Mail from Switzerland

Twelve times a year. Regularly, every month. Memories and discoveries. Things familiar and things new on sixty pages. In carefully researched texts with big, artistically impressive black-and-white photographs.

For example, mail from the Hasli Valley in winter, a landscape deep in snow and fringed with glistening icicles – a joy for lovers of winter sports, but for mountain farmers a further complication of their arduous everyday lives. Listen to the cataract of sound when bell-ringing figures swarm in the night streets of Guttannen, ringing out the old year, or to the wind whistling over an icy Lake Grimsel dam when power station engineers do their round of inspection.

Later on you will get mail from the Valaisan Haute Route in spring. From Delémont, Switzerland's youngest cantonal capital. From restful spas and spectacular mountain hotels, and from the Schwarzenburgerland. These are some of the subjects of future issues of "Schweiz Suisse Svizzera Svizra Switzerland", the magazine about the country it is named after.

Cut out and send to:
Swiss National Tourist Office (SNTO)
P.O. Box
CH-8027 Zurich (Switzerland)
