Swiss Club Toronto

Looking for something exciting to do this summer? How about a «round the world» tour? It takes only 10 days, costs \$ 5 and children travel free.

You can visit Tokyo and Athens, India and France – more than 50 stops in all. Sample culinary delights along the way – from curries to crêpes; enjoy the art and folklore of China and the Ukraine; sing along in a German Beer Garden; dance to the rhythm of a West Indian Steel Band; and when you're through, stop for a while and bring back memories of home with a fondue or a raclette, a mug of Swiss «brew» and the familiar sound of a yodel.

All this and more can be yours to enjoy if you join our Caravan tour. Don't miss this marvellous opportunity to see the world.

Metro Toronto's 10th International Caravan runs from June 23rd to July 1st. Advance sale passports entitling you to visit any or all pavilions and valid for the full ten days of Caravan cost \$ 5 and can be obtained through the Swiss Club Toronto, P.O. Box 823, Station «Q», Toronto, Ontario.

Don't forget to visit us, too! The Swiss Pavilion «Zermatt» will be located at 235 Queen's Quay West, Toronto. See you there!

Canadysli Clique

The Canadysli Clique will soon be celebrating their second anniversary.

Two years is a rather short time to announce a big celebration for a Clique, but the fact that we have survived throughout the two

years is due to the excellent friendship, great support and loyalty of all our members. (An example of this great support is demonstrated by the following account:

On our February 2nd meeting, to be precise, 11 days prior to the Morgeschtraich, little Steve, who became our youngest member that evening, was also present with his mother. She announced to all that Steve would like to participate in the Parades, but that he did not have either mask or costume to do so.

Without any hesitation whatsoever, 3 of our members offered their full support to help Steve in providing him with mask and costume in time for the Parades. (Many thanks to this special effort «The Committee».)

On April 13th, 1976, there were 27 founding members present at the Bond Place Hotel in Toronto. Since then, our membership has grown with prosperity to over 130 members, which is a figure of outstanding enthusiasm.

Our second 4 A.M. Parade (Morgeschtraich) from February 13th, 1978, was history (at the time of the Editor's closing of this booklet). Therefore, I would like to inform you with regards to our activities and also to the publicity that we have received in the Toronto newspapers.

Publicity

Our biggest surprize came about on February 2nd when a small group of Cana-

dysli were attending a hearing with the Toronto buildings committee, who then decided to exempt the Canadysli from the City's noise by-law.

Ernst Boxler

Muffled drums?

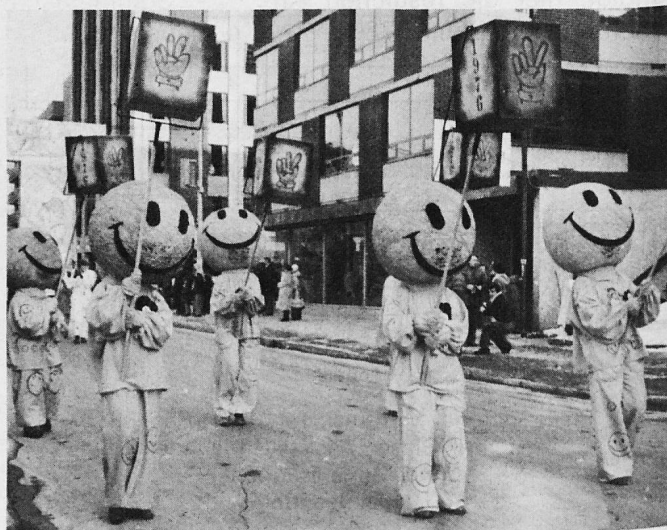

Swiss allowed «subdued noise»

A Swiss group will be able to make «subdued noise» during its traditional 4 a.m. parade through Yorkville on Feb. 13.

The Toronto buildings committee decided yesterday it had no objection to exempting the Canadysli Clique from the city's noise bylaw.

Clique president Henri Stadler said the only noise will come from a band equipped with two cowskin string drums and six piccolos. Last year, the parade was conducted in silence because the organizers did not wish to disturb local residents.

But music will make the parade more traditional, Mr. Stadler said. The parade,

which kicks off a carnival held annually to banish winter, will be confined to Yorkville Avenue, Cumberland and Bellair Streets.

Vancouver Fasnacht Clique

On February 11, 1978, Fasnacht once again became a reality. And what a day it was! The weather couldn't have been better, and certainly served to compliment a joyous occasion for all concerned. The Fasnachtlers, numbering well over 450, outbid themselves in their individual efforts at preparing their festive masks and costumes.

It became apparent that many a fun moment was spent towards the making of a successful «Guggenmusik» and the hours spent practising the various sounds emitted by a splendid array of musical instruments, provided a background of what can only be summed up in a word. Excellent.

I would like to take the opportunity to thank all those involved in making this annual event such a roaring success. An honorable mention to Hans Rieder, who provided the outstanding delicacies (Mehlsuppe, Zwiebel- und Käsekuchen) that were consumed voraciously. By one and all, and another

A special vote of thanks to grace, who provided an untiring body and spirit, and lastly, I must thank my wife Marlies, for putting up with me and my absences during the preparation of Fasnacht 1978. I haven't told her yet, but I already have started plans for Fasnacht 1979! I wish one and all a successful 1978, and looking forward to seeing you all next year. You want to join? Congratulations to the club champions of 1977; Cat. A. is R. Bruggler and in Cat. B. is W. Kuhn.

None of these positions have been taken permanently, they're only temporarily taken and you can fill any one of them in 1978. All it takes is practice! So why don't you make this year your successful year in shooting. And remember, for «Feldschiessen and Obligatorisches» the ammunition is free. A shooting calendar can be obtained from the Swiss Canadian Rifle Club, P. O. Box 2761, Vancouver, B. C., V6B 3X2 or Mr. A. Muller, 5958 E. Hastings Street, North Burnaby, B. C., V6B 1R6.

As we are one month late with our annual events this year, «Annual General Meeting February 17th, 1978, Annual Dinner Dance February 25th, 1978» and as the deadline for the quarterly edition of the Swiss Canadian Review is February 15th, 1978

we are unable to publish the names of the new executive members and the shooting calendar. We will publish them in the 2nd edition of the Swiss Herald and non subscribers can obtain the information from the people listed below.

We are very pleased with progress of our building project as the 300m range upgrading is almost completed and the clearing for the 50m small bore and pistol range is well under way. So therefore I can't foresee any reason why we will not have a full shooting program on all the ranges in 1978 at the mountain range. If you're interested in shooting this year or just seeing our shooting range check with the people listed below.

We hope we will see you up at the mountain range.
