the Four Seasons Bar, just large enough to ensure that the only thing that's crushed is the ice in your drink. And speaking of comfort, the Inn on the Park has one of the few really civilised lounges left in London.

In fact, such is the attraction of

starting or concluding any evening at the Inn on the Park, that people naturally wish to spend the middle of it with us as well. For these discerning people we have a delicious alternative.

Lounge

The Vintage Room

The Vintage Room is that rare thing. A sophisticated night spot where you can dine like a king and dance with your hands around your partner, not your ears. Live music and

very much alive atmosphere till 2 a.m.

For those for whom gastronomic pleasures are to be taken seriously, there is the Four Seasons Room.

Unquestionably, this is one of Europe's finest restaurants. Created by people who know about good food for the remaining few who really appreciate it. The service is pure magic and the ambience pure Inn on the Park. Try it. After dark.
