7. CALL FOR PAPERS

The ICMI study "Perspectives on the Teaching of Geometry for the 21st Century" will consist of an invited *Study Conference* and a *Publication* to appear in the ICMI study series, based on the contributions to, and the outcomes of, the Conference.

The Conference is scheduled for September 1995 in Catania (Italy). The International Program Committee (IPC) for the study hereby invites individuals and groups to submit ideas, suggestions and contributions on major problems or issues related to this discussion document, no later than February 15, 1995.

Although participation in the conference requires an invitation from the IPC, "experts" and "newcomers" interested in contributing to and participating in the conference are encouraged to contact the chair of the IPC. Unfortunately, an invitation to attend does not imply that financial support will be provided by the organizers.

Papers, as well as suggestions concerning the content of the study conference program should be sent to
