## CINS Campaign for an Independent and Neutral Switzerland

We are not ashamed of our own history: It is the task of our government to explain the interrelated facts to a largely unknowing world audience and to clearly repudiate intentional slander and misrepresentation. Whoever governs, whoever actively identifies with a cause, whoever fights for the rights of his own country and commits himself to Swiss self-determination, must at times bear the loneliness of rule. Order the keynote speeches held by National Council member Ch. Blocher.
