Halboffizielle Sued-Australische Jass Meisterschaft 1980.

Wenn auch der offizielle Teil nur als halb betrachtet werden konnte — der Erfolg war ganz.

Mit einer fuer die erste Jass-Meisterschaft eingeladenen gemischten Elite von zwoelf Finalisten und unter dem Motto "S'goht um d'Wurscht" wurde mit allen Schikanen, mit tollem Einsatz, mit eindeutigen Regeln, und mit Hilfe von zweierlei Roten um den 1., 2. und 3. Rang gekaempft, mit einer vierpfuedigen Neuenburgerwurst und etlichen guten Tropfen Roten als Preise.

Ironischerweise gewann diesen geistigen Hosenlupf eine Vertreterin des sog. schwachen Geschlechts, und Jasskoenig wurde umgewandelt in Trumpf-Dame.

Maggie Eggermann im ersten Rang war zugleich mit Ehemann Hansruedi lobenswerte Gastgeberin.

Zweiter Rang: Dominique Betschart.
Dritter Rang: Ruedi Hagmann.

Fuer die Jass-Meisterschaften 1981 (23. Mai 81) werden jetzt schon Anmeldungen, Aenderungsvorschlaege etc. entgegengenommen. Teilnehmen koennen auch Spieler die keinem Schweizer Club angehoren. Anmeldungen direkt an Dieter Loeliger, 54 Eighth Ave., St. Peters 5069 S.A. Tel. 42 5418 oder ueber die ueblichen Umwege.

Rund 110 Schweizer und Freunde "orientierungsfahrteten und ver-fahrteten" sich auf dem Mount Lofty, wo in den Raeumen des Golf-Clubs eine der erfolgreichsten Augustfeiern ueber die "Buehne" ging. Nebst "Heiss-Kalt" Buffet und Mt. Lofty Bombe — Chaes und Kafi — en Stumpe, Wii und Tanz . . .

A propos die diesjaehrige Generalversammlung fand am 25. Sept. um 19.45 Uhr, im Edelweiss Restaurant an der Portrush Road, Linden Park, statt.

MANAGEMENT — SWISS CLUB OF VICTORIA

The Committee wishes to inform members that some changes in the management of the club have become effective as from the commencement of business on 2nd September, 1980. The changes have had to be made because of the resignation of our cook, who left quite unexpectedly to take up another appointment.

To allow the club to operate under as normal conditions as possible, Yvonne Erb, entirely on her own volition, took over the duties of cook until other arrangements could be made, a deed which must earn her the gratitude of all.

While the club is fortunate to have such dedicated members, the Committee realized that this could at best be only a temporary measure. Two options were open to it, viz. to hire another cook or to change the entire philosophy of catering.

After due consideration it decided on the latter course.

Accordingly it has leased the dining room on a private entrepreneurial basis to Jakob Germann, who has now taken over all aspects relating to the catering of food.

This arrangement will be reviewed after a suitable period of consultation between the two parties. Toni Erb will remain as manager and will be responsible for all aspects of club management not directly related to food catering.

Further details will be given at the Half-Yearly General Meeting on 24th September. It is anticipated that the matter will then be fully discussed with members.

SWISS BALL 1980

This yearly gala occasion for the Swiss community was held on Saturday, 26 July 1980 at the ballroom of the Hilton Hotel, which was filled to capacity with 540 celebrants.

Similar to last year, when this event was first held at the Hilton, it was pronounced a huge success by those who attended. The popularity of the ball can be attested to by the number of applicants who once again could not be admitted due to the limited space available. Unfortunately it is difficult, if not impossible, to obtain in Melbourne an alternative site of equal standard capable of accommodating a greater number.

The occasion was graced by the presence of the Swiss Consul-General and his wife, Mr. and Mrs. Werner Zellweger. Mr. Zellweger gave a short address, as did Mr. Max Ammann, the President of the Swiss Club of Victoria. An address, specially prepared and

taped for National Day, was given, in English, by the President of the Swiss Confederation in the style of "Ton und Licht".

Guest of honour was Mr. Al Grassby, Commissioner of Ethnic Community Affairs who, albeit a late arrival, also addressed the gathering and certainly seemed to enjoy himself immensely.

Folkloric entertainment was provided by the Tanzgruppe Alpenrose and the Jodelklub Edelwyss. The Jodlers presented two new songs which they learned specifically to honour the occasion.

The organization, food and drink, band music, other entertainment and competing were all of the highest order. Great credit and the thanks of all must therefore be given to Roger Kirsten and the members of his committee who gave unstintingly of their time to make this occasion a great success.

Because of the professionalism of the Hilton management and the rapport that has been established with them, it has been tentatively decided to hold next years ball at the same venue, and a provisional booking has been made for Saturday, 1 August 1981.

FRENCH SWISS IN MELBOURNE

At the committee meeting held on 6 August, Phillippe Cossy, a member of the club and a French Swiss to boot, was present by special invitation.

The purpose of his presence was to bring to notice several factors pertaining to our French Swiss members.

It would seem that the French Swiss are perhaps a neglected group in the club. This is a situation the committee would like to remedy.

Solutions that come readily to mind are regular social evenings or perhaps a special French night.

It is understood that a French Swiss group was formerly very active in the club. Indeed such a group exists in Sydney in the Swiss Club to this day and is understood to be very successful.

So, you French Swiss, band together and make your presence felt. The committee is ready to listen to any proposal and will give its fullest co-operation.

Remember that the Italian Swiss, who are much smaller in numbers, have at least a Ticino night.

REPORT ON SWISS NATIONAL BALL 1980 — A GREAT SUCCESS

Over 400 guests participated in this year's celebration on the Swiss National Day at the New Chevron Hotel in Sydney. The attractive Swiss-style decoration with cantonal flags, the beautiful orchids flown in especially by Singapore Airlines for the Ladies, good food, good company and dancing to the tunes of the popular orchestra "The 5 Austrians" provided the

right framework for an enjoyable evening. In his welcoming address, the President of the Swiss Club of NSW drew attention to the motto UNUS PRO UNO — UNI PRO OMNIBUS (All for One, One for All) which unites the Swiss around the World in celebrating the anniversary of our country and its achievements. Mr. Raymond Tellenbach, Consul-General and Patron of the Ball delivered a meaningful message in English and all four National languages. Mr. T. Webster, MP, Member for Wakehurst brought greetings from Premier Neville Wran and the NSW Government. A special telegram of greetings from the Prime Minister and a number of good wishes from compatriots unable to attend the Ball were received with applause. One of the highlights of the evening was the performance by the Alphorn Group under Hausi Kaufmann and the Swiss Yodlers of Sydney under the baton of Gino Morelli.

At midnight the 33 prize-winning tickets of the Guessing competition were drawn. First prize - a return trip to Switzerland flying Swissair and Singapore Airlines and \$300 spending money by courtesy of Kuoni Travel, was won by Stephen Bolliger from Adelong near Gundagai, a second generation Swiss school teacher born in Australia. Congratulations to the lucky winner and best wishes for a happy trip!

It was a great Ball enjoyed by everyone thanks to the organisers, the Ball Committee and their many helpers, who did a great job.

CONSULAR COMMUNICATIONS

Beat Moser, Secretary of Chancery, left Sydney for Marseille at the end of his term of office here which lasted about 4 years. Those who came into contact with him will deplore his departure, all the more so as he was always ready to offer his advice and help. Beat Moser was all the time very much personally engaged in fostering the feeling of togetherness with the Swiss community.

To those who during the past 9 years came to know Miss Alice Morgenthaler let it be known that she got married recently to Mr. Ricardo Franchino . . .

prior to being transferred to Palma de Mallorca. Thanks to her unfailing industriousness and keen interest in her job she was a mainstay of the Consulate General. We'll miss her.

SWISS NATIONAL DAY CELEBRATIONS

— Kellyville 10th August 1980

Thanks to the perfect mild and sunny weather, the Swiss National Day Picnic was enjoyed by hundreds of Swiss, their families and friends. The "feeding of the multitude" was no small task, but thanks

to the many helpers the kitchen team was able to provide a continuous supply of sizzling hot sausages from the barbeque. Also the hundreds of "Nussgipfel" specially baked by the Qantas Flight Kitchen were very popular and quickly sold out.

The Continental Band with their rhythmic tunes kept the Barnfloor packed with a colourful crowd, enjoying themselves terrifically. Battle fishing and Nail whacking was quite profitable for the lucky ones, and also the kids had plenty to amuse themselves with. The Yodelsongs and Alphorn tunes were greatly appreciated, and our ever popular Consul General Mr. Tellenbach delivered his address in the four languages of Switzerland as well as in English, there could be no better service even in Switzerland! Mr. Tellenbach gave a brief summary of current affairs in Switzerland in their cultural, national and economic aspects.

By Nightfall the giant Bonfire was lit and the burning cross reminded us all of 1st of August celebrations at home. The children with their lampions looked great and with the dying fire a very happy and successful day for all came to an end, and I am sure all Swiss living in this big and sunlit country are very grateful to be able to follow their traditions in this way.

One incident happened that added a sour note to the well earned satisfaction of the Yodlers the secretary's car was broken into and an irreplaceable cowbell and red "Bureblusli" was stolen. Surely the one responsible for this theft can not be happy with what he has acquired in such a deplorable way. The Swiss Yodlers of Sydney would like to welcome more associate Members. To participate in the activities of the Group is great fun and opportunities to make friends are many. Please write for details to: Werner Baselgia, 18 Ryrie Street, Deewhy, N.S.W. 2099.
