Happy Anniversary!

On June 3rd, 1969, Mr Paul A. Richter was nominated Consular Agent for Switzerland in Adelaide. During twenty years, he has assisted the Embassy of Switzerland in Canberra and the Consulate General in Melbourne in their task, has given advice and assistance to the Swiss in South Australia, first as Honorary Vice-Consul, and since November 3rd, 1977, as Honorary Consul. It is therefore fitting that his dedication should be publicly acknowledged, with the thanks of the Swiss authorities as well as of the Swiss community in South Australia.

Swiss Club of S.A.

Our Fondue evening in May was well attended and the Gloor family again deserves many compliments. One very lucky club member left for home with a whole cheese after correctly guessing its weight.

This year, we shall celebrate August 1st as usual around a bonfire at the John Tilley Hall and also a few days later in luxury and warmth at a Swiss dinner at Leo's Alphütte Restaurant.

Plans for the Club's Christmas will be published later in the local newsletter.

Radio 5 EBI – FM on 92.9 MHz

By the time you read this notice, the National Day Celebrations will have taken place with our Club's traditional festivities, the bonfire and sausages from the grill as well as the more formal way of celebrating the birthday of our homeland with a Ball at the Indooroopilly Golf Club.

Newcomers and interested visitors are always welcome. Please don't hesitate to contact one of the above mentioned members.

Swiss Radio 4EB – AM 1053 kHz

If you are in the Brisbane region – up to about 50 km from the G.P.O. – you will be able to receive Radio 4EB on AM 1053 kHz and hear the Swiss program every Monday from 3.00 to 4.30 p.m. The first 30 minutes will be dedicated to our Australian listeners in English, followed by a one hour program for the Swiss in "Schwizërdütsch". The radio group can feel the support of the Swiss community, as we now have more than 50 members.

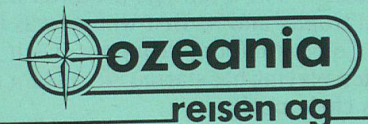

And quoting one of our past co-workers: "It's nice to know the Swiss as a Nation did well and we are part of it through inheritance of our parents' culture by sentiment and upbringing. The small team you hear over the air is your friend, past neighbour and parent and carries the flavour of your preferred habits and taste. The Swiss Programming Group is pleased to be a small part of your life."

For any further information, please ring the Convenor John Portman, tel. 349 7582.

Thank you for listening to the Swiss Radio 4EB, sharing the world with you.

The Club's Fondue Night on June 24th proved as popular as ever and members and guests enjoyed the delicious fondue prepared by Philip Kern. To help digest the large quantities of fondue and make room for the luscious cakes that were generously donated by the ladies of the Club, everybody danced to the tune of 'Midway' – altogether a most successful evening.

Success can also be reported from the traditional card-playing evening, the annual *Preisjassen*. The Club has acquired a perpetual trophy and its first winner was Fred Uhr. Congratulations! Rumour has it that practice-playing has started already for next year's challenge!

The Club's celebration of the Swiss National Day will be on Saturday, August 5th. Lina and Toni Shlager are again generously making their farm available for this function.

Coming Events:

- Sunday, 14.9. – a coach trip to the Australian Wonderland (Sydney).
- Saturday, 14.10. – bowling evening.
- Saturday, 11.11 – Annual General Meeting.

Please check the Club's Newsletter for details of these functions and bookings.

Alpine Festival, Gembrook, November 12th, 1989

This year marks the 20th anniversary of the founding of the Yodel Choir Matterhorn. To celebrate this memorable occasion, the Matterhorn Society has planned a very special event. On Sunday, November 12th, the Gembrook Sportsground will be transformed into an alpine meadow to provide an appropriate venue for the Alpine Festival. This promises to be a special treat for all your senses: your eyes will enjoy the beautiful costumes, the alpine procession and the folkloristic sports events; your ears will be treated to yodelling and the stirring music of the Oberkrainer Band; your nose will soon pick up the scent of grilled sausages, and the friendly helpers behind the counter will make sure that your throat will not stay dry for long. Hope to see you there from about noon, bring some friends and plenty of sunshine.

A very active three months of the Club's year have passed and the functions were well attended. The food at the “Venison Night” and the “Metzgete” was outstanding (a compliment to the Chef!).

The first Jass Competition for this year attracted almost a record number (80 starters!).

As you probably know, the Swiss Club purchased the Cantonal Flags from the Swiss Pavilion at Expo 88 in Brisbane. These flags (2 x 2 metres) were sold to members, who in turn donated them back to the Club. This was a wonderful gesture and all the sponsors were invited to a dinner

at the Club. During the evening, a shield was unveiled with the 26 “Kantons-Wappen” and the sponsor's name engraved above his/her flag. A wonderful evening.

The next big occasion is the Oktoberfest on October 27th to 29th at the Melbourne Showgrounds. We are looking forward to seeing you there in the Swiss Pavilion.

President's Corner

Congratulations to everyone who attended the AGM which was held on Sunday, July 9th, 1989. The meeting was attended by 48 financial members. The AGM was followed by a superb buffet dinner which was enjoyed by over 60 people.

The new committee would like to thank the members for the confidence and trust they have shown. It will do its utmost to present the members with an interesting array of social functions and other attractive events.

It was a very positive meeting which clearly underlined that most members have a genuine interest in the affairs of the Club and that we are heading in the right direction.

The meeting accepted some very dynamic motions which I would like to highlight briefly:

1. The new committee has been given the authority to purchase a block of land in or around Perth for a maximum outlay of \$45,000. This will enable the committee to negotiate and finalise such a purchase (if the opportunity does arise) without having to call an Extraordinary General Meeting.
2. Non Swiss Nationals who are married to a Swiss resident in W.A. who is a member of the Club are now eligible to become active members with full voting rights.
3. The Club will in future organise two annual functions for financial members which will be heavily subsidised from Club funds.
4. The following active members were nominated as Honorary Life Members (in alphabetical order):
Elsie Abplanalp, Agnes Schildknecht, Benny Schildknecht, Hannelore Walter, Joseph Wildisen, David Zeller

Our hearty congratulations must go to them. They have all been associated with the Club for many years and have given to
