A place in the sun.

More snow, more sun, more fun: the snow-capped mountains are calling you for a superlative winter experience.

Ski down from the highest Alpine summits on endless pistes. Then, after the adrenaline rush of the downhill run, idle your time away on the terrace of a high altitude restaurant in the gentle warmth of the radiant winter sun. Or why not hike through sparkling landscapes where only the sound of the snow crunching under your steps disturbs the tranquillity of the natural setting around you? In winter, Switzerland gives you a place in the sun in magnificent natural spaces to savour the delights of the cold season of the year.

Winter is at its finest here
Climb still higher, benefit from a longer ski run, enjoy the pleasures of dolce far

niente and local gastronomic delights on the sunlit terrace of an alpine restaurant. Then, when night falls, sleep in the welcoming bed of a hotel high up on the mountainside. Experience the finest moments of winter here in Switzerland:
