At Swiss Bank Corporation

We like to talk business.

"We know for a fact that many of our customers found the right bank because they were looking for answers to the hard questions."

Kurt H. Martin,
Senior Vice President

If you're thinking of moving into a new area of business, or doing business in a new area, it's helpful to have someone who can tell you about the conditions and difficulties you are likely to encounter. In an increasingly competitive world environment, this is one of the services corporate financial officers really learn to appreciate when they deal with a top international bank. With our worldwide organization and decades of experience, we realize how important it is to know what you're getting into and to make the right preparations, well in advance of a major business operation. And we have the information resources to help.

As Kurt Martin points out, "Some of our best corporate clients were good business acquaintances long before they became banking customers".
