SWISS CLUB BOX 1107 PORT ELIZABETH
G. Wilhelm (041) 322146 Diener 31-3245
East London: Rauber, Medical Ctr. (0431) 2-1956

Today probably one of the smallest Swiss Communities in South Africa, it was not always like this in the Eastern Cape as we know thanks to the great work done by Adolphe Linder in his research of the History of the Swiss in South Africa:

In 1857 together with the German Settlers (ex Crimean War) no less than 14 Swiss also landed at East London.

Some of their individual Life stories make interesting and sometimes sad reading, amongst these 14 early Swiss "immigrants" to the Eastern Cape were: J. Chuerch (Schuerch) Jacob Wahlenberger, F. Haeberli, J. Heil, J.L. Boulens, J. Vierzigmann, etc. etc.

The leader of the German Legion Immigrants to S.A. was Baron v. Stutterheim, and the Town in the Eastern Cape is named after him, and there is of course also a Berlin, Hamburg etc.

If you can contribute something to the historical research drop a line to Ad. Linder 99 Higgo Crescent, Higgovale, Cape Town. And don't forget our appeal in the last Review to get in touch with Bernadette Faessler, 45 Princess Alice Ave. East London, if you are interested in Swiss Music or Folklore.

Nach 11 Jahren als Praesidentin des Schweizer Club SWA ist Emma Mutavdzic-Pulver Anfang des Jahres mit Ihrem Mann nach Somerset West umgezogen.

Bei einer Abschiedsfeier wurden Ihre Dienste von allen Mitgliedern verdankt, sie hat ueber die Jahre sehr viel fuer den Klub geleistet und war die treibende Kraft.

Am 17 April findet die GV des Klubs statt und das neue Komitee wird in der naechsten Review bekannt gegeben.

Es hat in der Zwischenzeit auch ein Jass- und Spielabend bei Frau Lubisch zu Hause stattgefunden, mit Kaese und Zwiebelkuchen.

Leider hatten wir den Hinschied von zwei Mitgliedern zu beklagen: Frau L. Woehler und Peter Kirschner, unser Mitgefuehl gilt den Familien.

Wir werden auch in diesem Jahr wieder versuchen ein interessantes Programm zusammenzustellen und heissen neue Mitglieder willkommen.

A bit late we would like to thank our Consul General and his wife Th. Dudli for their visit to Lesotho and their invitation to all of us. This time we can give some more space to continue the report on the Helvetas Organisation in Lesotho by its Teamleader Ulrich Graf:

VWSS has been able to expand since 1981 when substantial financial aid from the USA was obtained.

The USA participates with 5 Delegates in the Project and they are the largest financial supporter. A good relationship and co-operation between Swiss know how and USA money has developed.

The total complement of the VWSS is today 220 people.

Approx. 100 work in the field as construction workers and build the actual water supply systems. Approx. 40 work as Water Drillers and the rest is in the Project Div., Administration, Maintenance etc.

In total 19 Expatriates are employed:

8 Swiss, 5 Americans, 4 Danes, 1 British and one member of the Peace Corps.

As mentioned already the Project is financed by Donors, to mention the most important used: USAID, Helvetas, United Kingdom, ECC. CAPE and of course the Govt. of Lesotho.

Approx. 2/3 of the Watersystems built are of the "gravity type" and less frequent the "Pump system" is installed.

In the Villages Public Standpipes are installed, which means that water is available for most inhabitants at a distance of less than 150 m.

1/3 of the Population is supplied with water by Hand Pump, and one pump serves approx. 100 people.

In the lowlands of Lesotho there is often no water available from natural springs, and therefore drilling for Boreholewater has to be done.
