Somewhere around the world a branch of the key Swiss bank is always open for business.

Zurich is not the capital of Switzerland but the largest Swiss city and a major European business and financial centre. In the background the Lake of Zurich.

Business never sleeps. Whether in Sydney, Zurich, London or Tokyo, there's a stock exchange open and the latest gold fixings, indexes, and market ups and downs are being cabled round the world.

And it's always sunrise somewhere and some of our 14 500 employees start work in Los Angeles, Bahrain,

Singapore, Atlanta and elsewhere. The phones start ringing and another day begins—with trade financing, foreign exchange, underwriting, investment management, etc. etc. etc.

With branches and representatives on all five continents, Swiss Bank Corporation can mobilize resources fast to help its clients capitalize on opportunities when and where they arise.

Call us: We hold the key to quality banking.
