Message de l'Ambassadeur de Suisse à Canberra

Chers Concitoyennes et Concitoyens,

Comme vous le savez, j'ai entamé ma nouvelle mission en Australie au début du mois de mars. Aux souhaits personnels que je forme à mon arrivée, je voudrais joindre ceux de notre pays, où l'on est fier de vos réalisations et de votre loyauté à l'égard de la mère-patrie.

Pour ma part, je m'efforcerai de vous aider au mieux de mes possibilités. Je tiens tout spécialement à entretenir et développer les excellentes relations qui existent entre l'Ambassade et les représentations suisses en Australie, d'une part, et la communauté suisse, d'autre part. Soyez assurés de mon désir constant de vous être agréable et n'hésitez pas à me soumettre vos requêtes car ma porte vous est ouverte.

D'ores et déjà, je me réjouis de notre collaboration fructueuse. Les grandes distances qui nous séparent d'un point à l'autre de ce continent ne représentent aucun inconvénient, bien au contraire. Ainsi, chacun dans son domaine, nous nous efforcerons de renforcer les relations cordiales qui existent entre l'Australie et la Suisse et d'oeuvrer à la prospérité de nos deux pays.

Avec mes sincères salutations
H. Rossi
Ambassadeur

Mitteilung des Schweizerischen Botschafters in Canberra

Liebe Mitbürgerinnen und Mitbürger,

Wie Sie wissen, habe ich anfangs März meine neue Aufgabe in Australien angetreten. Mit meinem persönlichen Antrittsgruss überbringe ich Ihnen allen auch die Grüsse aus unserem Land, wo man stolz ist auf Ihre Leistungen und Ihre Anhänglichkeit an die Heimat wohl zu würdigen weiß. Sie machen dem Namen unseres Landes alle Ehre und ich bin sicher, dass dies auch in Zukunft so sein wird.

Was mich betrifft, werde ich alles tun, um Sie in Ihren Belangen nach Kräften und Möglichkeit zu unterstützen. Mein grösster Wunsch ist es, das vertrauensvolle Verhältnis, das schon bisher zwischen der Botschaft und den schweizerischen Vertretungen in Australien einerseits und Ihnen andererseits bestanden hat, weiterhin zu kräftigen und zu vertiefen. Sie werden bei mir stets ein offenes Ohr für Ihre Anliegen finden.

Ich freue mich auf unsere gegenseitige Zusammenarbeit. Die grossen Entfernungen, die uns auf diesem Kontinent manchmal von einander trennen, werden dabei kein Hindernis sein, im Gegenteil. So werden wir, jeder in seinem Bereich, im Sinne noch engerer Beziehungen zwischen Australien und der Schweiz und damit zum Wohle unserer beiden Länder wirken können.

Mit landsmännischen Grüßen.
H. Rossi
Botschafter

Message of the Swiss Ambassador in Canberra

Dear Compatriots,

As you know, I have taken up my new post as Ambassador to Australia at the beginning of March 1979. With my personal welcome greetings I would also like to transmit to you the good wishes of our home country, where one is proud of your achievements and your loyalty.

I myself shall do my utmost to give you every possible support you may require. It is my wish to further strengthen the good relations that exist between the Embassy and the Swiss representations in Australia on one hand and the Swiss community on the other. Please be assured that you will always find a willing ear for your problems.

I am looking forward to a fruitful co-operation. The vast distances that separate us from each other on this continent shall not be an obstacle to this, on the contrary. In that way we will, each in his own field, endeavour to strengthen the friendly ties that exist between Australia and Switzerland and work towards the prosperity of our two countries.

With kindest regards,
H. Rossi, Ambassador

HOBART

SWISS AUSTRALIAN SOCIETY OF HOBART

It was with much excitement that the Club received the news that our application to the Tasmanian Government for a grant of \$1,000 had been approved. The money will be spent on the purchase of an Alphorn and Song Books. A singing

group will be formed and it is our intention to become practised enough to perform publically — proliferating our culture and bring enjoyment to both listeners and members.

On the 8th April, we participated in the "March for Millions", organized by U.N.I.C.E.F. Dressed in National Costumes and armed with flags, bells and St. Bernard dogs, the 5 km walk was

Saturdays closest to the first, — thus enabling Swiss living in the North, to travel down and celebrate with old friends.

Congratulations are extended to the new Mr. and Mrs. Andrew Lanzlinger on their marriage; and to Mr. and Mrs. Hauser, on the birth of their son — San.

ANNUAL GENERAL MEETING

It was extremely gratifying for the outgoing committee to see such a magnificent turn-up at this year's General Meeting. Between 80 and 90 members were able to witness the various reports and accept the greatly improved balance-sheet and, furthermore, voice their approval of the various Club renovations.

The great atmosphere in the Club and the improvements were only possible through the participation of every member and their friends in the social functions and Club attendance. For this

we thank the members very much indeed.

I think it appropriate at this point to mention that the splendid enthusiasm, drive and leadership of the immediate past President, Joe Schibli, over the last two years, has had the highly desirable effect of considerably increasing the growth of the Swiss Club and generating a far better Club spirit. For this we all thank you, Joe.

I am very pleased to introduce the following new committee to our members and we trust that we will again have your full support.

1st AUGUST CELEBRATION

This year's ball to celebrate our National Day will be held on Saturday, 28th July, 1979, at the Hilton Hotel. Preparations are already well under way to assure you an unforgettable evening. The ball program with further details will be sent to all Swiss in Victoria. Hope to see you at the ball.

SCHWEIZERSCHULE MELBOURNE

The Swiss Saturday Morning School has now started its 5th year. In 1978 a maximum of over 30 children were attending the lectures given by two teachers.

Once more we gained publicity with two "performances" during the 1st August celebration at the Swiss Club and when singing and playing in front of the elderly Swiss citizens, organised by the Swiss Consul and his wife.

The children are taught about history, geography, lifestyle and customs of their parents' homeland. They enjoy Swiss singing and conversation in the different dialects with their teachers and between themselves.

The attendance was considerably reduced during a time when 8 children were absent on longer or shorter home leaves in Switzerland where they indeed could make good use of their knowledge gained during the lessons.

In trying to guarantee the continuity of the school, we have compiled guidelines for the Saturday morning school wherein the basic idea, the aim, organisation, financial basis reports and teaching guidelines have been stipulated. This will hopefully help that this surely beneficial institution will not terminate when earlier or later helpers and/or supporters will phase out of the organisation.

May I take this opportunity to thank for the help of our teachers Mrs. Esther Läng and Mrs. Rosemarie Moser who fascinated our young Swiss; for the generous attitude of the Swiss Club of Victoria who allowed us to operate in their premises and also the institutions who assisted with financial support to run the school.

Last but not least let us hope that now and later you and your children will be proud of the knowledge accumulated from Saturday morning Swiss school.

We have now again two very enthusiastic teachers, guidelines, a school committee and a library.

The School Committee had been elected by the "Elternversammlung" on March 31st, 1979, and is composed as follows:

Mrs. Nicole Wegmann
Mr. Hans R. Ochsenbein
Mr. Fritz Läng
Mr. Urs Biedermann
and the teachers:
Mrs. Dr. phil. Ester Cullen-Sager
Miss Manuela Wyss.

On the 21st April there was a lesson about Swiss cheeses, followed by a "FONDUE" for the kiddies. Isn't that educational teaching, putting theory into practice?

Next days: 2nd and 23rd June, 7th and 21st July, 4th August, 8th and 22nd September, 6th and 20th October, 3rd and 17th November, 1st and 8th December, at the Swiss Club, 89 Flinders Lane, 2nd Floor, Melbourne.

Consular Communications

Mr. Roger AMIET, Vice-consul of this Consulate General, who assumed his duties in June 1977, left Sydney of his own will on 15th May to take up new functions within the Federal Political Department in Berne later in the year. I am sure I am speaking on behalf of all those who knew him and his wife to wish both God's speed back home.

Mr. Jean TRACHSEL, Consul, has been appointed to succeed Mr. Amiet. He is likely to arrive in Sydney on or around 15th July. Mr. Trachsel, 57 and married, is of French mother tongue and quite fluent in German and English. Con-

sidering his long career as an officer of the Political Department and thanks to his great experience in the foreign service — he has served in Innsbruck, Warsaw, Madrid, Lima, Pretoria, Johannesburg, Beyrouth and Bagdad — Mr. Trachsel will no doubt prove to be a worthy successor to Mr. Amiet.

I take this opportunity to inform my compatriots that I shall leave my post early in May to spend my holiday in Switzerland. My return to Sydney has been scheduled for the end of August. During my absence and until Mr. Trachsel's arrival, Miss Elizabeth KOPP, Vice-Consul, will be in charge of this Consulate General.
