LOCAL NEWS - SOUTHERN AFRICA 2/80

Zum Nationalfeiertag freuen wir uns hiermit die Gruesse des Schweiz. Botschafter in Suedafrika Herrn C.H. Bruggmann zu veroeffentlichen.

It is with pleasure that we publish the following message to all compatriots by the Swiss Ambassador on the occasion of the Swiss National Day.

Dear Compatriots,

When we gather around the fires we light to celebrate the Confederation's Anniversary the links which connect us with Switzerland come to the forefront of our hearts and minds. For many members of the Swiss community in South Africa these links are not merely symbolised by a First-of-August bonfire. The direct contacts which exist on a personal level and through business connections make Switzerland a practical reality for many compatriots who have settled here. It always gives me great pleasure to be able to tell the many visitors from Switzerland who come and have a look at sunny South Africa during the European winter - parliamentarians, clergymen, bankers - that Switzerland has an excellent name in South Africa, not least because of the contribution Swiss people and Swiss industry have made to it. There is another important contribution the Swiss in South Africa can make: to live in and practise the

spirit of tolerance, of understanding, of compromise and of day-to-day pragmatism which made and preserved Switzerland and which guided her evolution throughout her history of nearly seven hundred years.

I wish you a joyful and sociable celebration of our national day.

C.H. BRUGGMANN

As 1st August will be celebrated by most Swiss colonies at the various centres in Southern Africa this year, please note the exact dates, times and venues of these celebrations, under the various headings. The latest broadcasting times and wavelengths to Southern Africa of the Swiss Radio International Postfach Bern 15 have just been published, exact details can be obtained from this address, the best reception seems to be in the evenings from 7.15 p.m. on metres 19.78 (MHz 15 170) 16.89 m (17 760) 16.83m (17 830) 13.90m (21 585) valid until November 1980. Good reception!

History of the Swiss in Southern Africa, second edition is still available from P.O. Box 3626, Johannesburg, where also all information should be sent. We are sure it is of interest to many to learn about the

death of Madame Elisabeth de Meuron, aged 98, the last of the "richtige" Berner Patrizierin, was of the same family as the Regiment De Meuron who was stationed in The Cape in 1783.

This is the year of the Rifle Clubs! Cape Town celebrating their 30th Anniversary, Durban and Johannesburg 25th Year. Congratulations and good shooting, and welcome to new members. Results of last years Staedteschiessen: Winner Durban, then Johannesburg, Windhoek, Cape Town, Single: 1. Geldenhuys CT. 2. Locher & Meier Dbn, Mauchle & Kull Jhb. *Chers Lecteurs,
Dear Readers,*

La vie des Suisses-Romands d'abord, le Choeur des Romands et le Groupe des danseurs Grécos-Suisses-Romands se sont associés avec le plus grand plaisir au Männerchor de Johannesburg à l'occasion de son Concert-Diner-dansant sur le thème "Fête des Vignerons". Les chansons traditionnelles interprétées par le Choeur des Romands, d'une part, et l'exécution des danses "du Vigneron" et "des Fâneuses", d'autre part, ont contribué à donner un cachet spécial à cette belle manifestation.

A Club de Cap s'est déroulé le 24 mai une soirée "Buffet-Romand" avec remarquable participation. Tout laisse croire qu'une section sera très prochainement fondée en cette ville.

Le 7 juin, ensuite, la Section romande de Johannesburg a organisé sa fameuse raclette au Club suisse. La parfaite réussite de cette soirée est un réel encouragement et une nouvelle raclette sera organisée le 3 août lors de la Fête nationale.

Enfin, tous ceux qui sont intéressés à recevoir régulièrement des informations sur les activités des Suisses Romands sont priés de contacter Charly Dufey 788-2808 ou Robert Baudet 838-5846, Johannesburg. Au revoir et à très bientôt

dans notre cercle.

Once again we can thank the co-operation of most clubs and correspondents to give you varied and interesting news on the activities of the Swiss Colony in Southern Africa. Life would be made easier for the Editor if everybody would adhere to the deadlines, and let us have copies of all your circulars, newsletters and yearly programmes! This will help in publishing events well in advance.

On the publicity side we are pleased to see some new names amongst the advertisers, and the Hermes products, typewriters and adding machines are now well established in South Africa having acquired a substantial participation in SOMCO Swiss Office Machinery Co. Zum Abschluss nochmals eine Wiederholung der Einladung an alle Schweizer an den 1. Augustfeiern in den verschiedenen Zentren teilzunehmen!

Finò la prossima volta.

Arrivederci!

Your Editor.

SWISS CONSULATE (021) 21-7633
SWISS CLUB, Stephan Way, Greenpoint
(021) 44-8405 or 22-3247

From the "New Look" Club Bulletin very able edited by Heather and Heinz Bucher, many very interesting facts can be gathered, and unfortunately space does not allow but to give a short resumé of the most important events for the coming months and they are:

June 28: Jaeger Abend/Hunter evening (the chase is on boys)

July 19: Austrian Evening - at the Club House — and then of course all the National Day celebrations namely:

Aug. 1. Luncheon at Arthurs Seat Hotel and in the evening of the same day and at the same venue - the Dinner Dance

Aug. 3rd Childrens 1st Aug. at the Club Greenpoint with a Soccer Home Game. *furthermore*

Aug. 30 Metzgete at the Club House

Sept. 27 Carnival - Swiss Style

Oct. 8/9 Oktoberfest with Gruempel Turnier Soccer Club

This should convince the doubtful ones to become members of the Swiss Social & Sports Club Cape Town, and there are many more facilities and activities offered just to mention the Picnic Spot and Chalet at Jonkershoek the Tennis courts at Greenpoint, the Swiss-South African Business Group. with their regular lunch-en meetings and talks by prominent speakers.

And then there is of course the Swiss Soccer Club which participates with 3 Teams in the league, new players always welcome, training every Tuesday and Thursday at 6.15 p.m. sharp at Swiss Club Grounds, Greenpoint.

Special Congratulations to the Swiss Rifle Club Cape Town for their 30th Anniversary, this will be celebrated with a special Jubilee Shoot. Another event of the Rifle Club which has become a tradition is the Parliamentary Shoot. One event which takes place shortly is on the 28th June - the Obligatorische Schiessen.

Perhaps it might just be of interest to give once again the opening Times of the Swiss Club Restaurant. Tues - Fri. 6 p.m. to 11 p.m. Sat. 5 p.m. - 12 p.m. Sundays 11 a.m. to 10 p.m. **Closed on Mondays - Wirtesundig!** The definite dates for the Volkslauf and Folkloristic tours visit to Cape Town are 30 Oct. to 3 Nov. The visitors will stay at the Holiday Inn, Cape Town. May we remind all our compatriots in the Cape of the "History of the Swiss in Southern Africa" which is being compiled with great effort by the Authors, Box 3626 Jhannesburg, and to which very little material has been contributed from this part of the country, lets remedy this and show them what the Swiss in the Cape can contribute with some interesting news of the past.

There is so much activity going on that only full page of this Review could do justice to all that's happening but this sort of space we do not have and therefore just in telegram style the most important news.

NATAL

A great success was this years AGM the twenty sixth, held at the Umhlanga Sands Hotel, a special welcome was extended to the Consul General Fritz Adams and his wife, it was the first time in the history of our Club that a Consul General attended the Annual General Meeting and it was very much appreciated.

When these lines appear in print the Bowling Day at the Mandalay Hotel organised by "Shawish Guggisberg" (how Colonial can you get!) will be history but surely long remembered by everybody! But there is plenty time to reserve the following dates for some get together with fellow Swiss, and remember you don't have to be a member of the Club, just come along and join us at:

The National Day Celebrations with dinner on Friday August 1st. at Umhlanga Sands Hotel and in Pietermaritzburg - a venue will be announced.

Sunday 3rd August - the Family Day with all the traditional 1st August items either at Hammarsdale or Cato Ridge.

The Rifle Club has the following competitions coming up:

5th July Cape Town Jubilee Shooting competition

2nd Aug. St. Gallen Schiesse

6th Sept. Our own Schuetzenfest.

Another Swiss sport is practised on the second Friday of each month at the German club - Westville, Jassen - komm und mach mit.

By the way the Volkslaeufer/Folkloristic Tour will be in Durban from the 5 to 7th November and they will be staying at the Umhlanga Sands Hotel. They obviously know all the good "Beize".

Always something new and unusual from this part of the world.

In the "Aero Revue Suisse" we read that in December 1979 the Swiss Glider Pilot (Segelflieger) Thomas Badum from the Glider Club Laegern has established a number of Swiss Records flying a Nimbus 11, and starting from Vryburg in the Northern Cape.

A long way from Switzerland, but under ideal gliding conditions these new records were made possible.

A group of glider pilots from Germany used Bloemfontein as their base and George Epple established a new world record in the 500km triangle event, also in December last year.

No official news about the 1st August celebration in the Orange Free State, but we are sure that in Kimberley Peter and Sue and their friends will get together to celebrate and any Swiss visitors to these parts are welcome to join them at the Hotel Kimberley.

A recent visit to the Golden Gate National Park with snow covered mountains has reminded the writer very much of the home country perhaps a part of South Africa not known enough and which can be highly recommended to visitors and tourists, but more about it in the next issue...

Unser **Filmbabend** vom 18. April in Restaurant Rheinland ist von ca. 35 Mitgliedern besucht worden. Im Hauptfilm "Der Teufel hat gut lachen" haben uns die drei Clochards mit ihren komischen Erlebnissen kurzweilig unterhalten. In den Vorfilmen wurde ein Querschnitt durch die wechselnden Landschaften und kulturellen Bräuche der Schweiz gezeigt. Dank der grosszügigen Geste von Doris Grossenbacher, die Filme im Gepäck in die Schweiz zurückzunehmen, konnten wir uns erhebliche Unkosten sparen. Herzlichen Dank.

Die Idee, einen **Kegelabend** im Klubhaus des Schweizervereins Helvetia, Johannesburg durchzuführen, ist von vielen Mitgliedern mit Begeisterung aufgenommen worden. Trotz der starken Belegung der Bahnen hoffen wir, diese an einem Samstagabend anfangs Juli für uns buchen zu können. Für diejenigen ohne Auto wird sich sicher eine Transportmöglichkeit finden.

Die diesjährige **1. August-Feler** halten wir

am Samstag **2. August** erstmals im Fountains Valley, Pretoria im gedeckten Unterstand in der Nähe des Schwimmbades ab. Beginn: 14.00 Uhr.

Der Weg dorthin wird mit Wegweisern "1. August-Feier" markiert sein und zwar für die aus Johannesburg kommenden ab Autobahnausfahrt Voortrekkerhoogte Pretoria East sowie für die Pretorianer ab Fountains Circle. Die Schwinger werden am Nachmittag das zur Tradition geworden Schwingfest durchführen. Klein und Gross haben die Möglichkeit, ihre Kräfte beim Seilziehen zu messen und gegen Abend wird der Männerchor von Johannesburg Volkslieder vortragen. Zu allen unseren Anlässen sind Freunde und Gäste herzlich willkommen.

Unseren beiden Mitgliedern Frau Strauss und Herr Herzog, die erst kürzlich aus dem Spital entlassen worden sind, wünschen wir alle recht baldige Genesung.

Fuer den Rest des Jahres stehen auf dem Programm:

September: Fondue-Abend

Oktober: Wanderung im Ost Transvaal

Nov. 29: Weihnachtsfeier St. Colombo Kirche

Should we not have your address on our list and you would like to receive an invitation please contact us on the above phone numbers in P.E. not later than July 20th.

In **East London** no special plans have been made for the 1st August celebrations but all the Swiss are asked to get in touch with E. It is with regret that we learned only now of the tragic accident last year in Sept. when crossing a river which suddenly came down inflood, on the way to the Ma Mohau Hospital Christa Strobel, wife of Dr. Norbert Strobel, drowned with Sister Thomasina. To the families our sincerest

sympathies. Family Fehr now assists with the work in the Mo Mohau Hospital, which together with Paray, Roma and Seboche and of course the very long established Morija are the main centre of the Swiss activities in Lesotho. From the capital Maseru where Swiss are also working in the Hotel Industry we learn that sponsored by the Holiday Inns the following events will take place:

4/6 July Hockey Tournament from **11th July** a French week during the whole month of **August** there will be a special 10th Anniversary with discounts for anything to do with the number 10!

Once again we would like to repeat the appeal to the Swiss compatriots in Swaziland to get in touch as soon as possible with the above who would only be too pleased to arrange the first ever August 1st celebrations in Swaziland. This would really something to remember by those taking part. Any Swiss visitors would be most welcome as well. A typical Swazi Event which will be of interest also to many visitors is the famous Reed Dance at the Royal Swazi Kraal at Lobomba, this

will take place on Monday 25th August 80. At the Swazi Holiday Valley many other events will also happen. i.e. **25/27 July** the Johnny Walker Bowling Tournament, **Mid August** a French week will be held, **22/25 August** Backgammon competition with some big prizes, and in **Sept.** the Comedian Shelly Bermann will be appearing.
