MELBOURNE

SWISS CLUB OF VICTORIA

89, Flinders Lane, Melbourne,
Telephone: 63 1196

The end of 1982 not only signals the end of another year but also the end of an era. Tony Erb will be leaving us as the Manager of our Club as of the closing of business on December 23. Tony has been our Manager for just over 7 years and during this time had to put up with the various committees (I understand not always easy), the moods of members and patrons and, last but not least, with a very changing set of circumstances affecting not only clubs such as ours, but also the total catering industry. During all the years and all the problems confronting Tony, it was a real test of his persistence that the Club was able to be opened on all scheduled days and was able to give service to members and guests. Tony, on behalf of the Committee and members, we say thank you for all you have done for us.

Our thanks would not be complete if we would not include Yvonne, and at times other members of the Erb family, in our gratitude. I know that Yvonne is very devoted to our Club and during the years has greatly supported Tony in the service to our members.

I am sure you all join me in wishing Tony and Yvonne the very best for their future.

I feel nearly embarrassed to follow on with a suggestion to all our members. Why don't you make it a point to go to your Club for a dinner, a snack or just only a drink to say farewell to Tony and at the same time help the Club to boost the badly needed turn-over.

The Committee has employed a young Swiss couple to take over management of the Club from the re-opening on Tuesday, January 25, 1983. Urs and Helene Hoehener come to us with the best of references and professional skills which we so badly need to make our Club one of the outstanding Swiss Restaurants of Melbourne. Urs is a qualified Chef, and Maitre D' and has successfully completed the Swiss Hotel School, Lausanne. Helen has also completed the course at Lausanne and during her

training spent six months at the Hilton Hotel in Sydney. I had the pleasure of meeting these young people during my short visit to Switzerland and I am sure that they will give their best to make a success not only for themselves, but with it also the Club. I know I can count on all members to make them welcome in Australia and give them the support they deserve.

Your Committee wishes all members, their families, and patrons a happy Christmas and a successful New Year. We thank all who have contributed through their work or just by utilising our Club during 1982.

Dates to remember for the beginning of 1983:

Tuesday, January 25—**Reopening of Club.**

Sunday, February 20—**Picnic at Kalorama.**

Saturday, March 19—**Jassabend.**

Wednesday, March 23—**Annual General Meeting.**

Saturday, April 30—**Sauser Abend.**

The future of the Swiss Club of Victoria

Recipients of the Swiss Review residing in Victoria will by now have received a letter from the Swiss Club of Victoria headed "A New Generation Swiss Club" together with a four page questionnaire.

As most of the readers probably know, the Swiss Club of Victoria has been in existence for many years. We have owned our own Club premises within the Melbourne City boundaries for over three decades.

The Club's motto is to maintain, encourage, display and foster our Swiss heritage. For this noble cause we hope to involve all our Swiss nationals as well as their Australian friends and of course all other nationalities.

Presently, the Club is enjoying one of its highest membership lists ever with over 800 members. At least 55% of our members must be of Swiss origin to comply with the Club's Constitution. Despite this upsurge of membership, the Club's trading results are unsatisfactory. Not that the Club is entirely profit orientated! Unless a surplus is available which can subsequently be re-invested

in the Club resulting in benefits to all members, **THE CLUB'S FUTURE IS IN JEOPARDY!**

Our hard working Committee and the various sub-committees ensure that, for a very reasonable outlay, members and their friends may re-capture some of the real Swiss atmosphere and "Gemütlichkeit" we may have left behind in our home country.

We fail to see why we do not appear to succeed, particularly when other ethnic clubs, which have far less to offer than we have, are supported much more enthusiastically by their own people.

As a consequence, we have asked ourselves many questions, inter alia:

- What is wrong (or right) with the way we are presently running our Club?
- Is the present location in the heart of the city inconvenient for many people?
- How does the younger generation of Swiss feel about the Club?
- Is it that our functions and the excellent cuisine at the Club are not adequately conveyed to the people?
- Is it that the Swiss living in Australia, apart from an enthusiastic nucleus, are not interested in upkeeping Swiss traditions?

There are many more questions to be asked and answered before we can seriously consider a constructive and practical future strategy.

All of you can contribute towards this task by completing the questionnaire and returning it as soon as you can. Please answer all questions freely and without any prejudice.

The results of this survey will be reported on in one of the coming issues of the Swiss Review. All replies will be handled strictly confidentially.

If you have not received the questionnaire mentioned in this article, please do not hesitate to ask for appropriate copies either by writing to the Swiss Club of Victoria, GPO Box 5382BB, Melbourne, Vic. 3001, or phoning our Manager, Tony Erb on 63 1196.

The Sub-Committee which is entrusted with the task of "PLANNING THE CLUB'S FUTURE" would like to take the

opportunity to extend its gratitude to the Consul General of Switzerland, Mr. Zellweger and his staff for their co-operation in preparing this very comprehensive questionnaire.

SWISS SCHOOL

The Swiss school have had yet another successful year with our teacher Angelica Fischer holding us together and bringing the number of pupils up to between 12-16. Isn't that great!

Recently parents decided to extend school time for one half hour, we now finish at noon, the children having a Guetzi break mid-morning.

Two successful social gatherings were held, one BBQ by the river Yarra, the other a picnic lunch in the Botanical gardens in beautiful weather.

Christmas preparations are going ahead well and the children will present carols at end-of-year celebrations for the older Swiss and the Children's Christmas Party.

Parents and children would like to thank the Committee and especially our teacher Mrs Angelica Fischer who has worked very hard to make this year's school interesting and fun for all those concerned. The work has been of the calibre that has given our children something to build on.

DATES TO REMEMBER:

Children's Party 5.12.82
1983 School commences 5.2.83

We wish all a Merry Christmas and a Safe and Happy New Year.

Its double wall construction offers shorter cooking time and **keeps food hot for up to 2 hours**. **DUROTHERM** saves you storage space, because the cookware can be easily stacked. The **DUROTHERM EXPRESS COOKER** is the only combined **stove-to-table high speed cooker/casserole**.

Every **DUROTHERM** pot carries a written **10 year guarantee**.

We are pleased to announce that for the summer holiday season from mid-December to early February 1983, Rosmarie and Bruno Oswald will be your hosts at the Lodge. For booking enquiries for the coming summer holiday season please ring Erwin Bhend (02) 407 2198 after hours.

We would like to take this opportunity to thank Rosmarie and Hanspeter Kunz for their stirring effort as hosts at the Lodge since the club took it over in early 1979. Rosmarie and Hanspeter are taking a well earned rest and holiday in Switzerland, and hopefully they will return to the Snowy Mountains with an addition to their family. Our best wishes go with them!

The club is thus looking for a new team to take over the "Enzian" manage-

ment as from the coming winter season, starting early June 1983. If you would like to know more about it, please contact Erwin Bhend on (02) 407 2198 after hours.

PAST EVENTS

The **"Grumpeltournier"** held on Sunday, 17th October, was a great success. A record number of 19 teams started (only one ladies' team — Ladies please note: we hope to have at least four ladies' teams in 1983 to make up a separate ladies' teams competition!). Seventeen teams finished, disregarding the "usual inclement" weather, devouring in the course several hundred "Spezialwuerst" prepared and provided by the Chefs of the day, Messrs Mueller

Consular communications:

SYDNEY

"Consul Jean Trachsel and his charming wife left us for San José in Costa Rica where he will be heading our Embassy as chargé d'affaires. During the three years Mr. Trachsel served in Sydney he distinguished himself by unobtrusively living up to the standards he set himself for his job. He was ably assisted in his duties by his wife Giocconda, who readily lent her support in the many activities of the Ladies' Group of the Swiss Benevolent Society in Sydney to the benefit of all those elderly compatriots in need of help, guidance and care. The Trachsels deserve our thanks for the interest they showed in their work throughout their stay in Sydney. I am sure all those who had a personal relationship with them will join me in wishing them good luck in Costa Rica.

Raymond Tellenbach
Consul General"

With 1982 petering out, my staff and I extend to all Swiss in New South Wales, Queensland and the Northern Territory best wishes for a joyous Christmas as well as good health and happiness throughout next year.

Raymond Tellenbach
Consul General

and Fallert of SWISS DELICATESSEN, GLEBE, who also sponsored the winning team of "Goldfuessli". Many thanks also to all competitors and in particular the organisers.

The "Schuetzenfest" on Sunday, 31st October, saw the largest number of shooters ever (over 100) at this now popular event. Mrs. Sylvia Baselgia came tops in the ladies' section (182 points) and H. P. Buchli, better known as "Bucco", came first in the Open Section with 192 points. The Junior Ladies' prize was won by Therese Meury and the Juniors' prize by Philip Maastricht. Congratulations go to the winners and in particular to the Small Bore Rifle Club committee and members who made the event possible.

THE SWISS YODLERS AND ALPHORNGROUP OF SYDNEY

Four months of activities, beginning with the participation in the international Folkloric Concert at the Opera House. Entertaining the patrons at the Swiss Restaurant Matterhorn, Sylvania Waters, was an interesting experience and appreciated by the proprietors, Lily and Werner Krienbühl.

Giving the authentic Swiss flavour to a Fondue Night at the Hilton Hotel was an opportunity to let a wider audience enjoy the tunes of Switzerland.

The highlight of the year was, of course, the Swiss Ball at the Menzies Hotel, enjoyed by a great gathering of the Swiss Community and their friends.

A visit to Brother Eugen's Missionary Farm at Singleton was a great success. We joined a group of Swiss living in the Hunter Valley and Newcastle area in celebrating Switzerland's birthday. Everybody present was delighted by the tunes of the alphorns, at their best in the great outdoors. Our Consul General, Mr. Tellenbach, pleased everyone with his presence and address. We would like to thank our friends for their hospitality.

The Family Picnic at Amaroo Park was very well attended and everyone had a great time, the weather was beautiful and lots of fun for young and old. In future the picnic will be held at the Hubertus Rifle Range, Badgery's Creek near Liverpool, details to be announced at the appropriate time.

The "Bündnerabig" at Forestville Memorial Hall on Saturday 23rd October was a night of fun and enjoyment for everyone.
