**This is the key that stands
for the world's most
treasured possession.**

It is the key to the Statue of Liberty in New York harbor, proudly holding a torch that lights the way to freedom. The colossal copper structure was designed by Frédéric-Auguste Bartholdi and engineered by Gustave Eiffel. A gift from France commemorating the U.S. centennial celebration in 1876, the statue was completed in Paris in 1884 and unveiled two years later in New York.

**This is the key
to the world's finest
banking services.**

For those who are aware of subtle yet valuable distinctions in international banking, one name stands out: Swiss Bank Corporation. We are the Swiss bank with the most international experience – and the largest international network. At home in 34 countries around the world and at work as members of the major stock exchange from Tokyo to New York. International presence has to be backed up by local competence. With advanced communications and information management systems, Swiss Bank Corporation's skilled specialists can give you personalized advice on financial matters in all main markets. They are people you can communicate with – and trust. Just as you can trust a bank with over 100 years of experience, an exceptionally sound capital base and a triple-A rating from the world's major agencies.
