# Case Katz ad Aldesago

Il terreno a forma triangolare situato tra via Rava e via Aldesago, è caratterizzato da una forte pendenza.

L'edificio in cemento a facciavista composto da due case quasi gemelle si pone con gli accessi veicolari e pedonali, lungo via Rave, parallelo alle curve di livello del terreno.

Al piano interrato sono previste le autorimesse ed i locali tecnici, al piano terreno le camere con le terrazze e i servizi, mentre al primo piano troviamo i soggiorni aperti su grandi terrazze con piscina.

Le ampie vetrate verso sud ovest si aprono sul paesaggio eccezionale del lago di Lugano. La parte a monte delle case rimane giardino.
