Ottawa Valley Swiss Club

The Ottawa Valley Swiss Club (OVSC) held its traditional Children Christmas Party on December 7, 2008, at the Richelieu Centre. Preceding the event, the Seniors' Christmas Luncheon was held at the same venue. More than a hundred people attended the Luncheon: the food, as usual, was delicious, the Montagna Singers sang appropriate songs, and there was a visit by Saint Nicholas! Adults and

children alike received gifts. After the Seniors' Luncheon, the afternoon was dedicated to the children and the traditional Christmas celebration.

The afternoon program for the children was varied, and was both traditional and innovative.

For a start, children could exercise their wonderful creativity at a craft table by making "Christmassy items" such as a Gingerbread house, Christmas tree garlands or Christmas luminaries. Varieties of games were organized, and were quite popular with both the young and not so young.

The Montagna Singers sang a few Christmas carols, and then led both children and

adults in intoning popular songs of the season. Before the arrival of Saint Nicholas, some of the children participated in a Talent show: they performed songs of the seasons, play a variety of musical instruments, and Christmas tales were told!

While all these activities went on, there was a large buffet table with all kind of sweets and some dips, which was enjoyed by all. While the children had chocolate milk and juice, the adults could savour a nicely spiced mulled

wine. More than a hundred people, children and adults, attended the party. Truly, this was a "Super Sunday" December 7; the two events at the Richelieu centre were one big Swiss community celebration! A great "Thank you!" is addressed to all who ensured that the day was a complete success.

A number of activities are planned for 2009:

- the 2009 Annual General Meeting on Friday January 23, 2009;
- a German Swiss Theatre night on April 4;
- hopefully, a Swiss stamps exhibition on May 2-3;
- the traditional Golf tournament in June;
- the 1st of August celebration;
- possibly a car rally in September (if there is enough interest to have the event);
- a Night at the Races at the Ottawa Carleton Racetrack is also an activity that may happen in the fall;
- and the Saint Nicholas Party in December.

As well, the Montagna Singers will have their Dinner Dances on April 25 and in late October; and the Seniors will continue to have their monthly luncheons.

Charmey Désalpe

The "Désalpe" is an annual tradition bringing cattle back home from the Alpine pastures. In Switzerland, the cattle are taken up to the Alps at the beginning of summer in to graze freely for four months in a non-polluted environment. The cattle consist only of dairy cows, goats and sheep.

Perhaps this is why Swiss cheese is in high demand for its unique flavor! Some of the best cheeses come from the

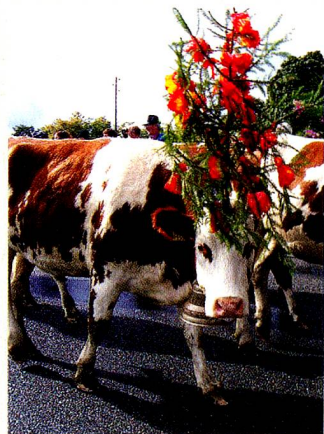

Gruyère region.

I decided to experience this national festival this year and went to a village called Charmey, known to have the most traditional and folkloric festival of the "march of the cows". So there I was on September 27, waiting at 9:00 AM with another 10,000 people or so that had made the trip from all around the country, as well as many tourists from Europe.

The sun was bright and it was a lovely, warm day which made it ideal to roam around the various stands, offering a tasting of different cheeses and wines of the region. It was there that I had an incredible, unforgettable drink: fresh, non-pasteurized cow's milk.

We first witnessed the parade of herdsmen - "Armailis" - in national costume, accompanied by their families, marching at the sound of Alpenhorns and yodels. Then followed the show of the ringing of the bells, where gigantic bells were held solidly by dancers who graciously moved them from their right thigh to their left thigh, making a harmonious musical sound.

As time passed, the crowd began to grow impatient for the best that was to come. Suddenly a heavy silence fell upon the crowd: Here they come!

The first cows came marching along with their shepherds. Each had an enormous bell hanging on its neck and a crown of flowers placed on its head. The cows looked majestic and proud of all the fuss about the march, and the sound of their thundering

bells was sweet music to our ears.

Special herds passed by, followed by goats and sheepdogs that were also decorated with flowers. There was a short lapse of time between each herd. And last, but not least, a flock of 400 sheep came marching along, but that part of the show was stolen by the shepherd dogs who clearly displayed that their sole and uttermost concern was to keep the flock together. What a tough job it was! Not once did the dogs stop rushing from one side to the other, keeping the stray sheep in line with the others. The most challenging must have been for them to gather all the sheep for the final descent to the plain..

As the afternoon drew high, the first marching cows were already snug in their winter home. It was a very long day for them as they had left the Alpine pastures prior to dawn, and they deserved a good night's rest in their new pastures after the long march on the hard surface of the village streets.

Next time you gather with friends for a cheese fondue, or have a piece of that wonderful Swiss chocolate, have a kind thought for our splendid dairy cows.

Erika Tièche past President of the Club and Chair of the 90th Anniversary Party Committee put together a small but dedicated group of members early in the year who spent untold hours to make this a Birthday Party to remember. The reward for their work was evident in the happy faces of all who attended.

The evening began with a Cocktail Reception (along with Taler-schwingen and Cow Bell ringing demonstrations), which was an opportunity to meet and talk to old friends – and there were many. Peter Schürmann, our excellent Master of Ceremonies, officially opened the evening by introducing the Head Table. He called on Club President Rene Wälti to welcome guests and friends; he was followed by Committee Chair Erika Tièche, by Consul General Bruno Ryff and by Ambassador Werner Baumann who expressed his pleasure to be with us in our vibrant and important City.

An excellent three course dinner was served and afterwards it was time for outstanding and exciting entertainment.

Eva Hajda started off with playing the traditional Swiss Alphorn. President Rene Wälti and Margrit Petermann, both members of the now disbanded Yodel Section, gave a great rendition of a lovely Swiss yodel song. This was followed by a performance of the 17 members Swiss

Farmer's Brass Band who had traveled from Ontario's Thames Valley area to be with us. They received great applause and delighted us with an encore. A different kind of entertainment was the performance of Swiss Canadian Blues Singer Shakura S'Aida who was backed up by two of her band members. She is an electrifying entertainer who is able to interact with her public – and addressing us in perfect Swiss German dialect. It was a superb and enjoyable performance; all in the Ballroom were on their feet wanting to hear more but regretfully she had to leave for another engagement.

Last, but certainly not last, Peter Beck and his Mississauga Express

Dance Band got us all up on the floor and for the next couple of hours the Dance Floor was crowded. It was an evening to remember and a sincere thank you goes to Erika Tièche and her Committee Members, with appreciation also to the Swiss Club Toronto, which contributed part of the expense of the evening. Thank you also to M.C. Peter Schürmann who had to work hard to keep a very crowded agenda on track.

As part of the Celebration the Swiss Club Toronto published a beautifully printed and edited booklet to commemorate the 90th anniversary. It is loaded with great information about the history of the Club, memories by past Presidents, comments by the Chair Persons of the various Sections and some delightful photographs. The booklet was mailed to all members of the Club and it is our hope that it will be kept and treasured as a memento of the event.

Sincere thanks go to President Rene Waelti who did a superb job in assembling material, writing and editing the booklet. Deep appreciation is also due to former President Gottfried Hildenbrand whose company, Swiss Print International, designed and printed the booklet at no cost to the Club.

We also thank our sponsors for the many door prizes, including Swissmar for part sponsoring a set of Wenger kitchen knives for every table setting. The door prizes collected by Erika Tièche were a welcoming surprise to all. Some of the big prizes were Transat Holidays for 2 return tickets from Toronto to Basel, Switzerland Tourism for a week's first class Swiss holiday rail pass for two, Canadian BBR Inc., H.U.H. Imports Inc. sponsored a large basket, Kühne & Nagel with a beautiful "Wallisser Zinnkanne", Lindt Chocolates a basket full of treats. Please see the sponsors listed separately. The private sponsorship was very well received. Their support is much appreciated and made our evening even more special.

The big winner of the 2 flights to Switzerland (Basel) by Transat Holidays was: Fritz Staheli of Sharon, ON Congratulations!

It was a great and memorable evening – thanks for the memories!

Members of the 90th Anniversary Committee:

Erika Tièche, Chair; Consul General Bruno Ryff, Rene Wälti, Sonja Evans-Good, Claude Tièche, Martin Zaugg (he was unfortunately unable to attend our evening as he was transferred in August to a new posting at the Consulate General in Sao Paulo, Brazil), Peter Schürmann and Alfred Mettler.

The Sau shoot is always a great way to finish our outdoor season
and bring home some meat. Out of 32 shooters Rene Zollinger came in
first with 49 points out of a possible 50.

He had though competition from David Nichols 47 points, Johan
Sauer 47 pts, Frank Suter 46 pts and Hans Hodel 46pts. With the an-
nual feast of "Blut + Leberwurst" we ended a most enjoyable day. Con-
gratulation to all the enthusiastic shooters.

In November we once again had a Jass Tournament organized
jointly with the Swiss Society and 24 players participated. The "Hand-
jass" was won by Markus Spycher and Marcel Muller was the winner of
the "Schieber". In between, the kitchen crew served us an excellent
dinner.

A good time was had by all at the Samichlaus Party and 13 Children
were privileged enough to meet the man of the Season.

We like to thank all the helpers that provided their services and
time throughout the year, you all know who you are!! And we wish
everyone a successful 2009 shooting season.

Winzerfest 2008

Thank you all for your participation in this great event – from our director, ticket sales coordinator, GM's, crews for set-up, lighting, Tombola, kitchen, bar, door service etc. – everybody chipped in to make this another successful event.

Especially a big "Thank you" goes to Marianne Pfaeffli for dressing up the first six of our ceiling panels. The "Bauernmalerei" on them looked just great. Thank you already in advance for painting the remaining 6 panels for next Winzerfest.

Harvest Concert 2008

November 14th was the day when about three hundred "Friends Of The Swiss Yodel" packed the banquet hall of the Royal Canadian Legion in Innisfail, AB to enjoy a wonderful evening of good food, good entertainment and good dancing.

Hats off to our members Joe, Ernie and Max for their efforts in selling most of the tickets to the sold out crowd. It's not that Joe needs more compliments for his talents in food preparation, but at the age of 73, he single handedly cooked a great meal for all in attendance. One should never forget to thank our spouses who often chip in, getting the food to the buffet, preparing an elaborate Tombola, or run for the little things, which are so crucial to keep things on track.

On the entertainment front, the Wildrose Yodel Club treated the guests to a concert blend of Swiss Yodeling and Rock 'n' Roll songs. Guest entertainer was the very talented fiddler, Craig West of Calgary, who fiddled his way right into the hearts of the people in the audience. His musical skills were a delight and had us listening to sounds normally only heard on a farm, like birds chirping, dogs barking or a barn door closing.

We were happy to see that the Honorary Consul of Switzerland, Andreas Bayer, took the time to attend our concert. Thanks to the large contingency of our friends from the Jodlerklub Heimattreu Calgary in attendance, we were able to close the concert as a massed choir with the song "Kamerade".

New singers are welcome

We can always use more male voices in all levels of our choir. We usually practice Thursday night from September until May at the United Church in Lacombe, AB.

Why don't you join us? - you might enjoy it!!!
