# PROTECTION STATISTICS - CLARIFICATIONS & DEFINITIONS

## PERSONS DEPRIVED OF FREEDOM

### Persons deprived of freedom (all categories/all statuses)

Detainees visited	During the period under consideration, the number of detainees visited, whether monitored individually or otherwise; includes detainees seen and registered for the first time, and those registered previously and visited again, and groups having received aid collectively without being registered individually.
Detainees visited and registered individually	Number of detainees visited and monitored individually, i.e. those seen for the first time and registered, and those registered previously and visited again, during the period under consideration.
of whom women	
of whom minors	
Detainees newly registered in 2001	Number of detainees visited for the first time since their arrest and registered during the period under consideration.
of whom women	
of whom minors	
Detainees released	Number of detainees released as per information received from various sources, including those transferred or repatriated by the ICRC upon release, during the period under consideration.
of whom women	
of whom minors	
Number of places of detention visited	Number of places of detention visited, including places that were found empty when visited, during the period under consideration.
Number of visits carried out	Number of visits made, including those to places found empty when visited, during the period under consideration.
Family members visiting a detainee via an ICRC-organized family visit (FV)	Number of family members who visited a detained relative via an ICRC-organized or -financed family visit during the period under consideration.

### International armed conflict (Third Geneva Convention)

Prisoners of war (POWs) visited	Number of POWs visited and monitored individually during the period under consideration.
POWs newly registered in 2001	Number of POWs visited for the first time since capture, and monitored individually during the period under consideration.
POWs released during 2001	Number of POWs released during the period under consideration.
POWs repatriated by/via the ICRC	Number of POWs released and repatriated by the ICRC during the period under consideration.
Number of places visited	Number of places, holding or having held POWs, visited during the period under consideration.
Number of visits carried out	Number of visits to POWs carried out during the period under consideration.

### International armed conflict (Fourth Geneva Convention)

Civilian internees (CI) and others visited	Number of CIs and other persons protected by the Fourth Geneva Convention who were visited and monitored individually during the period under consideration.
CIs and others newly registered during 2001	Number of CIs and other persons protected by the Fourth Geneva Convention who were visited for the first time since the start of their internment and monitored individually during the period under consideration.
CIs and others released	Number of CIs and other persons protected by the Fourth Geneva Convention who were released, as per information received from various sources, including those transferred or repatriated by the ICRC upon release, during the period under consideration.
Number of places visited	Number of places, holding or having held CIs and other persons protected by the Fourth Geneva Convention, visited during the period under consideration.
Number of visits carried out	Number of visits carried out to places holding or having held CIs and other persons protected by the Fourth Geneva Convention during the period under consideration.

# PROTECTION STATISTICS - CLARIFICATIONS & DEFINITIONS

## RE-ESTABLISHMENT OF FAMILY LINKS

### Red Cross messages (RCMs)

RCMs collected	Number of RCMs collected regardless of the destination of the RCM during the period under consideration.
of which from civilians	
of which from detainees	
RCMs distributed	Number of RCMs distributed, regardless of the origin of the RCM during the period under consideration.
of which to civilians	
of which to detainees	
RCMs not distributed and sent back to sender	Number of RCMs which were impossible to distribute – either because the addressee could not be located or because the addressee refused to accept the RCM (for whatever reason) – and sent back to sender during the period under consideration.

### Persons reunited, transferred, repatriated

Persons reunited with their families	Number of persons reunited with their families under the auspices of the ICRC during the period under consideration.
Civilians transferred	Number of civilians, not counting those in a context of detention, transferred by the ICRC during the period under consideration.
Civilians repatriated	Number of civilians, not counting those in a context of detention, repatriated by the ICRC during the period under consideration.

### Tracing requests<sup>1</sup> (all categories)

Persons for whom a tracing request has been newly registered	Number of persons for whom a tracing request was initiated during the period under consideration – e.g. because there has been no news of them, were not located by RCM, were sought by their families, were presumed to have been arrested and/or detained – and for whom the ICRC is going to take steps to locate them or clarify their fate.
Tracing requests closed positively	Number of persons for whom a tracing request had been initiated and, during the period under consideration, was located or whose fate was established (closed positively).
Tracing request closed negatively	Number of persons for whom a tracing request had been initiated and, during the period under consideration, was not located or whose fate was not established and for whom the ICRC has exhausted its tracing possibilities (closed negatively).
Tracing requests still being handled at 31 December	Number of tracing requests still open and pending at the end of the period under consideration.

### Unaccompanied minors (UAM)<sup>2</sup>/Separated children (SC)<sup>3</sup>

UAMs/SCs newly registered	Number of UAMs/SCs registered by the ICRC or by another organization and the data of which are centralized by the ICRC, during the period under consideration.
of whom by ICRC	
UAMs/SCs reunited with their family	Number of UAMs/SCs reunited with their families by the ICRC or by another organization during the period under consideration.
of whom by ICRC	
UAM/SC cases still being handled at 31 December	Number of UAMs/SCs whose cases were opened but who have not yet been reunited by the ICRC or by another organization during the period under consideration; these include cases concerning either children whose parents are being sought, or children whose parents have been found but with whom they have not yet been reunited.

<sup>1</sup> All cases regarding persons being sought on the basis of information received by the ICRC as to persons whose fate is not known either to their families or the ICRC and for whom the ICRC is going to undertake some kind of action to clarify their fate or to confirm their alleged fate; these can include allegations of arrest and co-detention, and tracing requests collected following unsuccessful attempts to restore family links by other means.

<sup>2</sup> Child under 18 or under legal age of majority separated from both parents and from all other relatives and not being cared for by an adult who, by law or custom, is responsible for doing so.

<sup>3</sup> Child under 18 or under legal age of majority who is separated from both parents or from his/her previous legal caregiver but is accompanied by another adult relative.

# PROTECTION STATISTICS - CLARIFICATIONS & DEFINITIONS

## Missing persons

Cases of missing persons newly opened of whom women of whom minors	Number of persons for whom a missing person file was opened during the period under consideration.
Cases of missing persons closed positively	Number of persons whose case has been resolved (closed positively), i.e. persons who have been located or confirmed deceased, during the period under consideration.
Cases of missing persons closed negatively	Number of persons whose cases have not been resolved, and for whom the ICRC has decided not to pursue enquiries (closed negatively), during the period under consideration.
Cases of missing persons still being handled at 31 December of whom women of whom minors	Number of persons whose cases are still open (pending) at the end of the period under consideration.

## DOCUMENTS ISSUED

Persons to whom travel documents were issued	Number of beneficiaries of travel documents issued by the ICRC during the period under consideration.
Persons to whom a detention certificate was issued	Number of persons who received a certificate testifying to their detention according to ICRC records of visits, during the period under consideration.
Other certificates issued	Number of certificates – not related to detention – issued during the period under consideration.
Documents transmitted/transferred	Number of documents – e.g. passport, power of attorney, death certificate, birth certificate, marriage certificate, and ICRC certificates such as house destruction certificates, tracing requests (other than detention certificates) – forwarded or transmitted during the period under consideration.

## PERSONS SOLICITING ICRC OFFICES IN THE FIELD

Number of persons who visited/telephoned ICRC offices	Number of persons who contacted an ICRC office in the field, either in person or by telephone, during the period under consideration.
