Reorganisation of Consular Representations, E-Voting and Swiss Banks were some of the main topics at this year's spring session of the CSA at Brunnen April 8, 2011

Gerhard Brügger, a senior foreign ministry official, told the assembly of the plans to reorganise Switzerland's existing network of consulates. Certain services may be merged to other countries. As for Australia, Brügger answered that at this stage no such plans exist but it is not excluded in the future. When questioned about the collection of biometric data in particular, he said that the foreign ministry is considering setting up mobile consulate services and hiring additional local personnel where required.

In light of the federal parliamentary elections in October the assembly unanimously endorsed the Election Manifesto 2011 which contains a list of issues the OSA wants the various actors on the political scene to take on board; they include the creation of a 'Swiss Abroad Law', the expansion of e-voting, the improvement of international mobility, the provision of more adequate consular services (e-government), the improvement of communication services (Swiss Review, swissinfo, etc), the improvement of the recognition of the CSA, and the strengthening and expansion of Switzerland's international presence and participation.

As for the progress on e-voting, possibly 4 cantons (SG, AG, BS and GR) may offer a vote-électronic in time for the national council elections in October. The government's goal is that by 2012 at least 50% of Swiss Abroad can vote electronically and the majority by 2015.

In regards to Swiss banks and Swiss Abroad, disappointingly, nothing new was to be reported on this issue. Since 2009, when this issue has first come to the attention of the OSA, the situation has worsened, despite the OSA making representation with selected banks, the banking ombudsman, Swiss Financial Market Supervisory Authority and the Organisation of Swiss Cantonal Banks.

The situation now is that it has become very difficult for many Swiss Abroad to maintain a relationship with Swiss banks. It is clear that by introducing exorbitant fees, banks want to rid themselves of small account holders residing abroad.

The only alternatives left is PostFinance as well as selected branches of cantonal banks and Raiffeisen.

For further information on this topic, please join into the discussion on SwissCommunity.com under topic 'Auslandsschweizer sind nicht bei allen Schweizer Banken willkommenen Kunden'.

Peter Schibli, director of swissinfo, informed the assembly that the online platform swissinfo.ch has been saved at least for the time being. Some restructuring will occur.

SwissCommunity.org was awarded Silver for 'Usability' at the 'Best of Swiss Web Award Night 2011'. With nearly 7,000 users it is also well ahead to achieve the target of 10,000 users by the end of the year. The administrator team was applauded for this great success.

When this Swiss Review arrives at your home, our Choir will be in Switzerland, engaged in the last practice sessions before our performance at the Swiss Yodelling Festival in Interlaken on the evening of Friday 17 June. Fingers crossed that all our efforts will be rewarded with a good note!

As many Choir members will still be in Switzerland early in August, we will not be able to organise the traditional National Day Picnic in Gembrook this year.

On the weekend of 22/23 October the Choir will again participate in the Swiss-Italian Festa in Hepburn Springs and Daylesford, together with the Companion Singers and the Alpenrose Dance Group.

"Grüezi mitenand"

I hope you had a safe Christmas break and thus far a good start to 2011. On the 20th of March our Car Rally took part from Adelaide to Milang at the Lake Alexandrina. The weather was fine, the company was excellent. Everybody had a great time and the Rally was well organised by Warren Wrobel. In April a small group went for a Dolphin Cruise on the Port River. On board we had lunch, we were lucky; we have seen a couple of Dolphins swimming along the boat. In May we will have (have had) our yearly Fondue event. I found out, that the Fondue night is part of the Swiss tradition in Adelaide. The first Fondue night was held in the early stages of the Swiss Club. If you haven't been to one, you must come to the next Fondue Night.

This year we are celebrating the Swiss National Day along the Torrens River and Elder Park in Adelaide. At the Torrens Rowing Club Boathouse; we will serve an early dinner and the "Lampion" parade will take place along the River and Elder Park up to the Rotunda. I hope the weather will be fine, that the "Alphorn" players are able to play for us from the Rotunda. Come along and celebrated this historic day with us.

We have planned our 45th Anniversary celebration of the Swiss Club on the 10th of September. We will have an informal sit down dinner (3 course

meal) with live entertainment (Herbert Stauber) at the Riverside Golf Club. Please mark this day in your agenda. More information in our news letter.

Dear members and friends

We are nearly half a year into an exciting year for the Swiss Club of WA. Over 50 people attended the Easter Picnic at our property in Gidgegannup; a lot of us decided to camp and were rewarded with beautiful nights and great company. The kids were busy finding their Easter eggs, making Easter baskets and colouring eggs. A water balloon relay had us all laughing and ended with the odd wet face! The Metzgete at the Rhein Donau Club was a hit with great food, enjoyable company and some serious dancing.

The next event for the Club is the Fondue - make sure you check out our website for more details - booking is essential. Then we already approach the Swiss National Day celebrations. On the 30th of July the Lesmurdie Club will host the 1st of August Ball where the Swiss Jodellers make an appearance and dance music will provide entertainment. The bonfire will be held on the 6th of August. This is a great event where the kids get to carry lamppions (provided by the Club) and enjoy in the wonders of the large bonfire.

Please come and join us and share in the fun!

Dear members and friends,

I take this early opportunity to inform you that the first of August this year will be held at a different place. Alois and Margot Lustenberger have offered us their farm to celebrate our National Day this year. We very much appreciate their help and thank Alois and Margot in advance for having us. On behalf of all members and friends of the Canberra Swiss Club, I say a big thank you to Tony and Lina Schlager for their hospitality over so many years. There are many Swiss and Aussies who have very 'warm memories' of the bonfire at 'Banjo', the Glühwein, Cervelats and Lina's exceptional Kirschtorte. I promise to do all we can to ensure the tradition lives on. So remember when you venture out into the country on the 31 July, head west towards Murrumbateman. The newsletter will have all the details on how to get there.

Our regular monthly "Ladies Lunch" on the first Friday of every month is proving very popular. It gives the ladies a chance to catch up and have a chat in a relaxed atmosphere

We invite all Sunshine Coast Swiss, their families and friends to join us. We also welcome your enquiries and suggestions via email - you will get a prompt response.
