World Atlas of Swiss Places

Where can you find Swiss places outside Switzerland and what are they like? What did emigrants seeking a new life, mainly in the 19th century, take with them when they established new towns like Berne, Glarus, Zurich, Locarno and many more?

Journalist Petra Koci, a Swiss woman with Hungarian roots, set off to explore these outposts of the Swiss Confederation. Her travels took her to countries such as the Netherlands, Argentina, Brazil, Ukraine, Russia and Australia. The result is the World Atlas of Swiss Places, in which she paints a portrait of fif-

teen towns and villages. She not only researched their history, but also participated in the day-to-day life of their inhabitants. Often this everyday existence still reflects the dreams that the founders had when they set off to establish a new "Switzerland" in a foreign land – some out of a sense of adventure and a fascination with far-off places, but most from sheer necessity.

Koci likes the people and tells their stories concisely and

often with a subtle humour, but never lapses into sentimentality. Her partner, photographer Benno Gut, is a skilled documentarist. The

World Atlas of Swiss Places has only one drawback: it is currently only available in German, with no translations produced as yet.

PETRA KOCI, "Weltatlas der Schweizer Orte"; Limmat Verlag, Zurich 2013; 288 pages with photographs by Benno Gut; CHF 39.50, EUR 33; www.limmatverlag.ch
