Victoria

Dear fellow Swiss,

Since the beginning of this year, the Committee of Joint Swiss Ventures, made up of all heads of Swiss groups and organisations in Victoria, has been meeting on a regular basis to discuss a closer relationship between all the groups with the view of holding a combined large annual event starting in 2008. A number of possibilities have been put forward, though no decision has been made as yet.

Under discussion is also the recruitment of young Swiss people to the various organisations, either Swiss born or Australian born with one or two Swiss parents to ensure the continuation of Swiss culture in Victoria. Again, a number of possibilities have been put forward, though no decisions have been made either.

Furthermore, Federation Square in Melbourne has offered to fly 8 large Swiss flags on the 1st August, and since the Swiss School always has a Lampionzug, we are now considering starting that procession from Federation Square under the Swiss flags and then take a walk around part of the city back to the Swiss Club.

Essentially, the motto for all activities is: "We're all Swiss"!

Kind regards,

*Erika E. Kimpton-Etter,
Honorary Consul of Switzerland
and chairperson CJSV.*

Dear readers,

Now six months into the new job, the committee has had the pleasure of meeting many of the members. In July, we unveiled two beautifully restored honour boards and August saw us busy with a Lantern Procession, National Day Celebration Dinner and a Senior Members Luncheon. In September, we held our Half Yearly General Meeting and a very successful wine and cheese tasting function.

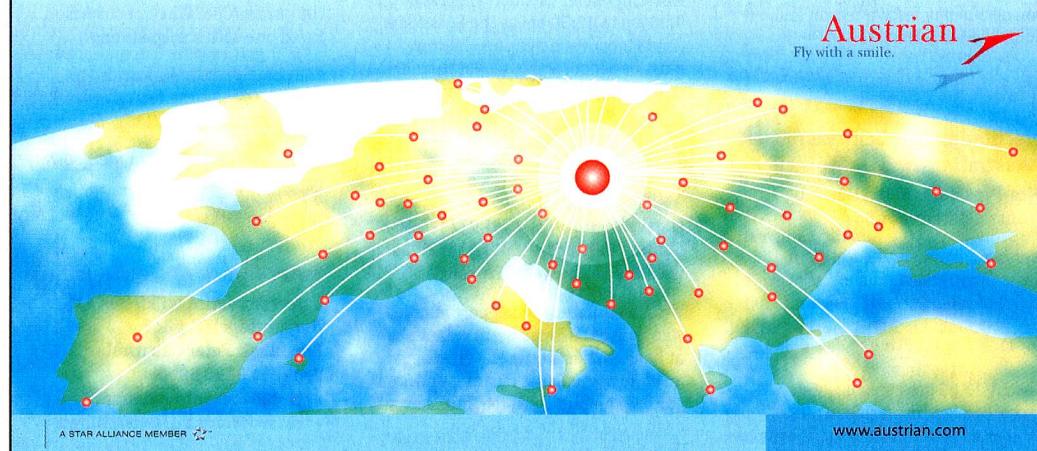

With the opening of "Terra Rossa", an Italian Restaurant on the ground floor of the Swiss Club building, we have started the process of securing the club's future. As the president of the club, I am delighted that the focus has become one of remaining relevant with the 21st century and returning benefits to members.

At this point, I would like to call for more volunteers to join the committee either as an IT consultant/website developer or as an event coordinator. Please contact me or a committee member if you would like to know more about it. We are also interested to hear from you if you could assist the club with organising Bush Walking for the many keen walkers we have.

Looking ahead we offer a Billiard Competition and a Trivia Night

We figured the best place for a hub is right in the middle.

Our European network begins where other airlines think it ends. Welcome to our world.

Wintertime for our Choir was highlighted by two special events. In July, we performed with a promising young harpsichordist for "an Evening of Winter Delights" in Ruffy (Strathbogie Ranges), where we found a very enthusiastic audience for our songs and folklore music. Then in August, we organised the traditional National Day celebration in Gembrook. Both events were a great success. If you would like to get a taste of these musical delights, contact Marco at one of the above numbers for a copy of our CD "Vor mängem Jahr".

In our choir practice on Wednesday evenings at Marco's home (see address above) we are now concentrating on yodelling songs from the Appenzell region - it would be great if new singers would join in! We wish all our friends and supporters an enjoyable festive season.

Sali mitenand.

The Club Year has again ended. The WA Swiss Club "Fondant 07" Wine has been bottled. This event is enjoyed by more members every year.

The First of August Ball was again attended and loved by many members. Our first of August Bonfire at Rolling Green, on a beautiful 4th August, has seen the best ever crowd, with many young families. Lots of children, some hardly able to walk, proudly paraded with their lampions in front of the huge bonfire. Olga, with her "Schwyzer Oergeli" and Yodelling kept everybody

entertained. The smell of grilled Bratwurst and Servelats gave the function the appropriate high note.

A not very well attended function was our recent Annual General Meeting. A new Committee had to be elected. It was not easy but we finished the AGM with an enthusiastic Committee in place:

Dear members and friends,

The year is moving on and by the time you read this there are only a few more functions left on the calendar. The events for the next year will be decided on at the first committee meeting after the AGM, so unfortunately we don't have these details yet. However, I am quite certain that there will be a similar number of events next year of a similar nature. Of course, these events will be advertised again in the newsletter and on our web site well before they take place.

For those readers who do not know much about the Canberra Swiss Club, I would like to say that it is a friendly association of Swiss nationals and their friends living in Canberra and the surrounding region. It is a group of people, who like to meet several times a year and enjoy each other's company while being involved in a range of different activities. If you would like to join in, please write to us or give us a call. We are always pleased to see new faces and welcome anybody who is interested in participating.

On 31 July, members gathered for the Opening of the Sandra Landolt exhibition at the Kudos Gallery in Paddington. The exhibition was opened by the Swiss Consul General, Juerg Casserini. SACA members served Raclette in recognition of Swiss National Day the following day.

A SACA table at the 'Swiss Cuisine' dinner at Swissotel in the Sydney CBD was a sell-out! The buffet dinner was prepared by an Australian Chef who worked some years in Switzerland and speaks fluent Swiss dialect.

In August, SACA members Brigitte Banziger and David Hulme, of Bänziger Hulme Fine Art Consultants, invited members to join them for the preview of the Deutscher and Hackett Fine Art Auction. The Australian auction house specialises in Australian and international fine art and the event was a great opportunity to view the artworks on show in their next sale.

We gave an impromptu performance at The Swiss Club fondue night in June which was enjoyed by all. We need all the practice we can get as we gear up for the 2008 Eidgenossichen Yodeller Fest to be held in Luzern.

A brilliant day was had on Sunday 5 August 2007 when we welcomed some 650 compatriots and friends to our annual picnic at Plumpton, some of whom travelled long distances from country regions. This traditional event allows the community to come together, catch up and remember a life that once was, is and will become. It also gives new Swiss and friends a glimpse of a Swiss style fest. Alphorns, cow bells, yodellers and the dance group plus the numerous volunteers, helped make this a memorable event. Our thanks to the Swiss Consul General, Mr. Juerg Casserini for his opening address and for acknowledging the enormous contribution that Roesli and Housi Kaufmann have made to the yodellers over many years and to the alphorn group, in particular. Finally, a big thanks to our sponsors without whose generosity we could not celebrate in this way. Danke, merci, grazie, grazcha!

On a sadder note, we would like to acknowledge the recent death of Gino Morelli. Gino was an honorary member of the yodellers, giving 30 years of his life to the group. We had the honour of singing during the recessional at his funeral.

Gruezi, bonjour, buongiorno, g'day to all Swiss in South East Queensland

We certainly have a few very busy months behind us with all the Raclette, Fondue, Metzgete and 1st of August celebrations. It was a pleasure to organise all of these events and it's been nice to have a lot of new people come along to these get-togethers. We have also had a lot of success with the Cinema Nights, with lots of laughs and memories that were brought back watching films like *Mein Name ist Eugen*, *Herbstzeitlosen* and *Vitus*. It looks like this will, from now on, be a regular event with quite a few more Swiss films already on the wish list.

This year, we will again be part of the Multicultural Festival, which attracts over 120'000 visitors. We will have a stand where we will sell Öpfelchüechli and Schoggifondue, so please come along and visit us.
