Air Defence solutions for Switzerland

Everywhere it matters, we deliver

AIR THREAT AND MISSILE DETECTION
Cost-effectively tailor solutions to customer requirements and equipments

CYBER SECURITY
Deliver cyber-resilient solutions for wide ranging Air Defence missions

MISSION PLANNING AND EXECUTION
Promote an integrated approach to every stage of the critical decision chain

SITUATIONAL AWARENESS
Enable 100% engagement safety through a fully integrated identification chain

VITAL ASSET, AREA AND FORCE PROTECTION
Maximise high fire-power, mobility and protection against air attacks

Critical decisions are made every day regarding the protection of Switzerland. Thales is at the heart of this as the leading provider of Defence and Homeland Security products and services. Our innovative range of Advanced Air Defence solutions and integrated smart technologies includes CONTROLView, SAMP/T, RAPIDDefender and RAPIDFire. We employ around 200 people in Zurich and are committed to providing the Swiss Armed Forces with the information and control they need to make more effective responses in critical environments. Everywhere, together with our customers, we are making a difference.
