Dear Compatriots,

Thank you!

We are overwhelmed by the spontaneous support you gave us - the amount of orders for pins, T-shirts and SIGG bottles we received at the Consulate General of Switzerland in Melbourne is enormous! Your solidarity shown towards our common goal is, in our eyes, a great achievement and makes us happy and proud.

Considering the huge response, we decided to extend the deadline for ordering until the end of May 2005. So make sure that you don't miss out on this unique opportunity to purchase these exclusive products.

We would like to remind you that all your orders are being processed and that the merchandise will be sent out in April, May and June. Please do not call, unless it is very urgent.

Once again, we wish to thank you for your generous support!

Dear Friends of the Swiss Club,

This is my last article to the Swiss Review as the President of the Swiss Club of Victoria.

I thank my fabulous committee for the trust and co-operation and hard work which let me realise many a plan I had hedged. Thank you for the friendship coming my way; friendship is most important in my life.

I thank the Swiss Club members and their friends for the support and I am most grateful for the experience I was able to make.

The transition to the new Presidency will be smooth. Due to the structure of the present committee, the two year rotation of the lead planned long in advance and due to the full disclosure of every business to all, the change in leadership should work without any interruption.

I plan to remain as Immediate Past President for the coming two years and will not only pull my weight but also like to finalize this or that, for which the time in my office did not suffice.

During the coming few months traditional functions will be held like every year, especially during the National Day period which is almost around the corner. In addition, many a surprise is planned to suit any and every taste. Please inform yourself on the Swiss Club website and from the Swiss Club Newsletter, or if all fails, ring the Club.

Looking forward to seeing you at the Swiss Club, I send you my very best wishes for health and happiness.

In Friendship,

Rita Schwaerzler-Abbt, President

COUNCIL OF THE SWISS ABROAD

Farewell to Dr Maximilian Brandle, Representative, Council of the Swiss Abroad (CSA)

It is with some sadness that we are losing Max Brandle as a representative on the Council in which he has promoted the interests of the Swiss community in Australia for over 30 years.

Max was born and educated in Winterthur completing a commercial apprenticeship with the transport enterprise Panalpina in Zurich. After national service in the Swiss Army, he decided to come to Australia, where his first job was on the factory floor in Melbourne early in 1960. He completed his HSC in Sydney in 1961, followed by tertiary studies at the Universities of Queensland, Munich and Florence. When a doctoral student in Munich he did a few photo shoots, some with his wife, Anglo-Australian top model Annette Arundel. In 1968 he was appointed lecturer at the University of Queensland, where he taught for over 30 years. He became the first Swiss to be appointed to a professorial position in a Brisbane university.

Max was the Australian pioneer of the commercial single English language industry. He was a visiting lecturer or congress speaker in 12 countries, including opening speaker at an EU-sponsored international congress in Bonn. He published 12 books, including the centennial project 'Multicultural Queensland 2001', Dept of the Premier and Cabinet, Brisbane 383p (now out of print). In 1988 he was also project manager for a bicentennial book with the same title. This book became the catalyst for societal change in Queensland and paved the way for the adoption of multicultural policies.

He was co-founder of the Swiss Society of Queensland, 1965, and foundation editor of 'Swiss News Queensland', which still appears six times a year in the original

format. He has also served as President or Secretary of the Queensland Chapter, Swiss Australian Chamber of Commerce and Industry. Max wrote a series of small monographs and articles on Australian-Swiss affairs, and two recent articles in German on the Swiss writer Robert Walser appeared in a book edited at Nancy University in France (published in Bern, 2002).

Max has given service to many community and government organisations. He is currently a VP of the Ethnic Communities Council of Queensland. During the last 12 years he was the co-organiser and MC for the official EU-Day functions in Queensland, which are held annually in the facilities of the State Parliament.

Max has received two Australian Government Honours, the OAM and the Australian Centenary Medal. The Queensland Government recognised him with a Queensland Migrant Service Award. The Dante Alighieri Society in Rome also recognised him with an award and the Dante Society in Brisbane made him an Honorary Life Member - Max served for four years as its President.

Max is now in active retirement. He is currently a Visiting Fellow at Griffith University and continues to serve as a director of the National Accreditation Authority for Translators and Interpreters (NAATI, Canberra).

We thank Max for his efforts not only on the Council, but for being such an outstanding member of our Community, and wish him good health and enjoyment.

After some very pleasant and interesting summer activities - the highlight of course was Renate & Albert Mehr's farewell party - we are now looking forward to a nice Sydney autumn. We haven't organised a bushwalk for quite a while and decided to rekindle this popular activity. If you enjoy nature, fresh air and great company, then please diarise 15 May and join our bushwalk. On 4 June will be the battle of the "Röschigraben" - i.e. the bowling competition between the Cercle Romand and the Swiss Club. A month later, on 4 July, we'll have our traditional Fondue night at the Eiger and our AGM will be on 18 July also at the Eiger. For exact information about all these functions please refer to the latest issue of the Swiss Community News or contact me or one of our committee members.

If you just want to have a nice bite to eat and a chat to some fellow Swiss, please note that they usually meet on Monday nights at the Eiger in Petersham or every second Friday evening at the Austrian Club in Forestville.

We are always encouraging people to become members of the Swiss Club and recently I received feedback that some people - especially new arrivals in Australia - have difficulties to find a "proposer" and "seconder" as per our application form. Please don't worry about that. We're happy to process the application without that because one of our committee members will gladly sign on your behalf.

All the best,

Peter Pluess

Dear reader,

If you have missed the traditional Harbor Cruise, you certainly have missed a "Having de Plausch Night". About 100 people found their way to Birkenhead Point, where our boat left at 6pm for the four-hour cruise. A great event, a great evening. Most of the people enjoy this night year by year; thank you for your ongoing support. The Yodlers performed their songs, and the crowd had fun, enjoyed themselves with some good food, a drink or two and our beautiful raffle. I would like to say a thank-you for all the great donations we got for our tombola. A special thank-you to our main sponsor Gustav Kaeser International (represented by Mig and Noemi Guyer) for their very generous support.

I think by now most of you know that we will participate at the Eidg. Jodlerfest in Aarau (17 to 19 June 2005). So all our focus lies now on this big event. We will leave the country on Friday 10 June with a Jet to Singapore, where we will board a SWISS flight. I am sure with our 'Glocken' on board we can make quite a bit of a "huhaho...."! I have just returned from Switzerland from a meeting with the Eidg. Jodlerverband and they are very helpful, as this year there are only two international groups attending the Jodlerfest: Australia and New Zealand. The organisers will provide us with a tractor and wagon for the procession on Sunday and are helpful in many other ways. The same can be reported from the local Jodelklub Hitzkirch. After a meeting with the President and the Conductor, we have nailed all the details and it
