A Special Year for the Saskatchewan Swiss

2004 marked the 25th anniversary of the Swiss Club Saskatoon. And what a year it was! We are almost sad it is over.

When we set out for that special year, we planned an outdoor event in July, which, combined with the First-of-August, was going to be our main occasion for a celebration. It turned out to be a hugely popular event, which was reflected in the largest turnout ever.

Then, on October 2nd our new Consul General in Toronto, Mr. Jean-Claude Hagmann paid us a visit. Mr. Hagmann gave us a fine reception in the landmark

building of Saskatoon, the Bessborough hotel. This reception again drew an unusually large crowd as all of us appreciated the chance to get to know our new consul general, a man who everyone found to be exceptionally friendly and approachable. Of course, the club took this visit as another occasion to celebrate our year. How fitting that our Consul General would help us make our anniversary year memorable!

But that was not all. By coincidence, the President of the National Council of the Swiss Parliament, Mr. Max Binder, came to Ottawa on an official visit, and due to his special interest in the agriculture practices of Saskatchewan, took a side trip to Regina and Saskatoon. He was accompanied by his wife and also by the Swiss ambassador, Dr. Thalmann and his wife. In addition, the Assistant Secretary General

of the Swiss National Assembly, Mr. John Clerc, rounded out the party of five. We Swiss of Saskatchewan were treated to a reception either to Regina or Saskatoon, whichever one was closer. The reception in Saskatoon took place on November 20th, again at Saskatoon's landmark hotel, the Bessborough. In spite of the uncertainty that the weather will pose in Saskatchewan in November, a fair crowd of people came out to meet the important Swiss politician and his entourage. It was indeed a first for Saskatchewan Swiss to welcome not one or two, but an entire party of representatives of the Swiss government and its diplomatic corps. And it all happened during our 25th anniversary year!

Swiss Crossbow Association

During the winter months the Crossbowers take a well earned rest; we might reminisce or ponder about the upcoming season. At the beginning of February we held our Annual General Meeting and determined our shooting dates. The season will start on March 20 if it is not too cold. Sometimes in early spring it can be quite cold and since we are sitting outside, albeit under a roof, our hands get cold and our nose starts to drip. Not very good circumstances when we are trying to concentrate!

Quite a few Swiss Clubs are celebrating an anniversary this year and we will be participating in four of them as well as the Volksschiessen.

We are always looking for new members and invite you to come up to the range on any of our shooting days. We are in a beautiful location together with the 300m rifle shooters and the 50m smallbore and pistol shooters.

Shooting dates:

- April 24
- May 1
- May 22
- June 5
- June 19
- July 10
- July 24
- August 7
- August 21
- September 11
- September 25
- October 8/9 Schuetzenfest
- October 23 Endshoot
- November 19 Absenden - Awards Presentation

Enjoy the remaining winter months and we hope to see you at the Crossbow range.

Please let us know when somebody passed away, so we can inform the members of the SSV. We would also like to know about special birthdays (80 years or older) since the SSV has not registered these dates.

News from the . . .

With much chagrin we lost two of our 100 year old Ladies:

On October 13, 2004, we said goodby to Margrith (Gritli) Meier-Hirsbrunner.

Pauline Anna Kaiblinger-Fellmann passed away on January 06, 2005.

Both Ladies were very active members of the Club for many years.

On February 08, 2005 we held our Annual General Meeting and elected a new Vice-President, Mrs. Joanne Spirig.

In 2004 we had 14 new members joining our Club.

Our Club meets every second Tuesday of the month, at the St. Moritz Restaurant for our regular meetings. New members are always welcome, please join us.
