The Fund and the Swiss Grutli Sickness Insurance make the following service possible:

All over the world the Swiss abroad – like their compatriots at home – can

obtain insurance for all doctors' bills, medicaments, nursing and hospital costs in

From now on you can obtain first-class medical care in Switzerland even though permanently resident in your new homeland.

Switzerland. And you pay exactly the same premium as if you were living in Berne.

In other words. If you are struck by illness or accident, or in case of pregnancy, you are no longer forced to choose between possibly very badly equipped public hospitals in some countries and the extremely expensive private health sector. You can consult the doctor of your choice in Switzerland and receive treatment and care in any Swiss hospital.

Grutli offers this new comprehensive health insurance scheme only to members of the Fund and immediate members of their family possessing Swiss nationality. This includes your spouse and

children up to the age of 25. The upper age-limit for acceptance in the scheme is 60.

If you would like to know more about this scheme, please complete and return the enclosed form.

Please send me your detailed prospectus for the new Grutli comprehensive insurance scheme for members of the Fund, together with the application forms.
