Editorial

Chères lectrices, Chers lecteurs du Canada

L'année touche déjà à sa fin pour les pages locales, mais vous pouvez suivre les activités de vos clubs sur le site www.revue.ch. Je vous souhaite d'ores et déjà de belles fêtes de fin d'année et mes meilleurs voeux pour l'année 2009.

Dear Readers in Canada

It is already the last issue of the year with regional news, but visit the site www.revue.ch to keep informed about your clubs activities. I wish you already happy holidays and all the best for the new year 2009.

Manuela Fuchs, Regional Infos Canada

a thunderstorm in the evening curtailed some of the activities that were planned.

In a brief allocution, the Ambassador of Switzerland, Mr. Werner Baumann, offered his best wishes to the Ottawa Swiss community for the National Day. Mr. Baumann also talked about the good relations between Switzerland and Canada, and kindly offered "un vin d'honneur".

A varied program was presented for the entertainment of everyone. Notwithstanding the rain, the Montagna Singers performed folkloric songs; the group also lead everyone in the singing of the National Anthem.

Children were very much part of the event throughout the day: they enjoyed a Piñata and participated in an array of games, such as a tug-of-war, and three-legged races.

Following Swiss tradition, a fire was lit when the rain abated. Unfortunately, the inclement weather forced the cancellation of a planned lampion parade. Due to hard

work on the part of the coordinator of 1st of August celebration and the generosity of many sponsors, there were a lot of prizes for the tombola that was carried out throughout the event. Food and beverages were available right through the occasion.

Thanks to the assistance of many, volunteers doing an array of tasks as well as members of the OVSC Board planning and setting up the event, the occasion was a quite an achievement.

The Swiss community is planning a number of activities for the fall and early winter: the Montagna Singers are having a Concert on September 25 with the Edmonton Swiss Men's Choir, and will organize the traditional fall Metzgete on October 25 (for information call Jules Bruehlmann at 613-736-0676 or bruehlmann@rogers.com). On December 7, the Swiss Seniors are hosting a Christmas Luncheon at the Vanier Community Centre, and in the afternoon, the club organizes a St Nicholas Party for the children at the same venue (for information call Mr. K. Portmann for the Luncheon (613-742-0895), and Mrs. K. Lyon-Villiger for the St Nicholas Party (613-523-7818)).

Seaway Valley Swiss Club

This is a well waiting for event that took place at the Theiler Farms for the 12th year on the row. This event was well attended by avid shooters in 3 different class. Of course everyone loved the meal (steak and sausage) cooked by our master cook Walter Von Ah served with a choice of salad and bread with dessert and drinks.

The Seaway Valley Swiss Club would like to thank our host family Theiler for use of thier facility, and all the volunteer who helped us during this event.

Brockville Multicultural Festival 2008

The Seaway Valley Swiss Club attended "The Brockville Multicultural Festival". Following the big success, about 4000 people visited the festival during the 2 days event.

A big thank you to Laurence Hofer and Jean-Pierre Brochon for running that event with many volunteers. The Seaway Valley Swiss Club wishes to thank every ones who helped us during those 2 busy days.

Ottawa Swiss Community Celebrates the First of August

The Ottawa Valley Swiss Club (OVSC), with the gracious participation of the Embassy of Switzerland, the Montagna Singers, the Twin Fiddle Magic (family O' Connor), and Swiss compatriots playing the Alphorn, celebrated on Sunday July 27 the National Day on the grounds of "La Ferme qui Charme" situated near the Gatineau Park. About 150 people came together to celebrate the seven hundred and seventeenth anniversary of the birth of the Confederation. While it was cloudy with sunny breaks during most of the day,

Ecole Complémentaire Suisse de Montréal

After 19 years, the École Complémentaire Suisse de Montréal Inc. (ECS) closes its doors. The parting school committee has been entrusted with the decision over the "faith" of the remaining funds, in the amount of more than CAN\$ 13000.-, at the last general assembly on November 28, 2006. It was decided that the remaining funds will be available to any organization with similar goals as the ones of the ECS. Meaning, it needs to benefit Swiss children either educationally or recreationally.

To insure the proper dispersal of the money, we, the parting committee, set up the following conditions and guidelines, which will have to be ful-

filled in order to be eligible for the donation.

1. "Funds"

The remaining funds are to be in trust with the Fédération des sociétés Suisses de l'est du Canada (Fédération) for a maximum of 10 years (until August 2018). The money is to be put up in a secure/low risk investment (ex: ING). All interests are to go to the "Fédération" for administrative compensation.

The status of the holding of the funds will be reviewed by the parting committee and the members of the "Fédération" after 5 years (August 2013).

Should no one claim the funds after a maximum of 10 years, the whole amount of CAN\$ 13000 will automatically go to the "Fédération".

2. Conditions and Guidelines

We ask for a business/project plan which shows in a clear and concrete manner the goals of the new organization - what the activities will be, how the organization will be administered/managed and which will show actual figures and calculations (financial plan) that proves the viability of the given project.

This project plan has to be passed and approved of by the parting committee and a member of the "Fédération". It will have to reflect the following objectives:

- Has to benefit children with a Swiss background, either recreationally or educationally.
- Has to be a self-sufficient, non profit organization.
- Activities have to be accessible to all children regardless of financial/economic background.
- Has to stay in Quebec
- Any individual asking for this donation will have to provide a startup capital of an equal amount as our donation (notably Can\$13000.-).

We had, in general, a very slow start this spring – the warmer temperatures took their time to come in. May and June felt like winter would never end! Now it's way better, summer seems to be catching up! Most of the farmers had a lot of good chances to bring in their hay crops, make silage etc. Just now, as harvest starts, the rain begins - more rain, more rest. So farmers, take this as advice before the nice weather kicks in again! First, it looked very poor in the vegetable - and flower gardens, but also improved quite a bit. In this part of the world, we usually have abundant food, especially cucumbers! But by the time you read this, summer will have come and gone.

It was a pleasure to see many members at the BBQ's this summer. The weather behaved very well except for the BBQ in Arnes at the Egli farm, where it was cold and wet. Everybody enjoyed the free bratwurst and some took advantage of this at all events!

The August 1st. Celebration at the River Ranch was again a big hit; with over 80 people attending, which included a lot of Swiss visitors. We had the honor and pleasure to welcome Philippe Crevoisier and his wife Viviane, Consul from the Consulate in Toronto. Everything went quite smoothly - the bratwursts, pork chops, nussgipfel, made by Ursula, were so good; the salads and desserts, brought by Swiss club members tasted delicious, with, of course, beer and a fine coffee afterwards. Due to the absence of our voluntary firework expert, we did not have a firework display, but we had a big bonfire, which satisfied enough so we could forget about the missing part of the evening. Everyone listened to the speech from our Bundespräsident Pascal Couchepin and enjoyed the national anthem. A big thank you to Ursula, Heidi and Alex for the Schwyzzeroergeli jam session, it was loved by all!

The shooting contest was again a big hit and was enjoyed by everyone, big and small. We had great prizes ranging from seed, fertilizer, t-shirts, hats, dishes to army knives and butterzopfs. We thank and appreciate all the donors for all the generous prizes. Also a big bravo to the prize hunters!

And the winners are:

Congratulations to all contestants, you were all great!

The August 1st. Celebration West at the Davatz Farm in Plumas was on the wetter side, but despite this, there were still a few Swiss people that attended and enjoyed the Bratwurst and the firework display. It's always frustrating, for the host family, that some folks have all kind of excuses for not attending such an event. A big Thank-you goes to all host families for their great effort!

Hike to Skyline Ridge, Manning Park Sunday, July 20th, 2008

One could not wish for a sunnier day on our mid-summer hike of
the year. Fourteen of us, the Swiss Outdoor Club's enthusiasts,
gathered near Lightning Lake, heading toward Skyline Ridge ,
Manning Park. With no time to waste, we carpooled to Strawberry
Flats to begin our hiking journey. The forest setting looked mag-
nificent as though welcoming us into its secrecy and its beauty.

The strawberry meadows were in full bloom, spreading throug-
hout the path. Delicate yellow lilies popped their heads here and
there, and purple lupines stood tall bringing a dazzling touch to
the woodland. Multi-decade old trees stood magnificently calm
with rays of sun beaming through the branches onto the flora. As
we proceeded deeper into the forest, the tranquility of it could ef-
fortlessly transform one's soul into bliss. Walking enthusiastically,
we were captivated; taking it all in. Not far into the forest, we
began to hear sounds of a near-by creek, rushing through, brea-
king the silence of the woods. We saw the sun glimmering against
the rocks, and caught a crystal clear scent up in the air. Our path
was pleasantly soft to our feet as we proceeded to higher ground.
Once we reached the 1200 metre mark, we stopped at the curve in
the path to admire a magnificent panorama – multitudes of peaks
of the North Cascades Range exposing their splendor as far as the
eye could see. But as much as the beauty compelled us to stay,
we had to keep going, to reach the top, leaving this vista behind.
As we proceeded farther, Mother Nature surprised us with even
more blissful scenery. The path that we came to had a spectacular
display; vast multitudes of wild flowers rich in color that carpeted
the slopes of the mountain. We could see fire-red paint brush,

white anemone in clusters, pink header, mountain bog gentian, light blue forget-me-nots, and yellow colored-beak lousewort. The fragrance of the flowers was intoxicating. It was time to stop for lunch and who could find a better place to re-energize and rest; all the while looking out unto the Manning Park ski resort, surrounded by mountains.

Shortly after attaining our goal of 2002 metre above sea level - Skyline Ridge-we declared another successful hike, thanks to Peter Schaerer, our leader. Naturally we had to stop, and let our photographer have his glorious moment of capturing us at the pinnacle. It was magnificent to reach the peak, but it was time to head back to meet with our four other passionate lady-hikers that chose to take a trip around Lightning Lake. As we were coming down the mountain we came across the area where fire gorged a large section of the forest in the early 1990's. The tree skeletons stood silently, as victims of their destruction. And today, we see the new life begin. Mother Nature had her healing hand on its wounds and covered the destruction area with young vegetation and new shoots. Passing this part we entered again into the green-wooded area that was spared by the fire -a sight full of splendor. Our path was soft under our feet, covered with dried pine needles, giving vast relief to our tired legs. We could not see the sun through the heavy wooded area, nevertheless, the forest was enchanting to walk through. And after six hours, gaining and descending 600 meters and covering a distance of 16 kilometres, we finally ended our hike -Skyline Ridge. It was a splendid feeling. We all went to the Manning Park Lodge to extend our time together, enjoy one another's company while having our supper and discussing our next hike. There was no better way to finish the great day and the great hike. Thank you Peter for leading an excellent hike.

old tradition! The first night was a little cool but we all woke up to a beautiful Saturday. There was fishing, biking, hiking, horseshoes and volleyball; plenty to work up a powerful appetite for the amazing potluck dinner that was to happen Saturday night! Once again there was plenty of food as coos shared the open fire and culinary skills. Conversation and spirits were high around the picnic tables as we made our way towards the camp fire. The night was then capped off with a large Yule log being placed in the fire that kept some members up until the wee hours of the morning!

Now if we didn't eat enough on Saturday, Sunday morning brought just as scrumptious of a meal. Our friendly cooks worked over hot barbeque stoves cooking pancakes, bacon, sausages and eggs! One gentleman went to grab seconds and was put to work instead! While we did get a bit of rain on Sunday that didn't deter the group at all; approximately 12 people went on a 20km hike while other groups went on a more child friendly excursion. Those up for a more relaxing afternoon stayed at the site to play cards.

What I love about the August long weekend camping trip is the community feeling you have once you reach the site! I haven't been for the last two years and I would have thought that I had not missed a beat! There are the regulars that attend every year that keep the tradition going and then there are the new groups and the drop ins; it does not matter what group you fall into you still feel welcome and have the time of your life. I was born in Canada but I enjoy these weekends as a chance to hear stories about Switzerland and learn firsthand about the culture and the cuisine of the country! There is never a shortage of stories, food and great conversation. A huge thank you to the yearly organizers, the cooks and fire marshals! Also thank you to ALL of the attendees! Thank you for the great times, the great food and the great memories! I hope to see you all again next year. Shall we say around the same time?! Hopp Schwiitz.

It was my first camping trip since 2006 and boy was it good to be back! A group of about 18 camping units joined together the festivities at the River Cove Group Camp, about an hour away from Calgary nestled next to the Elbow River, off of Highway 66. While camping is not for everyone, this spot provides ample opportunity to join us for the day and if you change your mind, pitch a tent and stay the night! It was great to see many faces and meet some new people this weekend!

Friday night was August 1st and with that, the lampions came out to light up the night. At least a dozen children paraded around the campsite with music in the background and all of the adults, who were crowded around the campfire, cheered them on. This was the first year in a long time that I can remember so many children being at a group camp! A very special feeling while watching a very

As always on the May long weekend, the Eidgenoessische Feldschiessen and the Feldschloessli – Stich took place with a very good turn out and some excellent scores were shot:

Eidg. Feldschiessen:	1. Frank Suter 68 pts	2. Louis Schurmann 66 pts	3. Dave Nichols 68 pts
Feldschloesslistich:	1. Frank Suter 67 pts	2. Dave Nichols 65 pts	3. Thomas Schwendener 65 pts
AGGREGATE:	1. Frank Suter 135 pts	2. Louis Schurmann 132 pts	3. Dave Nichols 131 pts

The Volkschiessen 50m Team Shoot on June 1, was a success and we were able to put 14 Teams together. Here are some of the results: 1. Reid Schurmann / Hans Hodel: 191 Points; 2. Kaitlyn Schurmann / Roy Schurmann: 184 Points; 3. Taesa Hodel / Rene Zollinger: 178 Points Afterwards an excellent dinner was prepared and served by the Baumann's.

June 15, was the Bruno Huber Shoot. This has become a very popular competition with 24 Shooters participating and our sincere thanks go to Bruno for sponsoring this event, every shooter was rewarded. The big winner with the Standard Rifle was Rene Brugger and just one point behind: Rene Zollinger. With the Service Rifle it was Roy Schurmann who came in first and a very close second: Dave Nichols. Since this event was held on Father's day, a few members treated their Dad for an excellent Steak Barbeque and enjoyed the camaraderie after all that shooting. The Mountain Range Match was again sponsored by Markus Spycher with a better participation then last year, which is very encouraging. A big Thank you goes to the Sponsor!

As we celebrated the first of August, the rain held off and it was a pleasure to see so many children taking part in the "Lampion Umzug". The barbecued Sausages, "Nussgipfel" and "Cremeschnitten" were a delight and certainly nobody had to go home hungry! Our sincere Thank you goes out to the many volunteers, without them the celebration would not have run so smoothly. There never seems to be a shortage of work on the monthly work parties but at times we could use more helpers and Lunch is always provided. And then also mark your calendar for the Jass Tournament on November 16, 08. For program changes and details please check out our website at: www.scmra.ca

Swiss National Holiday, August 1st, at the Huwiler Farm in Beaumont

A huge crowd gathered up to celebrate August 1st. And once again, we were pleased to welcome very special guests. Alberta's Honorary Consul. Dr. Andreas Bayer with his wife, Jolanda. As always, the Edmonton Swiss Men's Choir entertained with their singing and of course, the Crossbow shooting was not to be missed! Many Swiss felt just like home when they heard the familiar tunes played by our guest, the Alphorn Bläser! Bratwurst, Salad Buffet and Nussgipfel was not eaten fast enough for some youngsters, who wanted to start with their Lampion walk down to the fire!

We live at a high latitude and a high altitude. Its been cold and rainy and we thought summer would never come. It has though. As I write this the temperature is 32C and my dog only comes out of the basement to eat and drink and...

This summer has been a busy one with several highlights. At the end of June we hosted members of Mannerchor Rieden from Wallisellen. A spring/summer concert is something that we have not done in some time. It was a great success. The following barbeque solidified the friendships forged between the choir from the North (that's us) and the choir from Switzerland.

In July we traveled to Portland, Oregon for the United Swiss Singers of the Pacific Coast's Saengerfest. The hospitality of the Pacific Coast singers was outstanding. The talent was impressive and the "imports" from Switzerland showed us a trick or two. We have never seen such a variety of horns played so well. Thank you Heinz de la Torre.

Swiss national day at the Huwiller's was another outstanding occasion. A larger crowd than usual was in attendance. We sang a full set under the direction of our director's colleague Gloria Zaharia. As the sun went down it became very cold. The traditional children's lampion parade warmed our hearts and the traditional bonfire warmed our bodies

Dear Hans,
Thank you for your kind invitation at Jakes in Portland, indeed a very nice address which provided us with an exquisite diner! Above all thank you for the added-value your Choir brought to the Portland Saengerfest, a value made of a particular excellence. Excellence designed by magical voices, enhanced by the direction of your wonderful and dynamic director, Elisabeth.

Excellent exhaling from an extraordinary repertoire, an unsurpassed elegance and an impressive "esprit de corps".

I am looking forward to listen to the CD (VIVA) you were so kind to offer me, and I hope that the future will allow us to meet again.

Thanking you again for everything and wishing you, the splendid Edmonton Swiss Men's Choir, and the charming Ad Hoc Trio, every success.

August 1st Party

Rain or shine, the Swiss National Day get-together will always be celebrated on August 1st! A respectable crowd of about eighty Swiss compatriots of Central Alberta, local friends and visiting guests from Switzerland celebrated this year's annual event. It was exiting to see that so many young people participated with fun and laughter. Musical entertainment was provided, thanks to the ad hoc assembly of young folks who took the initiative to entertain with Schwyzerörgeli music. A big thank-you goes out to all (to numerous to mention all names) who made this "Swissparty" another success.

Special thanks are well overdue to Susanne and Beatrice for their yearly planning and preparation of the children's activities like Lampion Parade, Bottle Fishing and the 'ever so exiting' Candy Toss. Rudy's sing-along lampion parade is something every child is waiting for and participates with excitement. Due to the efforts of the two young "Rocket Engineers", an impressive show of fireworks was displayed, and we all wait with suspense what next year's show will bring...

We can't imagine what a Swiss party would be without all the yummy potluck salads, breads, desserts and perfectly grilled sausages which were prepared by Ivo and Mike.

Last but not least; Thanks to the members of the Wildrose Yodel Club, who were able to be part of and sing a few songs for the enjoyment of all in attendance. To all who helped with the clan up; Thank You!

What's up for next year's Swiss Party?
