MESSAGE FROM THE NEW AMBASSADOR OF SWITZERLAND

Dear fellow Swiss Citizens,

On 26 November 2004 I had the honour to present my credentials to the Governor General in Canberra, thus taking up my new posting in Australia. Since then I have had the opportunity to see quite a number of places in and around Canberra - and what I have seen, makes me looking forward to my next four years in Australia.

During this time my wife and myself will have the chance of meeting many of you personally, when travelling to the

different States and Capitals. I am looking forward to that; I have already been impressed many times when learning what Swiss emigrants have achieved in this wonderful country. Your activities, your involvement in Australia's development are important in shaping Switzerland's image too; thus each of you is a kind of a Swiss Ambassador, and I would like to thank you for that.

I also take this opportunity to thank you for your involvement in the activities of Swiss associations and circles, here in Australia. These activities follow old Swiss traditions of individual engagements for a common cause.

May 2005 bring you good health, a lot of success, personally as well as professionally, and a great amount of personal satisfaction in whatever your endeavours are.

Christian Mühlethaler
Ambassador of Switzerland

Dear Swiss Club Friends,

We hope that the year 2005 has started on a splendid note for you and your families and promises to bring a bounty of good tidings.

A big part of the world had to start the New Year with the aftermath of a colossal disaster caused by a tsunami. The grief, the loss, the pain and trauma is overwhelming and we share the sadness and despair.

It also has shown us how, in an emergency, we feel instinctively that somewhere deep down we are one people, whatever colour or religion we show or proclaim; we are human beings and tied together. This feeling and understanding may have changed us forever and may contribute to more peaceful times.

One says that bad leads to good. Let's learn our piece, although we may have understood as well if the lesson had not been quite as big.

The Swiss Club is our little island within the big scheme of things and we are here to listen, to help and to share in grief and celebrations.

Let's meet often during 2005. The Swiss Club Newsletter and our website will inform you about the happenings.

Dear compatriots and friends,

Welcome to the New Year, and may we all enjoy it in good health. Our coffee afternoon was a big success; we enjoyed lots of coffee, cake and chats. The mystery trip in November led us to Williamstown, with lunch by the bay, and from the feedback we received, everyone really enjoyed themselves.

Every year we try our very best to make our outings and occasions enjoyable, so if you wish to join us, we meet every second Wednesday of the month. You can contact me at the above phone number, or email me any time, if you have any queries.

See you at our functions that will be advised in the forthcoming issues.

I hope everyone had a great Christmas and safe New Year's celebrations. This is going to be an incredible year filled with lots of exciting events.

Our Christmas Party was held at Morialta Conservation Park and the day was a great success. Everyone had a fantastic time conversing with one another on such a beautiful day. All children loved Santa's special appearance and were very pleased with their bags of goodies. Thank you to everyone who spent time making salads, cakes and biscuits for afternoon tea; they were delicious.

The next event is the 'Hockete', which is held on 4 March at the Austrian Association at 11-17 Torrens Road, Ovingham. Join us from 6.30pm onwards for a Schnitzel or just a chat. Held on the first Friday of every month, this gathering welcomes everyone.

On the first Monday of every month is when the 'Schwyzer Frauechränzli' meets. The next event is being held on 7 March at Rosmarie's house at 9 Gray Street, Tranmere. It is a gathering of women who have been friends for a while, however they always welcome newcomers. So why not join them? For further information please contact Rosmarie Copeland on (08) 8336 5932.

On 27 March at 11.30am we will undertake an exciting Easter Bushwalking event. The walk will begin at the Black Hill Conservation Park at the end of Addison Avenue, Athelstone. It is advised to wear appropriate footwear and clothing. Bring water and a packed lunch.

The annual Fondue night will be held on 28 May.

We look forward to seeing you at these upcoming events. We can't wait to welcome a few new faces. Information regarding functions is available from our website or by contacting Regula Müller.

Our Annual Picnic at the Swiss Club Property at Rolling Green, near Gidgegannup (now with flushing toilets!) was this year not quite so well attended due to the Yodellers as well as the 'Guggeburras' performing at other functions.

We also held our traditional "Steinstossen" for men and women, but did not, this year, include a children's section because the

children were just too young to handle the "big stones".

Then we had our Father Christmas Picnic at Perry Lakes, which was a great success. We had around 70 children present who were eager to see the Samichlaus. A big thank you to all the sponsors of the cakes and sweets for our cake stall. Jean Claude's Nussgipfel were again a big success and sold out quickly.

We also want to say thank you to all the people who responded to the Survey that was sent out. We received 328 replies which still need to be analysed.

I hope to see you at one of our events.

Dear members and friends,

Last year was again a successful year for our club with members and friends taking part in many attractive functions. Many

thanks go to Robbert Veenendaal for his efforts as president over the last four years and all the committee members who continue to contribute tirelessly.

During the Samichlaus picnic in December we were very pleased to welcome our new Ambassador to Australia and his wife, Mr and Mrs Mühlethaler. It was an early opportunity for them to meet the Swiss community in Canberra at this warm and friendly event, and it didn't take long before some roots were traced back to similar origins.

In this positive light the following functions are planned for 2005:

11-13 March: Coast Weekend

15 May: Hike/walk - Corin Forest / Gibraltar Rocks

17 June: Fondue evening

10 July: Wood collecting

31 July: Swiss National Day celebration

2 October: Jass Tournament

4 November: AGM

4 December: Samichlaus

A possible film or trivia night for August/September is also planned.

More details on the events will be available in the newsletter and on our website.

The Canberra Ethnic Radio FM91.1 broadcasts a Swiss program every Monday night from 5-7pm. The program is informative as well as entertaining with

local content and news from Switzerland. So tune in your radio!

I hope that 2005 has started well for all members and friends of the Swiss Club.

On 19 March we'll have a ghost tour in the Rocks which no doubt will be a lot of fun. Most of us will meet for dinner in the Rocks beforehand. It'll be easier to "endure" the ghosts with a full belly and a couple of glasses of wine in our system to calm the nerves!

Our popular Consul General Albert Mehr will, unfortunately, be leaving sunny Australia soon. Remember the events he organised on 03.03.03 and 04.04.04? Well, his farewell party is going to be on 03.04.05! It will be a very special event which is organised as a "joint venture" between all the Swiss groups in Sydney. As Albert & Renate will be going back to mountains, we thought it would be

appropriate to have this party on one of Sydney's beautiful beaches. You'll find more details about all these functions in the latest issue of the Swiss Community News.

Please remember that Monday nights is Jass night at the Eiger Restaurant and your Swiss Club Committee usually meets every first Monday evening of the month also at the Eiger. Every second Friday of the month the Swiss also get together at the Austrian Club in Frenchs Forest for a bite to eat and a bit of socializing. Come along and bring your friends to either of these evenings. It's

Dear readers and friends of the 'Swiss Yodlers,

A warm "Guets Neus" from the Swiss Yodlers of Sydney. We wish all our fans and supporters a great 2005 and hope to see all of you at one of our great functions.

Next function? We would like to invite all of you to join us on our traditional harbor cruise on Saturday, 26 February, leaving Birkenhead Point Wharf at 6pm (sharp). We have a great dinner ready for you and, of course, a few hours of good party time, music, singing and laughing and a raffle hard to beat. Please contact Roesli on (02) 9979 3738 or 0421 342 452.

Our main project this year is, of course, the attendance of the Eidg. Jodlerfest in Aarau from 17 to 19 June 2005. We are all excited to participate and we have already done most of the logistic work: flights, hotels/accommodation, transport, Festwagen, yodel song. We have also already received a lot of support from some Swiss locals and the local Yodelclub Hitzkirch/LU. I am happy to inform that some 5 people from the Yodelclub in Melbourne will join us in Switzerland to add some voice weight during our performance. And then there is our friend Willy Kunz who emigrated to Brazil 15 months ago and will also be part of our group. He is practising our yodel song in tropical Brazil! I am sure we have a significant group together to impress the strict judges of the Swiss Jodel Verband.

Would you like to join our club? We practise every Monday from 8pm at the Salvation Army building, Johnston Street, Chatswood.

We did not have a date for our annual Senior Citizen Day as this article went to print, but it could be as early as May this year. Please do not hesitate to ring Lorly if you would like to know more about this function. Our members will receive their Newsletter prior to the date, and details will be published in the next Swiss Review, at the end of April, and in the Swiss News of Queensland as soon as they are available.

Consider becoming a member to receive our Newsletter twice a year, giving you details about our functions and other information regarding the Society. Ring Lorly for an Application Form.
