X. FINANCIAL POSITION

As is customary, the ICRC submitted its annual accounts to a firm of official auditors accredited by the Swiss Federal Council and the Commission fédérale des Banques.

Reproduced in the following pages are the report on the audit by this firm, the Balance Sheet as on December 31, 1957 for the ICRC funds and for the special funds entrusted to it, as well as the Expenditure and Receipts Accounts for 1957. The other tables annexed include a list of contributions to the ICRC, from Governments and National Red Cross Societies in 1957, a Summary of General Account and a Summary estimate of Expenditure and Receipts for 1958.

Once again the ICRC wishes to record its thanks to all those who, by making generous donations year after year, enable it to continue to perform its task in the world.

REPORT ON THE AUDIT OF THE ANNUAL ACCOUNTS AS ON DECEMBER 31, 1957.

Mr. President,
Gentlemen,

In execution of the task entrusted to us, we have verified the annual accounts for 1957, as on December 31, 1957, of the International Committee of the Red Cross (ICRC) in Geneva.

This auditing has been done in accordance with the regulations and principles governing the verification of accounts. Both during the year and after the books were closed, we have carried out numerous checks

on the figures entered in the books for 1957, assuring ourselves, in particular, that the expenditure was proven by the relevant documents.

We have also checked the figures of the general balance of accounts as on December 31, 1957, annexed to this report (Table I) and we have ascertained the existence of the assets, in particular available and realisable assets.

In Table II we give the General Account of Ordinary Expenditure and Receipts for 1957, which, after the establishment of a provision of Fr. 200,000.— for special expenses, shows a *deficit of Fr. 239,966.90*, written off by withdrawal from " Reserve for General Risks ".

As in previous years, extraordinary commitments and expenditure, as well as sundry receipts and refunds, have been placed directly to the " Reserve for General Risks ". A summary of this account is given in Table III, showing a total of Fr. 1,819,175.94 as on December 31, 1957, after carrying over the deficit for 1957 (Fr. 239,966.90) resulting from the General Account of Ordinary Expenditure and Receipts.

Table IV gives a summary of the General Account for Relief Actions in 1957, of which the total as on December 31, 1957 (Fr. 2,682,391.33) is divided as follows :

| | |
|--|-------------------------|
| Funds not yet assigned | Fr. 933,131,70 |
| Funds earmarked | Fr. 353,566.87 |
| Funds for current relief actions | Fr. 1,395,692.76 |
| Total | <u>Fr. 2,682,391.33</u> |

As a result of our audit, we are in a position to declare that the annual accounts of the ICRC, as on December 31, 1957, are in accordance with the books submitted for our inspection.

All documents and information necessary for our work were made available and were found to be entirely satisfactory.

We have also verified the annual accounts for 1957 of the various special funds entrusted to the ICRC, i.e. :

- Fund for the ICRC Foundation
- Augusta Fund
- Empress Shôken Fund
- Florence Nightingale Medal Fund

The existence of assets constituting the capital of these funds was proved, and on February 4, 1958, we certified that the balance sheet and accounts as on December 31, 1957 were correct for each Fund concerned.
