LOCAL NEWS SOUTH AFRICA

Years ago, the Swiss Society Helvetia wanted to find out more about the background of the Swiss in Southern Africa. Yet lack of enthusiasm never lead to a start of this project until very recently, when once again this idea was brought to the fore.

At the present moment a small group is doing a lot of researching into the history of our country of choice and the relevant swiss involvement and already a fantastic amount of interesting information comes to light.

At this point in time we are trying to obtain information of the past and we have compiled a rough chronology which is extended daily. We are quite happy to come and visit anybody who feels he has some information for our research. We are equally happy to let anybody have a copy of the above chronology on request should this prove beneficial to its further completion.

It might interest you that this project is dealt with not only in Johannesburg but also by our sister Swiss Clubs in Southern Africa. We shall in future Bulletins to come let you have an insight into the type of information we are, presently compiling in order for every Swiss to possibly adjust, add or complete details.

The ultimate goal will be a proper publication. However, nobody should expect miracles from a team of enthusiastic amateurs working on a "shoe-string" basis. Your support is therefore necessary. For any information or photo material you would like to pass on to us, contact the undersigned at Johannesburg at Tel.: (Bus.) 725-6427 or 725-3019) or the Secretary or Chairman of the Swiss Club closest to you.

We wish the new management team every success in the year ahead.

The committee will plan and spearhead a concerted marketing drive to enlist more members during 1978 at these truly low subscription levels.

PREVIEW OF MAJOR 1978 ACTIVITIES.

Much that is new is planned for 1978 the new committee of the Swiss Social and Sports Club.

For a start the committee has decided to launch a monthly "Businessman's Luncheon". This will function as a mini Swiss-South African Chamber of Commerce in Cape Town. Businessmen and their guests will meet visiting personalities from Switzerland as well as local leaders in business during the course of the year and ample opportunity for an interchange of ideas and business contracts will be afforded.

The hiking programme initiated last year, has grown from strength to strength, and some 40 persons trekked for eight hours in January over the picturesque mountains from Nuweburg to Jonkershoek. A full programme is planned for 1978, the highlight being a 3 day hike from Nuweburg to Franschoek in May.

The cantonal functions also started last year are drawing capacity crowds every month. This year, they will be varied with speciality functions at infrequent intervals. In this way a successful Swuser evening was staged during pressing time in March and it is planned to hold a Viennese evening later this year.

All these exciting new developments are in addition to the normal club

functions which are held regularly. One of the recent ones was the Annual Rietmann Cup at which mammoth Thuringer Bratwurst were enjoyed by all.

In addition the club is open six days a week, Tuesdays to Fridays from 6p.m. to 11p.m. and Saturday and Sunday from 11 a.m. to 11 p.m.

We invite all readers of Swiss Review when in Cape Town to drop in at the Club or if in doubt as to the programme do not hesitate to phone Ursula Wildschek (Office: 43-5917 / Home: 44-1673) or write to:

NEW CONSULAR COUPLE IN CAPE TOWN.

Since September last year, we have had a new Consular Couple in our midst. They are Mr. and Mrs. Walter Altenburger who have come to us after a few years in Bern, Switzerland.

In the short time they have been with us, they have already endeared themselves to the Swiss Community in Cape Town and we are confident that their stay in the Mother City will be both pleasant and rewarding.

CAPE PERSONALITIES.

Ernst and Ida Blaser.

Ernst and Ida Blaser celebrated fifty years in South Africa last year. This also meant fifty years unbroken membership of the Swiss Social and Sports Club.

On arrival in Table Bay on the 1st August 1927, they were met by Emil Klausler, the Head Porter of the Mount Nelson Hotel who was also the President of the Swiss Club. He immediately made them welcome in the city which was to be their new home.

Ernst and Ida had opted to come to the South African branch of BallyShoe Company, as they had already worked for the parental production unit at Schoenenwerd in Switzerland for a number of years, and Ernst's brother John had returned from South Africa in 1925 to tell them of the opportunities that existed in the land of gold and sunshine.

Cape Town was a much smaller place then, and prices by today's standards were a fraction of those prevailing now. Ida recalls that one could buy the best quality table grapes at a penny per pound. Salaries of course were constructively lower too.

The Blasers enjoyed living in the country of their adoption and it was only after eight years that they returned to Switzerland on the first of several visits during the past fifty years.

In 1951 they left the Cape Town branch of Bally Shoe Company to take over a shoe-repair business in Sea Point. During the next fifteen years they built up a thriving business with customers spread throughout the Peninsula and even further afield. In their quiet yet efficient way, everyone became not merely a customer but a friend.

In 1965 they sold their business and retired to their charming home overlooking the city in Tamboerskloof. Today, fifteen years later, both are still in good health and enjoying every minute of their retirement.

PAST EVENTS.

Our Berg Weekend at Sierra Ranch, Mooi River was an enjoyable outing, rather on the expensive side. The turnout could have been better but perhaps through petrol restrictions and the general economic squeeze, prevented members from taking part.

The Family Shooting where for the first time a pig on a spit was braaied, was a good afternoon's entertainment. Unfortunately again the attendance could have been higher. I read however in my minutes that the pig could have been larger and I wonder what would have happened really, if more people had turned out. This has however been rectified as, for our next family shooting, we have secured a much larger animal.

This year the weather god was good to us again in as much as we had a very fine warm day for our annual 1st August celebrations on the farm 'Helvetia' in Cato Ridge. There was a tremendous turnout of people from all over Natal and I am sure all had good fun. I know that you will all agree with me that this year's new idea of providing food during the whole day on our braai stand, was a noticeable improvement as previously a lot of newcomers were not aware that they had to bring food and refreshments.

The highlight of our activities was the draw from our ticket sale for the overseas flight to Switzerland and we would like to congratulate the following lucky winners:

- 1st Prize:** Return flight to Switzerland sponsored by Siwssair.
F. Kuhn - Pietermaritzburg.
- 2nd Prize:** One tumble dryer sponsored by Geisers and Defy.
J. Kulper - Empangeni.
- 3rd Prize:** Weekend for family at Cabana Beach, sponsored by Cabana Beach Hotel.
