Cape Town Calling

Review of activities at the Swiss Social and Sports Club since mid February, 1977.

On Monday 21st February at 17.25 hours there was much excitement at D.F. Malan Airport in Cape Town. Looking at the colourful flags draped from the look-out balcony at the terminal, one might have been forgiven if one thought one had come to Switzerland. But in reality it was only a large group of Swiss Club members who had come to greet in traditional festive manner the arrival of a Balair DC 6B aircraft on a 50th Anniversary flight of the first North-South crossing of the African continent by Swiss aviation pioneer Walter Mittelholzer in 1944.

True to the legendary Swiss punctuality, in spite of various technical hitches en route, the small aircraft touched on the landing strip at exactly 17.25, 50 years to the minute after Mittelholzer's Seaplane 'Switzerland' had touched water in Table Bay. Amongst the many local Swiss was William Dellenbach, a past president and honorary member of our club, who was amongst the Swiss Club Committee 50 years ago which had greeted the famous Mittelholzer from a little boat in the bay.

Two days later at a special braai held in honour of the 64 participants of Spuren von Mittelholzer" flight, a specially inscribed book on South African together with a Bowler print were handed to Mr. Alfred Waldis the Director of the Swiss Transport Museum which had organised the flight, by Mr. Peter Muller, the Swiss Club President.

The Swiss guests enjoyed the S.A. braaivleis with refreshing Cape Wine and export-quality table grapes as dessert enormously, and it was with a sad heart that many adieus were said later that evening. Many friendships were formed as a result of the visit, and we hope that many of the guests who were here for the first time, will pay us a visit in the future.

The next major event was a "Special Summer Braaivleis" the club organised at our camping and picnic site at Jonkershoek near Stellenbosch. For those who don't know, Jonkershoek, the Swiss ground approximately two hectares in extent, is completely covered by oak forest and lies on the bank of the Eerste River which runs through neighbouring Stellenbosch on its way

into False Bay. Every winter the flood waters cause considerable erosion to the club's property, and it was decided to combine the Special "Summer Braai" with a "working party" to consolidate the river bank. The result was an extremely good turnout and the braai organised and donated by our honorary member Kurt Rietmann was enjoyed by everyone.

Following this, on March the 12th the club organised a "Suser Party". Again this event which was last held some 7 to 8 years ago was a runaway success. For the uninitiated, Suser is freshly pressed grape juice where the natural fermentation process has just started. We used this opportunity to "test" cheese tarts from three different bakeries, and many found the selection process quite difficult, as all the cheese tarts were excellent.

The Swiss Club takes part in the annual Community Chest Carnival at Maynardville, Wynberg near Cape Town every second year. This year, the club fielded its grandest pavillion ever. For 3 days from Thursday 24th March, Switzerland was on display to the population of Cape Town in the form of a multiracial liquor licensed restaurant, serving Swiss Specialities and none different stalls selling to passersby such diverse Swiss Fare as Rosenkuchen hot off the waffle iron and sizzling St. Galler Bratwurst straight off the charcoal grill. Three tired days and nights later, with a record turnover of R13,000 our members and firends had a celebratory drink to round off this year's bumper success. Many local charities will benefit from the proceeds generated by the many pavillions participating at Carnival. Our thanks go to all our friends, helpers and members who made such a success out of our effort.

Some 22 priests and academics from Switzerland visited the club on Monday 4th April for an Ideas Interchange. After brief introductory talks by Pfarrer Heinrich Rusterholz on behalf of the visitors and President Peter Muller on behalf of the locals, everybody mixed at round tables and discussed topics as wide-ranging as politics and spare-time interests. Both sides were thoroughly delighted at the "talks" and many

misunderstandings were clarified.

On April 10th, the club held its traditional Easter Picnic under the oaks at Jonkershoek. At 3pm. the Easter bunny arrived with a gift for each child under 12 years, and thereafter members and their friends participated in the traditional shooting, darts and lucky-wheel competitions.

An innovation this year was the "Beer and sausage" evening on 28th May. Extra-large schublig made specially for the occasion by member Herbert Maier, together with gallons of draught and swinging, beer-mug banging com- - paa music, made the party swing in spite of a poor attendance probably due to the weather conditions.

Late in May, Mr. Michael Garvin, the Chairman of the Community Chest Carnival invited the Convenors of the various pavillions participating in this years Carnival to a dinner at which the results were announced to the Press. The Swiss pavillion succeeded in being the top money spinner and after being congratulated, President Peter Muller — handed a bottle of Swiss Liqueur to Mr. and Mrs. Garvin in appreciation of their interest and leadership in directing the affairs of the Community Carnival.

On June 4th, an excellent meal of Geschnetzeltes, Spätzli and salad followed by Apple Tart, Cream and Coffee was enjoyed by all who attended the official farewell function in honour of the departing Consul in Cape Town, Hans Isaak and his wife Maria. The Isaaks have been the head of the Swiss Consulate for the last five years and in their own quiet, humble and friendly way they have endeared themselves to all with whom they have come in contact. A suitably inscribed book and a beautifully set of South African precious stone was handed to them as a token of the Club's appreciation of their services.

Our annual Fondue Party which was poorly attended again as a result of the inclement weather, was held on Friday 24th June. Those who did not attend, really missed a great party. General opinion was that the Fondue cooked to a special home recipe by Committee member Albert Steiger was one of the best most people had eaten

either here or in Switzerland. The wine and Kirsch was just the ideal accompaniment in the bitterly cold weather, and this evening will be remembered by all for a long time to come.

The above functions and activities which we have mentioned are only the main highlights of the last half-year. There are frequent functions most of which we have not mentioned, but we would extend a hearty welcome to any Swiss Review reader to join us whenever they are in Cape Town.

Community Chest Carnival Dinner Party, Mr. Peter Muller (President of the Swiss Social & Sports Club) hands a bottle of Swiss Liqueur to Mr. Mike Garvin (Chairman of Carnival) while Mrs. Garvin looks on.

17.25 hours - February 1927 - Table Bay - Swiss Club (in boats) Greeting Walter Mittelholzer's Switzerland.

Looking at the Functions for the next half-year to December, 1977.

July 16th, should see another great gathering at the Clubhouse when we hope to inaugurate our newly acquired club Liquor Licence. The Mayor of Cape Town, Alderman John Tyers should be in attendance as will many guests and friends of the club.

On Sunday July 31st, we have arranged home games for the Swiss Football teams, and we shall naturally be hoping for wins from all teams to celebrate Switzerland's 686th National Day. A special Braai will be made at lunch-time and entertainment for member's children is being considered.

Monday 1st August will see two functions. Firstly there will be the luncheon at the Arthurs Seat Hotel at 12.30 which is growing in popularity from year to year. Attended by businessmen, friends and many elderly people who do not wish to attend the evening dinner-dance, the luncheon is usually very good value and consists of traditional Swiss dishes beautifully prepared by Honorary member Werner Hinder's staff at the hotel. Then in the evening at 7.25pm. for 8pm. some 250 persons are expected to meet for the dinner-dance. This year the keynote will be the informality as with the Consular Seat vacant and the Mayor out of town, we have decided to make the speeches short and concentrate on the food, dancing and of course, the draw in the Club's "Trip for two to Switzerland" competition. The orchestra "The Latins" which found exceptional favour among the members last year has been engaged again.

Towards the end of August we expect our new Consul-designate, Mr. Walter Altenburger to arrive in the city. The Club will arrange a reception Committee at the Airport, and once he has settled in, we shall arrange a reception at the Clubhouse, so that members can get to know their new Consular representative.

In Spring, we anticipate organising another rally which is

always a popular event amongst members. The Western Cape lends itself to Rallies, since not only are there many scenic drives, but also a diversity of destinations that one can set as a target.

Towards the end of November we are hoping to stage another Waldfest at our Jonkershoek picnic site. This has become an annual event which is growing in popularity, and was originally initiated by our Rifle Club.

Then on 6th December, our annual Christmas Tree Celebration will be staged at the Clubhouse in Green Point. Each child under 12 gets a present from Father Christmas and the dramatic lighting of the Christmas Tree is something that young and old alike enjoy. Entertainment is always arranged for our young members and the excellent puppet and music shows of the past have already become legend.

We look forward to welcoming you at some of the above functions.

Developments and Recent Appointments in the Swiss Social and Sports Club — Sub Clubs:-

During the last half year, all our various sporting clubs have all had their own Annual General Meetings. Each sporting section is busy and not only handles all its own sporting arrangements, but its own social functions. In this way, we have had events in the last half-year such as the Rietmann Cup (Football), the Championship Braai (Tennis), the Breede River Outing (Schwinger), and the Absenden (Rifle). A golf section under "Captaincy" of Eddie Zurcher has also arranged two well-attended golf tournaments in the last 6 months, and if they carry on in this encouraging way, we shall not be surprised if we have a fully-fledged "Golf Club" soon.
