CSA Infoboard. Congress 2009 Report

The yearly Congress of the Swiss Abroad took place in Lucerne on Saturday, 8 August 2009, and the Council of the Swiss Abroad had its annual meeting on Friday 7 August 2009...

Some 700,000 Swiss or Swiss with dual nationalities, representing about 10% of the total population, are registered abroad and of those, some 120,000 are registered to vote in Switzerland.

The main objectives of the Organisation of the Swiss Abroad (OSA) comprise for the next few years are to: consolidate the rights of the Swiss abroad and represent them at Swiss federal and cantonal levels, foster political participation of the Swiss abroad, further expand information services to the Swiss abroad, build an internet platform for the Swiss abroad community, assist consolidation of the institutions of the Swiss abroad, and generally act as a "competence centre" for all matters relating to the Swiss abroad.

In particular, the Council of the Swiss Abroad (CSA) was briefed on the project of **electronic voting** by the Swiss abroad and half of the cantons should be ready with that programme by 2012, and then all of Switzerland by about 2015 (even federal votes are organised by the cantons). Problems to be overcome are mainly in the security area and we have been advised that most European countries have given up on this project for that reason. The organisation encourages increased participation of the Swiss abroad in the political debate in Switzerland and in the number of Swiss registered to vote from abroad.

The Council of the Swiss Abroad also asked the federal authorities to reconsider editing six [6] annual "**Swiss Review**" issues instead of the current four [4], in printed and electronic versions, and to increase the budget accordingly.

Various federal representatives and personalities from the Diplomatic Corps and from other Swiss institutions honoured the role of the OSA and recognised their role as ambassadors for the Swiss cause. This should give the Swiss from abroad additional political "weight".

SwissInfo [www.swissinfo.ch] has a pivotal role and task to inform the Swiss abroad on all aspects of Switzerland. The Congress approved also an appeal to the federal authorities to approve and provide SwissInfo with enough financial and personnel resources to fulfil this task. In another resolution, the Council of the Swiss Abroad appealed to the Swiss authorities to acknowledge the growing importance of the Swiss living abroad.

The Council also approved a resolution to condemn those large **Swiss Banks** which choose to close bank accounts of Swiss nationals in the USA.

Dear Readers,

With spring's arrival and summer soon at our doorsteps the Swiss Club's function calendar is full and some events are moving outdoors. The Companion Singers and the Folkdance Group Alpenrose, two of our interest groups, will participate at the annual Swiss Italian Fiesta in Hepburn Springs. If you are in the area, why not come along and watch them perform? The annual Swiss Club Tennis Championship will again take place at the Kooyong Lawn Tennis Club on 22 Nov.

We try to plan our events as accurately as possible but sometimes, dates change. To avoid disappointment, please refer either to our website, our club email or our fan page on Facebook, for up-to-date news. In addition, as a member, you get our quarterly newsletter delivered to your doorstep!

Before we realize it, the Festive Season will be upon us with Christmas functions for all age groups; The Companion Singers will perform at the Tabulam & Lutheran Nursing Home in November. For the first Saturday in December, the club will organize the Senior's Christmas Afternoon, and Samichlaus & Schmutzli will visit the children at our annual breakfast at Fawkner Park on the second Sunday. The club is open daily for lunch and Wednesday, Thursday and Friday evenings for dinner. We certainly hope to see you at the club or at one of our events before the end of the year. In any case, our best wishes to you and your loved ones from all of us at the Swiss Club of Victoria!

We would like to invite the retired Swiss/Australian Community (over sixty) to our mysterious and exciting "Fahrt ins Blaue" mystery trip. The cost is \$28.00 per person which includes a three-course lunch (payable in advance).

One of the most important jobs we do in the group, is organizing the Kaffeeklatsch and the mystery trip. We are currently looking for more supporting members. They play a very important role in helping raise the funds to subsidize the outings. Annual fees are \$20.00 (or 10.00 for pensioners). For more information contact Sylvia or Marlies (Ph: 9503 9921). Dear Readers

The National Day Celebration was a great success, I am not sure if the children or parents and grandparents had more fun. The children did very well with trying to outplay the adults with the Alphorn and the 'oldies' sang with gusto around the fire. A couple of long term committee members were farewelled at the AGM, however, some new and enthusiastic people joined the team. Please support the club, visit the webpage or become an active member.

This year's Swiss National Celebration, on Saturday 1st of August, at the Lesmurdie Club and Function Centre was a big success. Züri Gschneztlets, Älpler Macaroni, Röschi, Schwiens Brota, and Rüeblli Torta were just a few items on the buffet menu. Frisco made sure that the dance floor was never empty right to the end. The bonfire at our Rolling Green property was the highlight for lots of young families. Most people came prepared for a rainy outing. All were positively surprised by the dry conditions. The donated bread from Abhis, the Swiss Bakery in Fremantle, gave the grilled Bratwürste and Cervelats the extra Swiss flavour.

Next up, will be our Wildflower Walk and Picnic. All details can be found on our website.

Another Swiss Club highlight will be the Samichlaus Event. We have Cervelats, Bratwürste, home made goodies and drinks for sale. Please look up our website for details regarding booking in your children for the Samichlaus session and bag.

All locks at our Rolling Green property have been changed. The new numbers will be given only to Swiss Club members on request. Please ring the Property Manager with your Club Member details, should the need arise.

Dear members and friends,

In early September, the Mountainbike World Championship was held in Canberra. A special occasion for the Swiss community here, supporting their own sportsmen and women. At a reception, organised by the embassy and in the presence of the Swiss community, Mr and Mrs Barbey welcomed the Swiss team. This friendly contact between the locals and Swiss sportsmen/women grew closer over the coming days. Competitions were held from September 3 to 6 at Mount Stromlo. Over this period the crowd lining the track grew by the day. On Saturday, a noisy group of Swiss supporters led by Stephan Fuchs, and wearing red t-shirts and caps, equipped with several large flags and cow bells, took over the mountain. They appeared to be the best organised cheer squad, bringing colour and atmosphere to the event.

Mountainbike World Championship in Canberra

Stephan Fuchs with members of the cheering squad on the big Saturday

They cheered all competitors in the true spirit of Swiss sportsmanship, but heightened their cheers for the Aussies and even more so for the Swiss. The event finished with a very successful outcome for the Swiss team. Gold for Nino Schurter, Silver for Michelle Hediger, 3 Bronze for Florian Vogel, Thomas Litscher and Reto Indergand and a first in the Trials for Karin Moor. On the list of 15 medal-winning nations, Switzerland came third after France and Australia, a considerable effort - well done Swiss team!

The National Day celebrations were a great success with over 150 members and friends participating. The revived 'Cremeschnitte Chörl' gave their first performance by the bonfire, singing their newly practiced songs.

Gruezi, bonjour, buongiorno, g'day to all Swiss in Southeast Queensland

Once again, we had a fabulous day at the 1st of August Celebrations in

Petrie. Apart from a few little hiccups, everything went really smoothly and everybody really enjoyed themselves. A big thank you again to all the helpers who contributed to a successful day.

Due to unforeseen circumstances we had to postpone the AGM to the 7th of November this year. The meeting will be followed by the very popular Squiz Night. We are again looking forward to a great night with the Squizmasters, who will certainly come up with all sorts of tricky questions.

The year will close with the Christmas celebrations and Samichlaus will be visiting both Brisbane and the Gold Coast at the beginning of December. Please note that we have changed the location to Slaughter Falls in Mt Cootha.

Jass, every second Thursday. Contact Hans Heer on 07 3844 6529

Tennis, every Wednesday night from 7:30 pm in Fairfield. Call Marc on 07 3899 8996.

Please check our website to find more information about our bushwalks or any other ad hoc activities.

Our 1st of August celebration was again held at one of our members' scenic rural property where we could have a big bonfire. This was a great attraction to gather around to keep warm and have a chat, with the children running around with colourful lanterns to add to the atmosphere. We enjoyed a great BBQ meal prepared by our own Swiss Chef, with salads and cakes homemade by the committee ladies.

It was a great night to catch up with all our club members and also to welcome a number of new faces. Join us and enjoy the company of your fellow Sunshine Coast Swiss families for our upcoming events: a bowling evening in October and of course, our festive Christmas celebration in December!

We now have our own website under www.swiss.org.au/scsc with contact details, reports of our past functions and an online joining form. Registered Club members receive individual email invitations to all our functions. Please ring our club president to discuss any questions you may have or contact us via email, we look forward to hearing from many more.
