## **How private is your investment?**

When you see how vast and impersonal the world of investment has become, the only "private" aspect sometimes seems to be that it's your money at stake. On the other hand, the most private and personal way of keeping your money is probably to sock it away under the mattress. You've got to strike a balance somewhere. And we have. Along with our international team of

investment counselors, we've developed a wide range of investment vehicles for the private client (a selection of carefully selected funds, our own "cash bonds," fiduciary accounts, discretionary portfolios, and so on). So when you're making your own personal decision, you can also make a professional choice. Privately, you'll be glad you did.
