'A pictorial and chronological history of the Swiss Club of Victoria'

A group of dedicated senior club members, the 'History Book Task Force', is working hard in gathering material to create an historical account of our over 100 year old Swiss Club.

We have a young aspiring editor currently working on the chronological part of the book. As for the pictorial part, well, that's where you come in. We want every club member (and non-members as well) to look for interesting photographs and other documents that could be of value.

Photographs and documents from the early years of the club's life, say from the 1920's to the 50's, are naturally quite rare, but that's the stuff that we are particularly interested in. It doesn't matter what the photos show, as long as it is in any way connected with the club, including sub groups and club members.

Hedi Dornbierer is the 'Picture Coordinator'. If you have something you would like to contribute, or any questions to ask, please get in touch with Hedi on (03) 9571 2554.

Please, have a look through your photo albums and shoe boxes, the success of this project depends on it.

SWISS FOLK DANCE GROUP ALPENROSE

President: Sylvia Hochuli

On 4 May we had our traditional Unterhaltungsabend at the Swiss Club. It was great to have a full house - and a waiting list. Everybody seemed to be thoroughly enjoying themselves. The Swiss Club, as always, was beautifully decorated by members of the group. On behalf of the group I would like to thank everybody who attended the function. A big thank you also to everybody who so generously donated prizes towards our tombola, and to Roger and his staff for the wonderful meal and excellent service. 'Kapelle Grüezi Mitenand' provided fabulous entertainment and with their enthusiasm helped make the night such a great success.

We still practise every Tuesday night at 8.15pm at the Swiss Club. We are looking for prospective new members. No experience necessary. Our aim is to continue the tradition of Swiss folk dancing in Melbourne. So why not join the group?

President: Primo Calabresi

At the Annual General Meeting of the Swiss Society of Victoria on 27 March 2002, Mr Werner Brodbeck announced his retirement as President. He has served the Executive Committee of the Society for 40 years, of which he was President for the past 31 years. Mr Brodbeck was thanked at the meeting by the Consul General of Switzerland, Mr Werner Ballmer, for his long and faithful service to the Society and the contribution he had made to its very strong financial position. He was presented with a token gift by the newly elected President, Mr Primo Calabresi.

The Swiss Society of Victoria was founded in 1879 with the objectives:

- a) to give advice and information to Swiss Nationals newly arrived in Victoria, and to assist any Swiss in want of help and found worthy to receive assistance;
- b) to promote a national spirit and feeling of good fellowship amongst the Swiss residents in Victoria.

We are upholding these ideals and invite every Swiss to become a member. The current annual subscription is \$5.00. Applications can be made to the Secretary, Swiss Society of Victoria, 89 Flinders Lane, Melbourne Vic 3000.

The Volksfest, which was held at the beautiful and central Flastaff Gardens, looked like it would succumb to the unpredictable Melbourne weather. Nevertheless, it turned out to be a perfect day with plenty of sunshine, music and good food. A number of our playgroup mums were busy selling homemade cakes and we are proud to say that there were no leftovers!!! The money we made on the day will help us build up our play equipment. Thanks to all those involved.

An inaugural playgroup mums luncheon was successfully held at Claudia's Restaurant 'Santino's Terrace' in Lygon Street. No children to interrupt our chatting, what a treat!!! Thanks Claudia for your hospitality.

New mums and their children are always welcome. We meet every 1st Thursday of the month at the Swiss Club. For more information, please call either Barbara Kündig or myself on the above numbers.

The Cheese Fondue Evening was well attended and it was a pleasure to see how some people really dressed up for the Swiss theme - well done. Maybe a 'Fasnacht' theme could be an option for a future event. The 1st August Celebration Dinner was a great success. The traditional bonfire, lantern procession and Cervelat-Schmaus were also enjoyed by all.

The Annual General Meeting will be held on Friday, 18 October at 7.30pm at the Austrian Association, 11-17 Torrens Road, Ovingham. Do come along and support your Swiss Club in South Australia. Free Schnitzel and Salad for Swiss Club members!

Everybody is welcome to join us on the first Friday of the month at the Austrian Association from 6.30 pm onwards for a casual 'hockete'. Make it a night out with an inexpensive but delicious meal and the chance to brush up on your 'Schwyzerdütsch'. The last Jass evening was rather popular. Isn't it fascinating how there is a 'vergiftete Jasser' in most Swiss people?

The 'Schwyzer Frauechränzli' group

meets on the first Monday of the month. The ladies organise gatherings at their houses or visit a special place for a good time out. For details please call Rosemary Copeland on (08) 8431 4991.

As the Swiss Review is printed in Switzerland, we need to submit our articles well in advance. That's the reason why I can't give exact details and venues for the above functions. So please refer to the current issue of the Swiss Community News which will contain all necessary information. If you don't have one handy, don't hesitate to contact me and I'll be happy to send one.

The Swiss Community News also contains an application form for Swiss Club Membership. It doesn't cost much and if you are not yet a member, please don't hesitate to send in the application or contact anyone of our Committee. You can, of course, also contact us by e-mail: swissclub_nsw@hotmail.com.au.

Every Monday evening we have the traditional Jass at the Eiger Restaurant in Petersham. The Committee meets every first Monday of the month at the Eiger as well. At the same time we enjoy some of Ruth's and Alain's mouthwatering traditional Swiss specialities. One of my personal favourites is Vermicelles for dessert. I've never found better Vermicelles anywhere in Australia! Ruth and Sigi Achermann are also regular guests on Monday evenings which gives us the opportunity to buy cheese, Bündnerfleisch, Landjäger etc. from them.

Last but not least I'd like to mention again that our Swiss Playgroup for young children usually meets every last Friday of the month at the Austrian Club. Gabi Elias 0418 206207 or Barbara Chalk 0402 911251 will be happy to give you more information. The popular Samichlaus/Childrens Christmas will also be at the Austrian Club this year. We'll publish more information about this in the next issues of the Swiss Review and the Swiss Community News.

Dear Readers and friends of the Swiss Yodlers

Earlier in the year the Yodlers took part in two events. The first was at the Town Hall where we performed with many artists from around the world as part of the Festival Francophone. The second event was held in the IMAX Cinema!

Our 'Vereinsreisli' brought us this year to the Hunter Valley. We visited a few nice places, played golf, saw some of the most beautiful wineries, and enjoyed ourselves very much. We had lots of fun together, and

many of our family members joined our trip. The weather was perfect, and some timeout was needed...

We also have the great pleasure to welcome Esther and Florian Salzgeber as new members of our club. Esther and Florian joined us a few months ago, and have already made a big difference to our club, with great singing, lots of laughs, and their three beautiful girls.

Our 1st August picnic was again held at the Franciscan Capuchin Seminar in Plumpton. Our new Consul General, Mr Albert Mehr, also addressed the Swiss Community at this well attended event.

After more than 30 years in the German Club Concordia, Stanmore, we have to say goodbye. We have held many hours of practice, rehearsals and exercises, as well as many long and unforgettable nights... Great memories! Thank you very much to the German Club for the outstanding contribution towards our organisation. I am sure our paths will sooner or later cross again.

Our new venue will be with the Salvation Army in Chatswood (Corner Archer Street/Johnston Street) where we will practise every Monday night from mid September 2002 on. If you would like to join, please feel free to contact me.

We are in the middle of a busy season that started with the 1st August celebrations and will continue with various Oktoberfest functions. While we enjoy performing and sharing our culture, we just as much enjoy getting together once a week for practice and having a drink at the bar afterwards. We meet every Wednesday night at the Concordia Club, Stanmore, at 7pm. We are learning new dances all the time, so plenty of fun is involved - and the first Wednesday of every month is the President's shout!

The social side of things was also well looked after with a Raclette evening in July and a skiing weekend in August where an eight bedroom chalet fitted all of us 'mit Chind und Chegel'.

The Swiss Folkdance Group is always interested in new members/participants. Please contact Marco for more information or just come to the Concordia Club for a chat, dance and drink afterwards. Hope to see you there.

This has been an excellent year for the Yodel Choir 'Bärg-Röseli' as we have had the opportunity to give many performances to a variety of audiences. Significant events included a reception for the new General Consul, the 1st of August, the always enjoyable Swiss Senior Citizens day as well as a wedding and several performances for Australian audiences.

We will be taking a break for Christmas but are awaiting another exciting year beginning in February.

We have had quite a few successful events so far this year. In March we got to welcome the new Consul General to Queensland, shortly afterward followed the Jass Championship, a Raclette evening, the midyear crisis, and the 1st of August celebration. Other events include the Senior Citizens day in Maleny and the AGM.

If you are in Queensland looking for some Swiss culture or just some fellowship with other Swiss and their families, please contact us or look up the upcoming events on the internet.

Mother always said that I should drink TEA with Fondue, not white wine... Problem was, that I had forgotten that advice until the following morning! But then, if you have ever tasted the famous 'Wirth's Fondue', you would agree that it would be almost blasphemous to drink anything other than a nice drop with it! We had a marvellous time at the German Club on 15th June. Many thanks to our Fondue Chefs Heinz and Glenda Wirth and all the other helpers who assisted.

On 15th September we plan to have a Family Picnic at the Hinze Dam, followed by a day out at Wet 'n' Wild on 10th November and of course the big Samichlaus Party (joo dann: 'Santi Claus' fiir d'Baasler) on 8th December. Why not call me on (07) 5597 0666, and I give you directions as to where, when, how etc. You might even want to join our Club; at only \$20.00 per family per year it would have to be superb value! See you soon!
