Next year it is planned to publish eight issues of the Swiss Review. Only four of them, issues 2, 4, 6 and 8, will carry "Local Communications". The other issues will give the Swiss abroad the necessary information to allow them to cast their votes in Federal ballots as from 1st July 1992.

I wish all readers of the Swiss Review all the best for the festive season and the coming year. Beat Moser.

Message by Swiss President

On the occasion of the Swiss National Day celebrations in Brunnen, Council of the Swiss Abroad Member Peter Meury presented Federal Council President Flavio Cotti with a copy of the video "The Swiss on the Fifth Continent" produced by Harry Widmer of Sydney. At the same time he extended greetings on behalf of the Swiss living in Australia. The President, in acknowledging this unique gift, conveyed his best wishes for future prosperity and good health to all the Swiss and their families in Australia. He emphasized, that the confidence expressed to the Federal Councillors by citizens from all over the world is a strong motivation for them to continue to strive for excellence in the interest of our country Switzerland. Peter Meury.

Closure of SNTTO

The Swiss National Tourist Office (SNTTO) has announced that it will close its Australian office in Sydney at the end of this year.

This is primarily due to the Swiss Government's decision not to grant sufficient funds to enable all the SNTTO's agencies to operate worldwide.

Also to close, in March 1992, will be the SNTTO office in Buenos Aires, and further closures are envisaged in the course of 1992 and 1993.

Jürg Schmid, the SNTTO's Regional Manager Australia and New Zealand, has been appointed Deputy Director at the SNTTO Paris. Helena Kuster will be transferred to the Information Department at SNTTO Head Office in Zurich.

General information on tourist matters is now available from the Swiss Consulates in Sydney and Melbourne.

President's Report

As the Jubilee Year of 1991 is drawing to a close we can look back on a year of Celebrations which was enjoyed by many, and has again demonstrated the solidarity of the Swiss Community in Melbourne and Victoria.

The support received by the organisers of the various functions has been wonderful and was very much appreciated, as was the help from the Staff at the Consulate General of Melbourne.

Our objective for 1991 was to celebrate Switzerland's 700th Birthday with our Australian friends, and we established a Programme which contained something for everybody.

By and large we have achieved this and at the conclusion of Celebrations I would like to thank you all for your support and your participation.

In addition to the Celebrations, our normal Club activities took place and unfortunately the attendance at some of the traditional functions was rather disappointing, with the

Congratulations!

On 25-27th October the 9th annual Oktoberfest was held at the Royal Melbourne Showgrounds. This event is organised by the Oktoberfest Society comprising the two German Clubs, the Austrian Club and the Swiss Club. Again, it was an outstanding success due to the excellent organisation by our own Oktoberfest Committee led by Klaus Sieber, and the many many voluntary helpers.

For the coming Festive Season I would like to wish you and your families a holy and happy Christmas and for 1992 all the very best, above all good health.

Please consult the social calendar below and visit the Club, attend a function, and enjoy good fellowship and good cuisine.

At a special general meeting called on the 31st August, 1991 the members present unanimously passed a special resolution to incorporate the Swiss Society of Queensland, and recently we've received the certificate of Incorporation.

Our 700th year anniversary birthday dance, held at the German Club was a great success with over 280 members and guests attending the function. Having our Consul General Hans-Peter Egger and his wife as our guests gave the function that special touch.

For further information regarding our functions in 1992 please contact the President or consult the Swiss News of Queensland 1/92.

We wish all of you a happy and successful 1992. Peter Weidmann.

Swiss Community Care in Queensland

The Swiss Community Care Society of NSW has established a Queensland Chapter following extensive dialogue between a number of concerned Swiss in Brisbane and the Sydney Committee. The launch of the organisation took place on sunny Sunday, 8th September at beautiful Solothurn Resort Park in Melany, Queensland, on the occasion of a get-together organised and catered for the Senior Swiss by the Swiss Society of Queensland. Some 100 visitors were looked after by the active Swiss Society Committee and the Resort staff.

Swiss Community Care Society President Peter Meury and Vice-President George Naher specially motored up for the joyous occasion of the launch by Chapter President-elect Peter Funk. Peter Meury in his address expressed the Society's pride and satisfaction at the establishment of the Queensland Chapter which will cater exclusively for the needs of Queenslanders. Peter Meury.
