## Faculty Positions in Architectural Design

at Ecole Polytechnique Fédérale de Lausanne (EPFL)

EPFL plans a substantial development of its School of Architecture, Civil and Environmental Engineering (ENAC).

As part of this broad program, we are searching for several **Professors in Architectural Design** (part-time employment as full, associate or assistant professor). Employment contracts are subject to private law, based on part-time employment and drawn up for a fixed term of four years which may be renewed.

The successful candidates will develop a high-quality teaching (at undergraduate and graduate levels) and research program. Both teaching and research activities will focus on architectural design from a theoretical and practical point of view, coupled to a strong interdisciplinary vision. The positions require expert knowledge of the theory and practice of architectural design as well as acknowledged skills in designing and completing bold and innovative architectural projects. High professional standing at the international level is expected.

Start-up resources will be available. EPFL offers internationally competitive salaries and benefits.

To apply, please follow the application procedure at <http://enac.epfl.ch/page24888.html>. The following documents are requested in PDF format: motivation letter, curriculum vitae, publications list, concise statement of research and teaching interests as well as the names and addresses (including e-mail) of at least five referees. Screening will start on **January 1st, 2006**. Further questions can be addressed to:

**Professor Laurent Vulliet**  
**Dean School of Architecture,**  
**Civil and Environmental Engineering**  
**EPFL**  
**CH-1015 Lausanne, Switzerland**

For additional information on EPFL, please consult <http://www.epfl.ch> or <http://enac.epfl.ch>

EPFL is an equal opportunity employer.
