REGIONAL EDITION

AUSTRALIA

Embassy. New Ambassador Marcel Stutz

Dear Compatriots in Australia, Kiribati, Nauru, Papua New Guinea, Solomon Islands and Vanuatu.

My wife Esther and I arrived in Australia on the 11th of April this year. After almost four years in Berne working as Assistant Secretary of State for Africa and the Middle East, we got rewarded with our dream-posting: Canberra. Our two daughters, Katrin and Andrea, are continuing their studies in Switzerland – but are eager to visit us down-under.

On the 18th of April already, I was invited to hand over my credentials to Her Excellency Governor General Bryce. After this solemn ceremony, I am now fully accredited as Ambassador of Switzerland to Australia. I have obtained the agreement for Papua New Guinea but not yet presented the letters, and we are still working on the agreements for Kiribati, Nauru, Solomon Islands and Vanuatu.

My priorities as the Ambassador of Switzerland in Australia will be in two fields: on the one hand, I want to promote and increase our co-operation with the Swiss Australian Chamber of Commerce and Industry (SACCI) and the Swiss Australian Academic Network (SAAN); on the other hand, I am very much looking forward meeting and working with you, our Swiss Compatriots – be it through direct contacts or be it through our highly efficient Swiss Clubs, spread out over the whole of Australia. I intend to visit all Swiss Clubs in due time, but my first National Day of Switzerland in Australia I will spend with the Swiss Club of Canberra.

My e-mail at the Embassy is: marcel.stutz@eda.admin.ch – if you want to share ideas with me or want to get in contact, please do not hesitate and send me a mail. I wish all of you a blessed year and am looking forward meeting you.

Kind regards

Marcel Stutz

The President of the ASO, Jacques-Simon Eggly, stressed in his report the following points:

- **Electronic voting on Federal matters for the Swiss Abroad:** four (4) Cantons offered electronic voting for the Swiss Abroad for the 2011 elections. The Assembly approved of a decision to urge the Federal Government to expedite electronic voting on a national level (in the form of a petition).
- **Drafting of a law for the Swiss Abroad**, which is being discussed at all parliamentary levels. The Swiss Abroad are being asked to comment. In my comments, I did ask the Council to consider the question of direct representation of the Swiss Abroad in the Federal Parliament, as the Council had not had the opportunity to discuss that. At committee level, however, the idea was rejected.

Further subjects were discussed as follows:

Swiss Banks and the Swiss Abroad: Many delegates complained that their countrymen in the various countries have difficulties with their Swiss Banks, the accounts either being closed or being loaded with heavy costs. The Swiss in the US are particularly badly affected. The meeting approved of a resolution to ask the Federal Government to look into solutions as to how to service the Swiss Abroad with adequate bank account facilities in Switzerland.

Swiss Community: this is a very valuable internet platform for all Swiss Abroad, about their activities abroad and their relationship back to Switzerland. Visit www.swisscommunity.org.

Pro Helvetia: The CEO, Mr. Knuesel, gave a brief outline of the framework within which they promote Swiss culture abroad and work with Swiss organisations abroad to promote Swiss artists in general. For more details, visit www.prohelvetia.ch.

Swiss Review: Previously six (6) issues were published every year, before budget cuts forced a reduction to only four (4) issues per year. The intervention of the ASO has succeeded, this year there will be five (5) and next year again six (6) issues. The Review is an important link between Switzerland and the Swiss Abroad. In order to get a copy, register either with your Consular Representative or on www.swissabroad.ch.

2013 CSA Elections: The current delegates (including our 4 delegates from Australia) to the Council of the Swiss Abroad have their mandate until 13 August 2013. In October – November 2012, the Secretariat of the Swiss Abroad in Berne will organise elections for members of the Council for the years 2013 – 2017. It is foreseen that the coming elections are held with the old system, i.e. the Swiss Clubs getting to vote. Once the new law has been approved, only those Swiss Abroad will be allowed to vote having registered themselves to vote in Switzerland. There is still time for you to register.

Passports: The introduction of the biometric Swiss passport was again discussed (and also the difficulty for many Swiss Abroad to access the Swiss Consular Service), and the suggestion was made that beside this passport the Swiss Abroad should have the possibility to get an ID card without the necessity of biometrical data.

Congress 2012: The Congress of the Swiss Abroad and a Council meeting will be held from 17th to 19th August, 2012 in Lausanne. Another Council meeting will be held on 16 March 2013 in Berne.

In March we had to bid farewell to our long time yodeller and honorary member Margaretha ('Gret') Konarski-Steiner who had passed away peacefully in her home at Drysdale, aged 86. Gritli, as she was known to us, arrived with her Polish born husband Stan in Melbourne in 1950, and it didn't take long for the talented singer to find her passion for yodelling and to join the Swiss Yodel Choir Edelweiss. In 1969 she became a founding member of the Swiss Yodel Choir Matterhorn and, with fellow yodeller and life-long friend Godi Schmucki, was for many years 'front and centre' of the Choir, entertaining countless audiences with yodelling songs and duets. Over recent years she had followed the Choir only from the distance but kept an active interest in its activities. We have fond memories of Gritli's singing and yodelling, and are thankful for her many other contributions to the Choir.

We are already in the Autumn and Winter is coming fast. Over the Easter weekend the French Film Festival was at the Palace Nova. The German Film Festival was showing the Swiss movie "Sennentuntschi" on 1 May. A handful of passionate Swiss people made their effort to see this movie. The dinner before the movie was a good occasion to catch up with friends, it was a great night.

A Stream Train ride is planned from Mt. Barker to Victor Harbor in early June. This is a fantastic opportunity to enjoy a day with this significant train. End of June we will have a good time with a Dinner Dance "Christmas in June" at the British Working Men's Club. Come along for a meal and move your legs on the dance floor.

Dear Friends

The first event of the year, the Easter picnic, was enjoyed by nearly 50 people. Some of us camped all three nights in Giddegannup - the beauties of the Australian bush are memorable and the children had a large dose of fresh air.

On the 19th of May, the Austrian Club hosted the annual Metzgete, the Slaughter Feast. A large crowd filled the hall and the band Cameo provided the entertainment, the food was excellent and a thank you goes to the team at the Austria Club.

On the 30th of June, we are having another Fondue night - make sure you book as soon as possible as seats will be limited.

We are holding busy bees on the 16th of June and 14th of July on the block in Giddegannup. We hope to build a massive bonfire this year and, as we all know, many hands make light work. So if you wish to come and do a bit of work and plenty of socialising, please contact me so we can organise the Bratwurst and Cervelats for lunch!

Then we are already approaching the National Day celebration. On the 4th of August we are holding the annual Bonfire. I must encourage people to come along, living in the city, a lot of children never experience the wonders of the large flames of a "First of August Fire"!

Dear members and friends,

Our dinner cruise on Lake Burley Griffin in April was a great success. Those of you, who for one reason or another could not attend, have missed out on a very enjoyable outing. Thank you for the many positive comments from far and wide. I was particularly pleased to welcome many of our senior members and several friends from Melbourne and Sydney joining us for the evening. The welcoming Alphorn play by Hans and Rösli from Sydney was a true Swiss introduction to the evening before starting the cruise and settling down to a delicious dinner. The company was wonderful and the performance by the 'Crèmeschnitte Chörl' entertaining.

Meanwhile the weather has turned noticeably cooler indicating that the Fondue season is near. Indeed, by the time you read this, many are probably still digesting the Fondue held recently. Looking ahead I am pleased to report, that the wood has been collected, the stack is ready and the Cervelats have been ordered promising another great Swiss National Day celebration on the last Sunday in July. The nice weather has been ordered too and we look forward to seeing all of you out there on the farm.

The Club's Annual General Meeting held on Saturday, 17 March 2012, was attended by a majority of the members. Three existing committee members were unanimously confirmed and following the resignation of two members to pursue personal and business interests, a new member was unanimously elected to the committee. The meeting also unanimously voted to continue the Club in its present form.

The next function is a fondue night to be held at the end of June. Other functions include the National Day Celebrations and the Christmas by Candlelight dinner. Details will be posted on the Club's website.

After the formalities of the AGM, a delicious dinner was served, again prepared by Ueli Marfurt and cakes were supplied by ladies of the club.

Our regular monthly "Ladies Lunch" on the first Friday of every month continues to be popular, with the ladies meeting at a different venue on the Sunshine Coast every month to catch up and have a chat. More details are placed on our website.

We invite all Swiss on the Sunshine Coast, their families and friends to join us for these fun events, to enjoy good company, keep in touch with old mates and make new friends!
