CSA. Elections of four Australian Candidates

The four members who represented our country on the CSA in the past have offered themselves for re-election for the period 2013-2017. Since they have made such a valuable contribution during the past four years, they were duly nominated as our representatives for the new period. They are, as you know:

Marc Godat from Brisbane

Noemi Guyer from Sydney

Roland Isler from Melbourne

Beat Knoblauch from Sydney

Since there are four vacancies on the Council for our country, and no additional nominations were received, I declare them as elected and congratulate them on behalf of all the Swiss in our country. These are voluntary positions, and apart from personal contributions and attendance at meetings in Switzerland on our behalf, involve personal financial outlays. I would like to add a word of thanks and appreciation for all they do on our behalf and for their continued enthusiasm of all things Swiss. Carry on the good work!

Consulate. Consular Consultation in Brisbane

The Consulate General is coming to Brisbane in November this year. Emails will be send out in due time, so make sure your email is correctly registered with the Consulate.

In November 2012, a team of the Consulate General was present in the Swissclub in Melbourne to offer consular consultations days and to collect biometrical data for Swiss identity documents with special technical equipment. The presence of this team spared more than 120 people the time-consuming journey to Sydney. This year, the Consulate General will be in Brisbane in the second half of November 2013 offering the same services in Queensland. All Swiss registered at the Consulate General of Switzerland with an address in Queensland will receive the necessary information about these important Consular Consultation days well in advance. This information will be transmitted by electronic means. Therefore, please make sure that your personal data in your file with the Consulate General in Sydney are entirely correct, particularly your e-mail-Address and mobile number. You can send us an update any time by simply forwarding your details to syd.vertretung@eda.admin.ch.

Consul General of Switzerland Markus Meli with wife Christa
Photo: Henry Bois du Chesne, Design and Photography, Avalon Beach

I would like to use this opportunity to say good-bye to you. I have been in Australia together with my wife Christa since August 2009 and we will be leaving Australia already at the end of May to take over the directorate of the Consulate General of Switzerland in Frankfurt am Main. It was a great pleasure being with you for the last four years and we very much enjoyed our frequent trips to the different festivities of the Swiss Community all over Australia. My successor will be Mr. Ernst Steinmann. Ernst is currently the Swiss Consul General in St. Petersburg in Russia and he will arrive in Australia by the end of August 2013. I am sure Ernst and his partner Edith are looking forward to coming to Australia and I'm convinced they will soon feel at home in this beautiful country.

New home for an old lady'

Recently, the Swiss Club of Victoria, the Matterhorn Society and the Swiss Society of Victoria cooperated in finding a new home for a 154 years old Swiss flag. It is not just the age that is special, but also the elaborate embellishments. 'Die Schweizer in Melbourne', together with the year 1859 and a lovely flower arrangement, have been embroidered, and the crests of 22 cantons surrounding the Swiss Cross have been painted on.

What do we know of the history of the flag? In 'The Argus' newspaper, dated Tuesday, 10 April 1860, an article was discovered that describes a gathering of Swiss colonists at a shooting completion near Geelong. It says that Samuel Rentsch, Swiss Consul in Mel-

bourne..." appeared on the platform behind the firing shed, and, in the name of the ladies of Zurich, presented a very handsomely-worked silk flag to the Swiss of Victoria." ... "He concluded by hoping that the Swiss would value the gift of their fair countrywomen of Zurich, and preserve its honour unsullied at all perils." The reporter goes on describing the flag in detail and so we also know what the reverse side of the flag looks like: "...on one side was the emblem of strength, viz., a bundle of rods, through which was passed a spear, a sword, and a rifle, with the motto in Swiss over - 'Eintracht macht stark'..."

We know nothing further until the flag was 'unearthed' during a clean-up at the Consulate General Melbourne in 1983. The Matterhorn Society looked after this truly historic flag ever since. The Swiss Society and the Swiss Club will honour that commitment ensuring that it will be preserved for future generations of Swiss in Victoria. A small celebration on 7 February marked the official handover.

Dear members and friends,

The coast weekend in March was a great success. Despite the many attractions in the capital on this Canberra birthday weekend, many ventured out to join us at the coast. Those who did were treated by glorious autumn weather with great swimming conditions. The raclette on Saturday night held under a bright star night, was the highlight of the weekend, although there were many other highlights such as playing Jass in the summer sun, or the local wildlife like the two goannas, possums and the many kangaroos providing much entertainment throughout the three days. They no doubt were attracted by the delicious smells of our cooking.

Dear Swiss

The Swiss club of NSW has organised a new Activity in form of celebrating Fasnacht back on the 2nd. of March. There were 12 people interested in participating such an Event. If you feel this could have more potential and grow to something bigger and better, by hiring a hall and work closer together, please give me feed back or contact me anytime. Also the Buure Zmorge will be at the Austrian Club, as "Ice and Slice has been sold, on the same note, Sofia's Restaurant in Allambie Heights has also been sold late last month, its regretful, that yet another Swiss Place has disappeared. I wish everyone a exciting Autumn and hope you can support your club.

We had a fairly wet start to 2013 but a fun 'date night' at Sydney Festival's

'Eraritaritjaka' and a fantastic pool party in February with the Nenz family.

Our new home at the Kirribilli Neighbourhood Centre has been a good fit, and the March playgroup was a fabulous morning replete with hot playdough and Schellenursli-inspired felt craft.

The yodelers and alphorn players participated in the Swiss Festival held in Melbourne on Sunday 17 January, 2013. There was not a cloud in the sky and the sun beat down mercilessly. In other words it was hot! Whilst there was no moisture to dampen our spirits, a great time was had by all who attended. The group was able to catch up with and renew our strong friendship with the Swiss Yodel Choir, "Matterhorn" of Melbourne.

The annual harbour cruise on 23 February, 2013 was completed before a severe storm hit Sydney for which we were very grateful. The Consul General, Mr. Markus Meli was thanked for his continual support of the Yodelers during his time in Australia. We wished him and his wife Christa well in their new posting.

The games night in January had to be cancelled due to the stormy weather from ex cyclone Oswald which brought heavy rainfalls and high winds to our area with the associated risks of flooding and falling trees.

Our regular monthly "Ladies Lunch" on the first Friday of every month continues to be popular, with the ladies meeting at a different venue on the Sunshine Coast every month to catch up and have a chat. The men no longer wanted to miss out and have started to have their own "Gentlemen's Lunch" on the same day as the Ladies, but at a different restaurant and is organized by Franz Kaech.

We invite all Swiss on the Sunshine Coast, their families and friends to join us for these fun events, to enjoy good company, keep in touch with old mates and make new friends!

Please ring Hanni if you like to have a chat and find out more, we are happy to help. We also welcome your enquiries and suggestions via email; you will get a prompt response.
