A NOTE BY ASHOK AKLUJKAR ON HIS ARTICLES IN AS/EA XLVII.1.1993

As I was constantly travelling in India when the proofs of the enclosed articles were sent to me by the publisher, the proofs did not reach me and I could not correct them in time or have the opportunity of improving my wording here and there prior to final printing. The relatively important corrections of transliteration and spelling have been noted below. Minor inconsistencies in hyphenation, italicization, punctuation, the turn or direction of quotation marks, and specification of bibliographic references have been left out. My thanks to Professor Johannes Bronkhorst for correcting the proofs as best as he could under the circumstances. In specifying the point of correction, the lines have been counted from top to bottom, discounting the header line. The point of correction has been shown in boldface font.
