A corner of Switzerland.
With Swiss stamp albums.

Actually, every Swiss citizen living abroad should own one of these albums.

Either the special Panorama album, which presents a selection of original Swiss stamps (20) on 40 pages or the year album, which contains 90 pages and all postage stamps (40 and an exclusively vignette) issued in 2000.

Both albums are richly illustrated and contain valuable information in four languages about the story behind each individual stamp. An attractive way to gain an interesting insight into the culture, society and history of Switzerland.

You can order these albums with the order form below or online at www.swisspost.ch/philatelic-shop.
