Editorial

2017 is an important year for the Swiss community world-wide.

More than 760,000 Swiss citizens—approximately ten percent of total population of Switzerland—live outside the country's borders. They are represented by 120 elected Swiss Delegates from around the world and twenty Delegates from within Switzerland.

The call to Swiss candidates to stand for nomination as Delegates and

Council members in the Organization of the Swiss Abroad (OSA) in Berne in order to represent the 40,000 Swiss citizens living in Canada was issued through Swiss umbrella organizations in East and West and in earlier issues of the *Regional News Canada*.

The Delegates for the three OSA allocated seats in Eastern Canada are in the process of being elected by the Presidents of Swiss organizations in the

Consul General of Switzerland in Vancouver, Pascal Bornoz, introduces Swiss Animated Movie at the Victoria Film Festival

Between February 12 and 14, Consul General Pascal Bornoz paid an official visit to the capital of British Columbia, Victoria. He introduced the Swiss motion film «Ma vie de Courgette» at the Victoria Film Festival, met with members of the Victoria Swiss Society and, accepting an invitation of The Honourable Linda Reid, Speaker of the Legislative Assembly, attended the Speech from the Throne as well as the opening of the new spring session of the Legislative Assembly. On Sunday, February 12, and on British Columbia Family Day Monday, February 13, he was accompanied by his spouse Elena Bornoz and daughters Olivia and Laura.

The movie theatre down-town Victoria was taken to the last seat on February 12. The expectant atmosphere heightened even further after Consul General Pascal Bornoz' introduction to the extraordinary Swiss movie «Ma vie de Courgette» (My Life as a Zucchini).

After a ten year incubation period, it took Swiss film director Claude Barras ten months to complete the seventy minute animated feature. Rather than using computer animation, more than fifty different puppets were hand-made for production. Shooting twelve images per second in a stop-motion process, Barras and his team

completed four seconds every working day. The effort shows: the film has won several awards, was nominated for an Oscar, and the Victoria audience spontaneously gave it a standing ovation!

In this warm-hearted film (French, with English subtitles), engaging animated characters express emotion with an authenticity that is universally understood. It traces life and experiences of the nine-year old boy Icare, alias Courgette, in a foster facility after his mother's demise. Not shying away from engaging with some painful realities of life in this coming-of-age story, characters and tale

develop through wise, patient and naturally unfolding story telling with just the right amount of humour infused here and there. By the time it becomes evident that the characters on screen begin to bond with one-another, the audience is long glued to the screen.

With the purpose of promoting Swiss linguistic and cultural diversity, the Consulate General of Switzerland in Vancouver supported the screening of this work of art in Western Canada. After the joint viewing, Victoria Swiss families and their children were invited to an exchange of views enhanced by refreshments. EDITOR

Chères et chers compatriotes, Care concittadini, cari concittadini,
Liebe Mitbürgerinnen und Mitbürger

C'est pour moi un grand plaisir de m'adresser à vous sur cette édition de la Revue Suisse. Depuis mon arrivée à Montréal en septembre 2016, j'ai le plaisir de collaborer avec un vaste réseau d'institutions et d'acteurs clés du réseau canado-suisse basé dans ma circonscription consulaire. En effet, épaulée par mon équipe et le Swiss Business Hub – un élément important en matière de commerce et d'investissement au Canada – le Consulat général s'efforce de défendre les intérêts de la Suisse et de promouvoir et renforcer sa présence dans de nombreux domaines tels que l'économie, la science et la culture. Nos Consuls honoraires à Halifax, Québec, Toronto et à Nassau jouent également un rôle important et nous aident à identifier toute opportunité permettant de renforcer les bons liens déjà existants entre la Suisse et l'Est du Canada ainsi que les Bahamas.

Un Consulat général est bien entendu aussi un fournisseur de services. Il me paraît ainsi essentiel de pouvoir vous fournir des prestations agréables, rapides et méticuleuses. Dans cette optique, nous envisageons offrir, comme par le passé, des services de biométrie mobile pour les passeports et d'organiser des rencontres avec nos jeunes concitoyens atteignant leur majorité ainsi que de collaborer avec les Clubs suisses dans notre circonscription. Aussi, je voudrais vous encourager à utiliser davantage notre guichet unique et à actualiser vos données (voir notre communication officielle de février 2017). Par ailleurs, il nous fera plaisir de vous faciliter l'obtention de toute information publique sur la Suisse qui n'est pas disponible sur internet ou de vous communiquer des informations de contact dans le cadre de notre compétence. Nous veillerons à vous aider et à répondre à vos attentes dans toute la mesure du possible.

Je vous invite à découvrir notre page Facebook pour rester informé sur une grande variété de nouvelles et d'événements entre nos deux pays, mais aussi de consulter régulièrement notre site internet. Vous y trouverez un vaste éventail d'informations, lié non seulement à vos démarches administratives avec notre Consulat général mais aussi aux changements de loi ou de procédure pertinents pour les Suisses de l'étranger.

Avec mes meilleures salutations et au plaisir de vous lire ou de vous entendre, Elisabeth Bösch Malinen

Dear Compatriots,

It is with great pleasure that I write to you via this edition of the Swiss Review.

Since my arrival in Montreal last September, I enjoy working with a broad network of institutions and key players based in my consular district. Along with my team and the Swiss Business Hub Canada, responsible for facilitating business relations between our countries, the Consulate General represents Switzerland's interests in various areas such as economic, scientific and cultural affairs. In addition, the Honorary Consuls in Halifax, Québec, Toronto and in Nassau help us to identify upcoming opportunities and thus to further strengthen the ties between Switzerland and Eastern Canada, as well as with the Bahamas.

A Consulate General is of course also a service provider to its citizens and to the population in its consular district. In addition to offering a vast range of services, we contemplate continuing to offer mobile biometric services for passports and to organize gatherings for our young fellow citizens attaining majority as well as to cooperate with Swiss Clubs in your vicinity. I would also like to encourage you to use our online desk and to update your personal data (please also see our official communication of February 2017). We are always happy to help you find information about Switzerland and to assist you as best we can.

In addition, I invite you to visit our Facebook page updated regularly with interesting posts about Switzerland and which informs our followers about upcoming Swiss related events taking place in Eastern Canada. Take a look at our website too, where you will not only find information regarding various administrative procedures but also information concerning significant changes in the Swiss legislation pertinent to Swiss nationals living abroad.

Yours sincerely, Elisabeth Bösch Malinen

Comme dans les années précédentes nous avons de nouveau l'occasion de jouer à la fête nationale suisse 2016 à Sutton. Après une première prestation sur la scène devant le chalet nous montions sur la montagne pour un petit concert avec une vue splendide sur la région de Sutton. Un dimanche après-midi en septembre nous étions les invités de Gérard Hermann au restaurant L'Héritage à Morin Heights dans les Laurentides. Les bonnes odeurs du traditionnel procelet de Gérard, qui était en train de rôtir sur le grill, nous donnaient un élan supplémentaire pour notre prestation. L'année s'est finalement terminée avec une soirée fondue. Plusieurs membres de notre groupe seront à Bâle en mars pendant le carnaval. Nous comptons de participer de nouveau à la fête nationale à Sutton et peut-être à d'autres événements au cours de l'année.

Nous recherchons toujours quelques nouveaux membres pour notre groupe. Est-ce que vous jouez

le piccolo, la flûte ou un autre instrument, ou est-ce que vous êtes tambour, et vous auriez envie de rencontrer des gens fort sympathiques pour faire de la musique ensemble? Ou est-ce que vous connaissez quelqu'un qui pourrait être intéressé de

nous rencontrer? Vous n'avez pas besoin d'être suisse, l'amour pour la musique est suffisant. Pour plus d'information veuillez nous contacter via le site web de la Fédé: www.fedesuisse.com.

Our Annual General Meeting was held at Terra Mare Restaurant where we enjoyed another delicious dinner. This year we welcome two new members to our committee as our former Vice-President and Member-at-Large, Christian Walz and Annelise Oppliger, decided to resign. We thank them very much for their contributions over the past few years. Our 2017 Committee is as follows: Walter Spirig, President; Peter Aschwanden, Vice-President; Giblert Berthoud, Treasurer; Joanne Spirig, Secretary; Astrid Aschwanden, Member-at-large. Jack Schiess was welcomed as our new auditor. Henry Oppliger is since-

rely thanked for holding this position for many years!

We are currently planning our spring or early summer outing to Omega Park in Montebello, QC. It is sure to be a very enjoyable day, observing Canadian wildlife in their natural habitat.

Our club holds five or six events or outings each year, and we are pleased to say they are always very well attended. New members are always welcome. For more information please see the Matterhorn Club section on the Federation website: www.fedesuisse.com.

A Call to **Action** for all Swiss in the lower Mainland: The Outdoors Club of the Swiss Society is seeking your Help!

Do you remember the fun car rallies we held? Or the many notable camping trips and mountain climbs? Ski trips, followed by a fondue Plausch in the cabin or summer canoeing and bicycle excursions with picnics? How about the generations of children who grew up with the beloved Swiss Waldweihnachten, organized for nearly forty years? They were just as popular by their parents! Not to mention the support of equally many August first celebrations, dances and most notable the construction and maintenance of Mt. Baker cabin in Glacier Springs, a beautiful chalet close to the Mt. Baker ski and hiking area. The Swiss Outdoor Club is proud of the many wonderful and memorable achievements we have accomplished over the years and even more importantly, of the countless friendships to which we contributed!

Since inception in 1977, the Club and its cabin management have been largely led by a team of volunteers. Now, we need some more young outdoor enthusiasts to join some of our other young leadership members, as many of us 'original' Outdoor Club board members wish to pass on the torch to a new leadership generation.

If you enjoy outdoor activities, see great value in organizing and participating in rewarding and fun social community events around outdoor activities for families and individuals, and wish to bring fresh ideas as part of the executive of a club of 140 members, join the Swiss Outdoor Club! Due to retirement, we're

seeking a President, Vice-President and Trip Organizer. There are also opportunities for cabin management volunteers and Treasurer.

Let's rejuvenate the Swiss Outdoor Club together as part of the larger Swiss Club in Vancouver and infuse it with fresh spirit! Join us on the executive or tell this opportunity to someone you know.

For more information contact: Andres Schneider at aschneider@shaw.ca, Jacques Goldschmidt at goldschmidt.jaques@gmail.com or Joe Mueller at josefmueller@shaw.ca. We're looking forward to hearing from you!

Edmonton Edmonton Swiss Society

We had a good turnout at our Annual General Meeting on January 27, 2017, of our own members as well as delegations from the other Edmonton Swiss clubs, namely the Swiss Rifle Club and the Swiss Men's Choir.

As always, Kari, our outgoing President, made sure we did not waste any time going through the official part. We had a review over the events of the past year and a brief outlook to upcoming events. The most important part of this year's AGM was the election of the Executive as two of our members did not stand for re-election. Both Kari Strickler and Teresa Clouston left the executive.

As new President, I would like to take the opportunity to thank them both for the tremendous work they have done for the Edmonton Swiss Society over the past years. At the same time we are excited to welcome two new members to the executive. Sisters Regula and Barbara Winzeler were elected and join the lea-

dership team of our club as Vice-President and Secretary respectively.

We are excited to launch a new event this spring. Inspired by a Swiss Club in Sydney, Australia, we are offering a Swiss Brunch on April 23 this year. This will be an event that is open to all guests interested in enjoying a delicious Swiss Brunch made of homemade breads, Swiss cold cuts, jams, birchermuesli and much more.

Please visit our Facebook page for more and detailed information. We are hoping to see you there! Please also visit our Facebook page for up-to-date information about events. www.facebook.com/edmontonswiss.

Organisation of the Swiss Abroad (OSA) - Delegate Elections 2017

Three delegates from East Canada and two from the West represent the Swiss citizens in Canada during a four-year term as part of OSA Council in Switzerland. Following are the three candidates standing for election for the two Western seats. Eastern Canada's incumbents are invited to portray themselves in the next edition of the Regional News.

Rolf Brühlhart, born in Kt. Luzern, was initially Primarschullehrer, Offizier and finally became Soziologe in 1973. His work as Scientific Secretary of the National Social Science Research Councils of the ISSC, UNESCO, Paris, took him around the world. At the end of his MA studies in Vancouver, he met his wife Josefina with whom he has three children. He served the local Swiss Community as President of the Swiss Society of Vancouver, President of the local Swiss-Canadian

Chamber of Commerce and as Co-Founder of the Presidents Conference of Swiss Organizations in Western Canada. From 2007-2013, Rolf served as Delegate to the Council of Swiss Abroad of the OSA in Berne, and from 2008-2011 as President of the United Swiss Singing Societies of the Pacific Coast. He is an active member of the Vancouver Swiss Choir, the SSV, the Swiss Outdoors Club and the SCCC(BC) Inc. It would be an honour for him to serve again as Delegate for the Swiss Abroad of Western Canada for CSA. Rolf can be reached at: rbrulhart@hotmail.com.

Silvia Schoch is a current OSA Delegate & Council Member representing Western Canada. Silvia is looking forward to the opportunity to serve a second term. As a member of the OSA Executive appointed *Direct Elections* committee, she is working to make recommendations how to broaden the OSA Delegate election process for the next election in 2021. In 2014, Silvia submitted a paper to OSA Council demonstrating the global connection between lack of clean water & war displacement migration for OSA discussion. Silvia was born and raised in Zurich, completed the federal business diploma and worked as Human Resources Manager in Switzerland and Canada after immigration in 1982. Moving to BC in 2000, Silvia completed her advanced English teaching degree and began a career in writing and journalism. She worked overseas in developing countries, reporting for various NGOs. Today, she lives in Victoria, BC, is a member of the Victoria Swiss Society, Editor of *Swiss Review Canada* and the Swiss Abroad website *Swiss Wanderlust*. To request Silvia's 2016 OSA report, please email her at: silv.schoch@gmail.com.

Heidi Lussi grew up with seven siblings in Stans, Nidwalden. Heidi loves serving people in the best way, a passion which threads throughout her life and which she combines with a sense of adventure. After high school, Heidi attended farmer's school in Gurtellen. She then accepted a position to take care of household and children in a doctor's family until she'd saved sufficient money to take an intensive language course in England. She applied her new skills in the Swiss hotellerie, until completing her French studies in Paris, followed by business school in Lucerne. After running the office of a large Swiss firm, Heidi's sense of adventure took her to work on a ranch in Canada. Settling in Vernon, BC, Heidi discovered her passion for real estate sales in 1990. She has since helped hundreds of families achieve their real estate dreams with her professional sales team. Heidi is an active member of the Interior Swiss Club and would love the opportunity to assist making the OSA better together with her drive and determination. Reach Heidi at heidi@heidilussi.com.

Edmonton Edmonton Swiss Men's Choir

Our choir started the new season by learning the mass choir songs as well as our own pieces for the 29 *Pacific Coast Singing and Yodeling Festival* in Modesto, CA. We will be representing Edmonton with a large group at this festival, which runs from June 22nd to the 25. For more information please refer to: www.swissongfest2017.com.

Saturday, May 6, 2017 will be a busy day for us: first we participate at the annual *Run for Music* at the Sir Wilfrid Laurier Park in Edmonton. As singers we are reminded that a full-body aerobic exercise such as running or walking at a brisk pace not only builds a strong heart and healthy circulation, but helps to expand the lungs and keep the airways clear. To find out more about the event, to participate or sponsor the ESMC-team, please go to: www.albertachoralfederation.ca/runformusic.asp.

In the evening we take part at the 20 Anniversary concert of the Wildrose Yodel Club in Rimbey. We look forward to help celebrate this great milestone with our friends from central Alberta. For more info and order tickets, please check: www.salranch-tours.com/wildrose.

Saturday, June 10: in the afternoon and evening we take part at the yearly Landsgemeinde at the Ol MacDonald's RV Resort near Stettler, please see: www.olmacdonalds.com/directions.html.

We are always looking for new singers. For more information, please check our website: www.esmca.ca or "like" us on Facebook *Edmonton Swiss Men's Choir*.
