Communication à nos compatriotes émigrés au Canada (Landed immigrants) et qui n'ont pas acquis la nationalité canadienne.

Les autorités canadiennes d'immigration viennent d'informer les Représentations étrangères au Canada sur ce qui suit: La nouvelle loi canadienne sur l'immigration, entrée en vigueur le 10 avril 1978, prévoit que les immigrants (landed immigrant) qui ont leur domicile permanent au Canada, mais qui ne possèdent pas la nationalité canadienne doivent être en possession d'un permis de retour quand ils se rendent à l'étranger pour plus de 183 jours pendant une période de 12 mois. Un permis de retour peut être obtenu en présentant une demande verbale ou écrite à tout centre d'immigration du Canada avant de quitter le pays. Toutefois, si le requérant se trouve déjà à l'étranger, il peut présenter une demande de permis de retour à la représentation canadienne la plus proche.

Mitteilung an unsere Landsleute, die nach Kanada eingewandert sind (landed immigrants) und das kanadische Bürgerrecht nicht erworben haben

Die kanadischen Einwanderungsbehörden machen die ausländischen Vertretungen in Kanada auf folgendes aufmerksam: Das neue kanadische Einwanderungsgesetz, welches am 10. April 1978 in Kraft trat, sieht vor, dass Einwanderer (landed immigrants), die in Kanada ständigen Wohnsitz haben, aber das kanadische Bürgerrecht nicht besitzen, eine Rückreisebewilligung benötigen, wenn sie sich *länger als 183 Tage* im Ausland aufhalten. Rückreisebewilligungen können bei irgend-einer kanadischen Einwanderungsbehörde vor der Ausreise mündlich oder schriftlich beantragt werden. Befindet man sich bereits im Ausland, können Rückreisegesuche auch bei den kanadischen Vertretungen im Ausland beantragt werden.

Landammann bringen, wo er noch einen ernstlichen Zuspruch erhielt. Nach der 100-Jahre-Schwingerverbot-«Feier», erliess der Landrat nochmals ein Schwingerverbot für alle Zeiten und Orte, bei 10 Gulden Busse jedesmal, wovon die Hälfte dem Kläger. 1798–1803 verkündigte das helvetische Vollziehungsdirektorium, dass das Ringen und Schwingen für die Kräfte des Körpers, oder um kriegerische Talente zu entwickeln, fähig sei. Das Schwingerverbot jedoch wurde am 19. Dezember 1803 erneut in Kraft gesetzt. Das hinderte die Nidwaldner Schwinger nicht, denn sie besuchten alle Schwingerplätze der Nachbarskantone. Endlich, am 23. März 1908, wurde das 221jährige Schwingerverbot im Kanton Nidwalden in Stans vom hohen Landrat aufgehoben.

Jahresprogramm:

Frühlingspicknick, McDonald College, St. Anne de Bellevue; Bundesfeier mit der Federation in Sutton; Wettjassen 13. Oktober, Generalversammlung 10. November, Weihnachtsfeier in der Townhall in Brom 1. Dezember.

In der nächsten Ausgabe werden keine Vereinsnachrichten erscheinen.

Glen Sutton, den 19.4.1979

In der Ausgabe 4/78 der Swiss-Canada Review habe ich betreffend dem Schwingen im Kanton Schwyz erwähnt, dass der Landrat dieses Nationalspiel immer tolerierte. Anders im Kanton Nidwalden, wo der «Hoselupf» auch schon im Jahre 1549 gemacht wurde; wenn zwei miteinander geschwungen haben, und die Zuschauer diese verklagten, bekam der Kläger immer die Hälfte der Busse. Die Landsgemeinde legte Wert auf die gymnastische Ausbildung ihrer jungen Bürger und befahl 1585 der Obrigkeit, den Siegern im Springen, Laufen und Steinstossen je einen Taler zu geben. Sie betrachteten die Gymnastik für den Landsmann als notwendige Vorschule für die militärische Ausbildung, zu der er verpflichtet war. Auch die Schützen erhielten jährlich obrigkeitliche Ehrengaben. Dagegen ging das Ringen und Schwingen leer aus, weil es als unsittlich betrachtet wurde und manchmal zu Schlägereien ausartete. Am 3.2.1622 verknurten Schultheiss und Gemeinde Burger des grossen wohlweisen unüberwindlichen Rats zu Stans in der löblichen Stadt, den Meister Peter Schillinger im Wirtshaus zum Rössli, weil er mit einer Jungfrau geschwungen hat und am Boden gelegen ist. Zur Ehrenrettung des Schwin-

gers ist hier anzunehmen, dass er in Schwinghosen antrat, so dass hinsichtlich Handhabe der Vorteil eindeutig auf der Seite der Schwingerin lag. Nachdem der Landrat sofort beschloss, dass man solche Meitlenen ruhig als Huren schelten darf und das niemandem etwas schaden soll.

Am 23. April 1682 hat die hohe Regierung das Schwingen im ganzen Kanton gänzlich verboten. Einige Jahre später wurden denn auch Uli Odermatt, Bartli Odermatt und drei andere nach Abhörung ihrer Entschuldigung wegen Schwingen verurteilt. Bartli Odermatt musste innert 14 Tagen eine Wallfahrt nach Sachseln machen, dort beichten und den Beichtzettel dem regierenden Landammann (Keyser) bringen; Balbin Odermatt, als rückfällig, zweimal nach Niederrickenbach wallfahrteten und, wenn er noch einmal rückfällig würde, schneide man ihm die Haare ab. Die übrigen bezahlten zur Strafe jeder 1 Gulden und 5 Schilling. Der eine zur Erinnerung an das 100jährige Schwingfestverbot und der andere «zum Gespött des Landes und zum Ärgernis der Fremden», wurde «bei der Gnadenmutter zu Rickenbach am St. Mag-nustag 1782 geschlagen und gerauft. Alle sechs raufenden Festspieler wurden zu je einem Pfund Wachs zu Ehren der Gnaden-mutter und zur Bezahlung der Prozess-kosten «belohnt». Der Anstifter Niklaus Rorer musste außerdem eine Wallfahrt zur Gnadenmutter nach Niederrickenbach ma-chen, dort beichten und kommunizieren und den Beichtzettel dem regierenden

Die Theateraufführung der Toronto Theatergruppe zeigte das Dialektspiel «Ä tolli Familie», und anschliessend wurde bis um 2 Uhr zur Ländlerkapelle Walter Schäffer getanzt. Der gut besuchte Abend war ein voller Erfolg, und wir möchten allen Mithelfern danken.

Liebe Fasnächtler und Freunde

Unsere eher fasnächtlichen Anlässe sind gut vorbeigegangen, und ich möchte allen Helfern und Beteiligten nochmals herzlich für ihren Einsatz danken.

Der unter dem Patronat (Stabführung: W. Hess) des «Matterhorn» und der SFG durchgeführte Theaterabend (Ä tolli Familie) war ebenfalls ein Erfolg; auch hier nochmals ein Dankeschön an alle Helfer. Und nun geht's in den Sommer und Herbst, wo wir, auf reduzierter Flamme, uns den übrigen Gesellschafts-Aktivitäten widmen: Sechseläuten, Winzerfest und Zibelemärit, sowie Maibummel, Amerika-Weekend und Hiking-Day. Unser Jahresprogramm kann jederzeit im «Happy Wanderer» bezogen werden, sei es am Freitag-Stamm oder sonstwann. Im weiteren ist unser Jubiläumskomitee kräftig dran, einige Projekte für unser 11. Jubiläum 1980 zu studieren. Als Fasnachtsgesellschaft feiern wir nicht die

«gewöhnlichen» 10, 20, 25, 50 Jahre Existenz, sondern 11, 22, 33 usw. Gerne begrüssen wir neue Mitglieder am Stamm; auch unsere Pfeifer und Trommler, sowie die Guggenmusiker könnten neue Talente brauchen. Gratisstunden zur Erlernung eines Instrumentes werden garantiert. Last but not least scheint es zur Tradition zu werden, dass das Hotel «Queen Elizabeth»

und die Swissair uns Gelegenheit geben, die Schweizer (Basler!) Fasnacht im Rahmen des Swiss Brunch an die Bevölkerung von Montreal zu bringen. See you there next year! Besten Dank an Paul Minalfo (Swissair) und René Neidhart (Queen Elizabeth).

*See you at the Stamm

Liebe Schützenfreunde,
Nach einem gut gelungenen Jahr im 1978 sind wir nun wieder mitten in unserer neuen Saison. Dieses Jahr wird für unseren Verein ein spezielles Erlebnis werden, da wir mit unserer Sektion am Ehrenwettkampf für die Auslandschweizer, am eidgenössischen Schützenfest in Luzern teilnehmen. Wir werden am 7.Juli Toronto mit Swissair verlassen und am 16. Juli unsere Feuertaufe bestehen müssen. Wir hoffen alle, dass wir

einen Lorbeerkrantz mit heimbringen werden.

Weil wir am ersten Sonntag im August noch nicht alle zurück sind, wird unser Bundesfeier-Schiessen erst am 12. August stattfinden. Auch dieses Jahr ist wieder jeder herzlich eingeladen, sich ein schönes Kranzabzeichen zu holen.
Neue Mitglieder sind jederzeit herzlich willkommen.

The general assembly was held on February the twentyforth at the Tuxedo Inn. It was one of those very cold nights in Manitoba. Many had planned to come but were frozen to their seats at home. Winter takes its toll.

After a hearty «Nachtessen» the committee reported on the events of 1978, it was a great year indeed. Most of us that had the opportunity to take part in the activities during the year will more likely agree with me than not. We the committee would like to extend our thanks to you for taking part. Our members then went on to elect the executive for the coming year. The following were elected:

President:	Rene Amann	256-6825
Vice-President:	Jacque Rollier	269-0267
Treasurer:	Lorraine Brenan	668-2216
Directors:	Kay Urech	452-5406
	Frank Iversen	786-3938
Secretary:	Christoper Schroederer	475-9206

If you are looking for something very exciting to do during the summer or fall join up. For this year we have planned the following:

Spring dance	May
Car rally	June 17/24
Weekend at the lake*	July
Octoberfest	October
Leopold Tanz	November 17
Christmas Party	December 15
Fondue Evening	January 1980
Kostumefest*	February 1980
General Assembly	February 1980

Our two most recent events deserve some attention. We have successfully concluded our third year of existence with our 1979 Carnival celebrations. During our Morgenstrach parade we found out a number of interesting facts, some surprising, some already known to many, though not to all. Our Smilies are in fine physical shape as everyone could clearly recognize. They were able to overtake the entire parade without even breathing hard and to win the race, coming in first, second and third. A clear sweep!

Somewhat slower were the boys carrying our newest Lantern, and even slower, maybe, they should have been. Because in spite of their utmost care, not to stumble over snowbanks and not to be caught in catchbasin covers, some ominous cracks appeared – no, not in the organization, but in the lantern itself. Now, as some people in the Round - Plastic - Carnival - Lantern Building-Business would have it: The choice of plastic was all wrong! I'm not so sure. I think the lantern could simply not withstand the effects of the roaring and deafening applause of all the spectators lining the streets. Too bad they couldn't see too much, because of all the policemen looking out for our safety. Someone asked whether this was the kick-off to Policeman's week.

The following Saturday, we marched again. The fifers fife, the drummers drummed, and the Guggenmusik, well, they were never better, but somehow something was missing. We didn't know what, until someone noticed that all the cops had wandered off to some other demonstration.

All in all, though, I think we had a good year, thanks to a number of hard working people who's dedication and effort made it all possible. We would like very much to encourage anyone who would like to participate to please join now. You are welcome! You will have to take the first step, the rest will take care of itself. We have a number of exiting events coming up, so don't delay. You can contact any of the members of the Committee who were just recently elected at the annual general meeting April 3rd.

Ottawa

The Swiss Club of the Ottawa Valley

boasts a membership of over 100 families. We have two sister organizations, the Swiss Rifle Association (20 members) and the Montagna Singers (35 members). The Swiss Club has some eight activities spread throughout the year. Major activities are the Christmas Party, the Annual General Meeting, the Spring Banquet and the First of August Celebration. This last function is very popular and this year it was attended by over 400 people.

After 25 years of activity the Club is reassessing its «raison d'être» and planning for the future. In this respect members recently voted to convene a property task force to investigate ways of acquiring

a piece of land suitable for club activities. Further information about our clubs may be obtained for the presidents who are as follows:

Swiss Club – Mr. René Rickenbacker
P.O. Box 127, Ottawa;
Rifle Club – Mr. Tony Brunner
1259 Marenger St., Orleans;
Montagna Singers – Mrs. Tildi Cleemann,
33 Abingdon Drive, Ottawa

This years events have been planned as follows:

April 22	Bowling Party
July 8	Picnic
July 29	National Day Celebration
September 23	Car Rally
Fall	Fall Bouquet
December 13	Christmas Party
February 9	Annual General Meeting

«The Montagna Singers»

The «Montagna Singers», one of the three Ottawa-based Swiss Clubs, held their annual Dinner Dance in the Banquet Hall of the Nepean Sportsplex on January 13th, 1979.

This colourful event has been termed a remarkable success for the relatively new organization which is now in its third year of existence.

The \$10 admission fee which included a full-course dinner, entertainment and dancing to the five-piece Herbert Hanneman band featuring Ottawa's famous trumpeter, Don Patterson, attracted a large segment of Ottawa society in addition to the Swiss Community. Two weeks before the event, all of the 300 tickets were sold.

Ernie Moser, the President of the Club, and his organizers must be commended for creating a genuine Swiss atmosphere. The hall was appointed with many flags, posters and authentic Swiss decorations. The reciprocal performance arrangements between the Toronto Yodlers and the Montagna Singers has created a traditional bond. The Yodlers' performance, with Margrith Peterson at her best, was followed by Alphorn melodies, Taler schwingen, the sound of cow bells and, finally, the Montagna Singers' program.

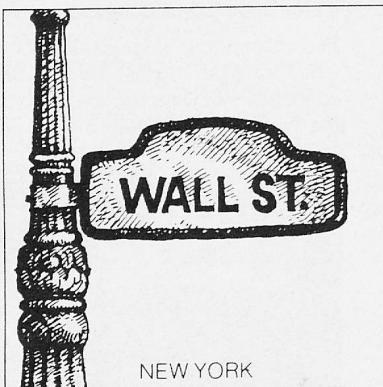

Derek Holmes, who is well known to everyone through his «Hockey Canada» involvement, acted as Master of Ceremonies.

At the height of the evening the audience joined the performers in the traditional folk song «Es Bure Buebli Mani Nit», singing and linking arms in what has become known as the «Swiss National Drinking Song».

The Montagna Singers would like to thank the many generous contributors of the valuable prizes, and the door prize – a round trip ticket to Switzerland via Swissair through Honda Travel.

This event has started the New Year with an enthusiastic spirit for the Montagna Singers and their forthcoming activities.

The Annual General Meeting of the *Swiss Club Toronto* was held this year on February 26th at the Sheraton Four Seasons Hotel. We congratulate the following members on their election to the Board of Directors and wish them every success during their terms of office:

Mr. A. Mettler – President
Mr. G. Hildenbrand – Vice-President
Mr. R. Keller – Vice-President

Ms. M. Buess – Secretary

Mr. D. Crociani – Director of Entertainment

We wish to extend our sincere appreciation to the outgoing Board, and especially to our past president, Mr. Paul Goetz. During his term, and through his untiring efforts, the Swiss Club grew, both in numbers and in scope. Notable among his achievements is the participation of the Club in Caravan – Toronto's annual salute to its ethnic population.

And our pavilion at Caravan will be better than ever this year.

We are proud to announce that the Swiss Pavilion at Caravan 1979 (June 22–30) has

been re-named «Berne». What better city to represent Swiss heritage and traditions than the nation's capital! We hope you will visit us and bring your friends.

Visitors to our pavilion will be interested in the wide variety of exhibits, from historical displays to woodcraft and watchmaking. They will be entertained by yodlers and alphorn blowers, dance to the tunes of a Swiss band and have their senses assaulted by the cacophonous sounds of the «Canadysli».

They will taste fondue and raclette, washed down perhaps with a glass of schnapps. They will leave with a better knowledge of Switzerland and its people and a warm feeling in their hearts, kindled by the hospitality of the Swiss in «Berne».

Do plan to join in the fun!

On February 10, 1979, we held our annual Carneval's dance. The Fasnächtlers, numbering around 350, arrived from all directions in their colorful costumes and masks and helped make this event a roaring success.

Many hours, some with fun and some with frustration, were spent in preparation towards a successful «Guggenmusik». I think the result was tremendous.

I would like to take this opportunity to thank all those involved in making this dance such a rewarding occasion. Special thanks to Mark Robichon for designing the Masks, decorations, etc., to Hans Rieder for providing the delicious delicacies (Mehlsuppe, Zwiebel- and Käsewähnen), to Marlis Robichon and Grace Troxler for their efforts in ensuring that everything went smoothly. The prizes were very nice this year and I would like to thank the donors: The William Tell Restaurant, La Raclette, Fleetwood Sausages Ltd. and Gizella Pastry Ltd.

I am looking forward to seeing you all at next years Carneval's dance.

On Sunday, March 11th 1979, the Swiss Outdoors Club held their first annual «Fasstugeli» race at Cypress Provincial Park ski area. There was a large turnout with 38 people actually participating in the race even though the weather was not as nice as we would have liked it to be.

The main event was the Fasstugeli race in which Andre Huser placed first in the men. In the ladies, Ursula Graf placed first and for the young people Fred P. Zurkirchen and the youngest to enter was Jasmine Neff. While not participating in the race, people would either be cheering or trying out one of two skibobs.

I am sure that everyone had a great time and I would like to say thank you to all those who made this afternoon a success and to those who donated the many prizes.

We just returned from a fabulous week vacation in Reno and Lake Tahoe.

All this because we were the lucky winners of the Car Rally from the Outdoors Club.

General Meeting

The General Meeting of the Swiss Society was held on March 5th 1979. The main part of this meeting dealt with the issue of how to invest the cash the Swiss Society owns. Ueli Bleiker and Joe Müller presented the Whistler Mountain Lodge proposal for which our building committee has been working for quite a while.

Then, the president of the Swiss Canadian Mountain Range Association, Armin Meier, invited the Swiss Society to invest \$75 000 into their clubhouse in Coquitlam. A motion to commit \$ 75 000 to the Swiss Canadian Mountain Range Association's clubhouse

project was carried by a small margin of 61:60. There wasn't a vote on the Whistler Mountain project afterwards.

Swiss Crossbow Association

Crossbow News Spring 1979

Crossbowing is already in full swing. Our first shoot was held in perfect spring weather. We are planning to send a 6 men (persons) team to the Crossbow World Championship 1979 in Linz, Austria. It will be held from August 26 to September 1st, 1979. To send a Canadian National Team to this event is not without problems. The Internationale-Armbrust-Union will only give authorisation to send a team to a Federal Agency. It was suggested that the Swiss Crossbow Association in Vancouver should offer their range and crossbows for tryouts to top shooters of the Canadian Rifle Federation. Then form a Canadian Crossbow Federation. Unfortunately no interest was shown by the Canadian Rifle Federation for this project. However the President of the International Crossbow Union, Mr. G. Diener indicated that if the crossbowers in the Vancouver area would found a Canadian Crossbow Federation with a proper Executive, he would grant them membership in the I.A.U. right away.

Several members of the British Columbia Rifle Association have offered their help. Mr. Bob Cheney, Silver Medal winner of the Rifle World Championship has agreed to come for crossbow tryouts. The biggest problem is the cost of this trip to the world championship. It is an honour to represent Canada in any international competition. If such an event rates a grant from Western Lottery or Loto Canada remains to be seen. If not, then the burden of paying for the trip and lodging rests on the competitor. It is still a good idea to form a Canadian Crossbow Federation with yearly Championships. Cost sharing could be made with the Swiss Crossbow Association Vancouver, as they are the only club in Canada who has the facilities for International competition.

Our annual general meeting was held on the 23rd of February 1979 with over 40 members in attendance.

It was by far the most successful meeting held in many years. Many decisions were taken, the most important being the approval of a loan to build the Clubhouse facilities. The members also gave a vote of confidence to the directors by reelecting the same executives for another term. In his inaugural message A. Meier, president, thanked for the confidence expressed and said that he hoped to see continued cooperation and support by all for the clubs activities.

With a number of our shooters taking part in the Eidgenössische Schützenfest in Luzern,

To joyful parents on a happy event:

Do you know that new-born Swiss abroad, too, may become members of the

Here you have an opportunity of **saving** and, in addition, an **insurance** in case the parents lose their livelihood due to political events.
